SETUP

Mounting the Boxing Machine

The Hommkiety Music Boxing Machine offers two installation methods for various wall surfaces:

1. Adhesive Backing (Immovable):

- Clean the wall surface thoroughly.
- Peel off the protective film from the adhesive backing.
- Press the machine firmly onto the desired wall location. This method is suitable for smooth surfaces like marble or basalt.

2. Velcro (Height Adjustable):

- Attach the Velcro strips to the back of the boxing machine.
- Attach the corresponding Velcro strips to the wall.
- Press the machine onto the wall. This method allows for height adjustment and is suitable for solid wood walls or tiled walls.

Ensure the chosen mounting method provides a secure and stable attachment to prevent the machine from falling during use.
