Lufeiya LFY-JC4DMS47

Lufeiya 47-inch Gaming Desk with LED Lights and Power Outlets User Manual

Model: LFY-JC4DMS47 | Brand: Lufeiya

INTRODUCTION

Welcome to your new Lufeiya 47-inch Gaming Desk. This manual provides essential information for the assembly, operation, and maintenance of your desk, designed for gaming, working, and writing. Please read these instructions carefully before assembly and use to ensure proper function and longevity of your product.

SAFETY INFORMATION

- Always ensure the desk is assembled correctly and stable before use.
- Do not overload the desk with more weight than it can safely support.
- Be cautious when using the power strip and do not overload it with too many devices.
- Keep the LED lights away from flammable materials and do not leave them on unattended.
- Keep small parts and packaging materials away from children to prevent choking hazards.

PACKAGE CONTENTS

Please verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer service immediately.

- Desktop Panels
- Metal Frame Components
- Monitor Stand
- 4 x Fabric Drawers
- Built-in Power Strip (3 AC Outlets, 2 USB Ports)
- LED Light Strips
- Side Storage Bag
- 2 x Iron Hooks
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (Allen wrench, screwdriver)
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward with the included tools and detailed instruction manual. Follow the steps below and refer to the separate assembly guide for detailed diagrams.

Step 1: Unpack and Identify Components

Carefully unpack all parts and compare them with the package contents list. Lay out all components on a clean, soft surface to prevent scratches.

Step 2: Frame Assembly

Assemble the metal frame according to the diagrams in the separate assembly guide. Ensure all screws are tightened securely but do not overtighten until all parts are aligned.

Step 3: Desktop and Monitor Stand Installation

Attach the desktop panels to the assembled frame. Then, install the monitor stand. The monitor stand is designed to elevate your screens for ergonomic viewing.

Step 4: Reversible Storage Drawers and Accessories

The 4-tier fabric drawers can be installed on either the left or right side of the desk to suit your preference. Attach the side storage bag and iron hooks as desired to the desk frame.

Step 5: Power Strip and LED Lights

Install the built-in power strip into its designated slot on the monitor stand. Attach the LED light strips to the underside of the monitor stand or desktop as indicated in the assembly guide. Ensure all power connections are secure before plugging into a wall outlet.

OPERATING INSTRUCTIONS

LED Lights Control

The integrated RGB LED lights can be controlled via a mobile application. Download the specified app (refer to the separate LED light manual or packaging for app details) to customize colors, brightness, color temperature, and various flash modes, including music rhythm synchronization. A remote control is also provided for basic functions.

Power Outlets and USB Ports

Utilize the built-in power strip with 3 AC outlets (125V/12A) and 2 USB charging ports (5V/2A) for convenient power access for your computer, monitor, gaming gear, tablet, phone, and other electronic devices. Ensure the total power draw does not exceed the strip's maximum capacity.

Monitor Stand

The elevated monitor stand is designed to position your monitors at an ergonomic eye-level, promoting better posture and reducing neck and spinal strain during extended use.

Storage Features

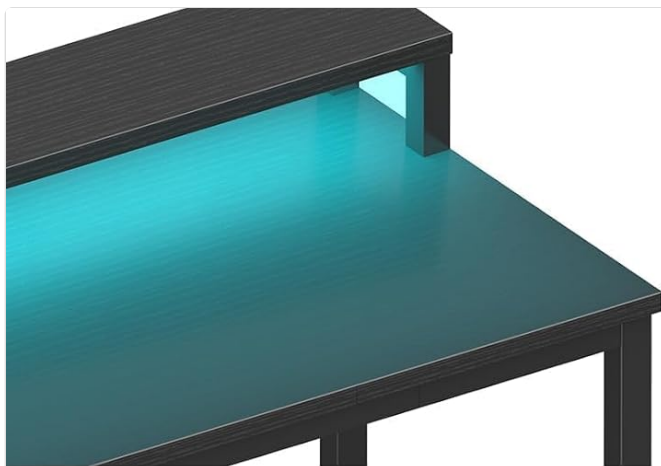

- **4-Tier Fabric Drawers:** These spacious drawers provide ample room for organizing books, wallets, files, laptops, and other personal items.
- **Side Storage Bag:** The removable side storage bag is ideal for holding magazines, notebooks, or small electronics, keeping your desktop clear.
- **Iron Hooks:** Two removable iron hooks are included for conveniently hanging headphones, bags, or other accessories.

Adjustable Leg Pads

The desk features adjustable leg pads at the bottom of each leg. Rotate these pads to fine-tune the desk's height and ensure stability on uneven floor surfaces.

MAINTENANCE

- **Cleaning:** Clean the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Water Resistance:** The desktop surface offers good waterproof effect for minor spills. Wipe up any liquids immediately to prevent damage. Ensure LED strips and electrical components remain dry.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten as necessary to maintain the desk's stability and structural integrity.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and damp cloth. Allow to air dry completely.

TROUBLESHOOTING

LED Lights Not Functioning

- Check all power connections to the LED strip and ensure they are securely plugged in.
- Verify that the mobile app is correctly paired with the LED lights and is updated to the latest version.
- Ensure the power outlet the desk is plugged into is active.

Desk Instability

- Adjust the leg pads at the bottom of each leg to compensate for uneven flooring.
- Re-tighten all assembly screws, ensuring they are snug but not overtightened.

Power Outlets Not Working

- Check the main power cord connection from the desk's power strip to the wall outlet.
- Ensure the power strip is not overloaded with too many high-power devices.
- Test the wall outlet with another device to confirm it is functional.

For any persistent issues or quality problems not covered here, please contact Lufeiya customer service for professional assistance.

SPECIFICATIONS

Feature	Detail
Brand	Lufeiya
Model Number	LFY-JC4DMS47-Black
Product Dimensions (D x W x H)	19.7"D x 47.2"W x 33.4"H
