FiveWillowise Fluted Cabinet with Storage, 2 Doors Sideboard Buffet - Instruction Manual

Model: C7C001HS01A-R1

Brand: FiveWillowise

INTRODUCTION

Thank you for choosing the FiveWillowise Fluted Cabinet with Storage. This manual provides detailed instructions for the assembly, operation, and maintenance of your new cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

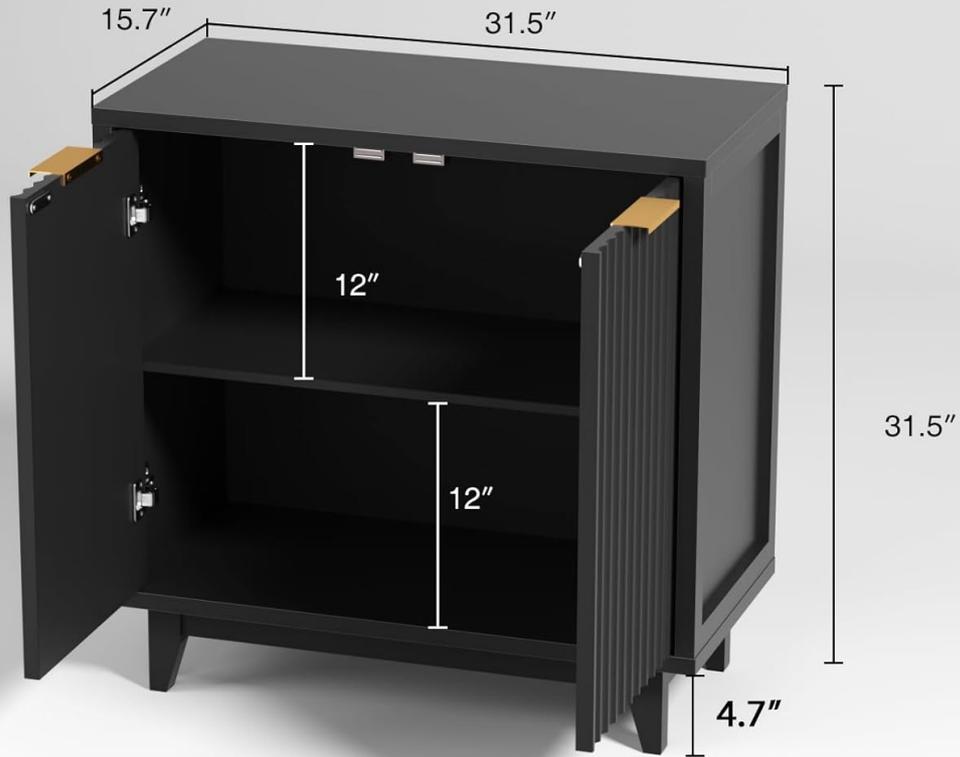

SAFETY INFORMATION

Always follow the assembly instructions carefully. Use appropriate safety gear when handling heavy or sharp objects. Keep the cabinet away from heat sources and do not place heavy objects on the top that could cause it to tip over. Always secure the cabinet to the wall using the anti-tip mechanism to prevent tipping.

PARTS LIST

Before beginning assembly, ensure all parts and hardware are present and undamaged. Each panel is labeled for easy identification. Refer to the included hardware and parts list in your package to verify all components.

Product Dimensions

Material

Wood
MDF Board

Dimensions

15.7"D x 31.5"W x 31.5"H

Capacity

Countertop: 80 lbs

SETUP AND ASSEMBLY

The FiveWillowise Fluted Cabinet is designed for easy assembly with step-by-step instructions and clearly labeled parts. A professional R&D team and strong factory support ensure a smooth assembly process.

Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Follow the detailed, illustrated instructions provided in your package. Each panel is labeled to guide you.
3. Use the provided hardware for secure construction.
4. Ensure all connections are tight and stable.
5. Attach the anti-tip mechanism to the wall for safety, as detailed in the instructions.

Key Features for Assembly:

- **Solid Wood Legs:** The one-piece solid wood legs add extra stability and support.
- **Adjustable Shelves:** Built-in divider shelves can be adjusted in 3 heights, each with a 2-inch difference,

allowing customization for various item sizes.

- **Door Panel Adjustment:** Refer to the diagram for adjusting door alignment (Adjustments B, C, F).

OPERATING INSTRUCTIONS

Your FiveWillowise Fluted Cabinet is designed for versatile use in various rooms such as the living room, kitchen, dining room, or entryway. Utilize the adjustable shelves to customize storage space according to your needs. The doors feature a soft-close mechanism to prevent slamming and ensure quiet operation.

MAINTENANCE

To maintain the appearance and longevity of your cabinet, regularly wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners. The cabinet is made of high-quality MDF with a waterproof and anti-scratch surface, ensuring durability and easy cleaning.

TROUBLESHOOTING

- **Door Alignment Issues:** If doors appear uneven after assembly, refer to the "Door Panel Adjustment" diagram in the assembly section. Adjustments B, C, and F on the hinges allow for fine-tuning the door position.
- **Wobbling:** Ensure all screws and bolts are securely tightened. Verify that the cabinet is placed on a level surface.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact FiveWillowise customer support immediately for assistance.
