## BWOO SYNC BW94

# BWOO SYNC BW94 & BW03 TWS Bluetooth 5.3 Earbuds User Manual

Model Numbers: BW94, BW03

---

## INTRODUCTION

---

Welcome to your BWOO SYNC BW94 & BW03 TWS Bluetooth 5.3 Earbuds. This manual provides detailed instructions for optimal use, ensuring a superior audio experience. These earbuds combine cutting-edge technology with superior sound to deliver an exceptional listening experience, whether you're working out, commuting, or enjoying your favorite tunes.

Key features include advanced Bluetooth 5.3 connectivity, high-quality sound with deep bass and crisp highs, and a comfortable in-ear design. They are also IPX4 waterproof, making them suitable for various activities.

## PACKAGE CONTENTS

---

- BWOO SYNC BW94/BW03 TWS Earbuds (Left and Right)
- Charging Case
- USB Type-C Charging Cable
- User Manual

## PRODUCT OVERVIEW

---

Familiarize yourself with the components and key features of your earbuds.

This image displays both the blue BW94 and white BW03 TWS earbuds, each housed in their respective charging cases, illustrating the product's design and color options.

**40h Of  
Battery Life**

**40<sub>h</sub>**

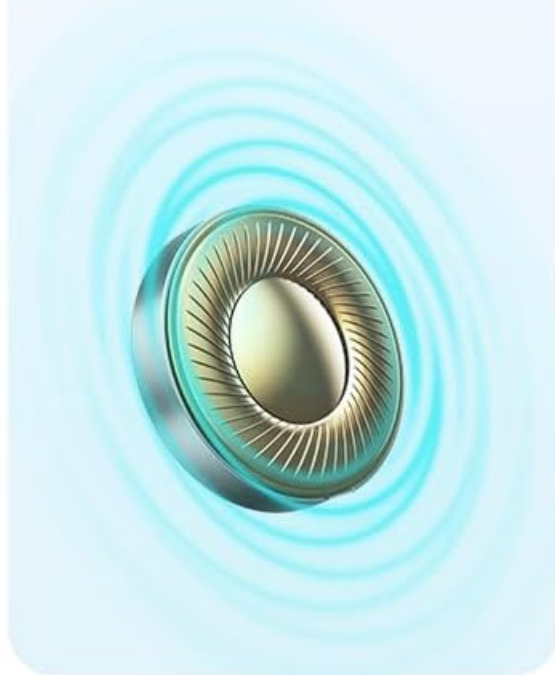

**HD  
Two-channel**

**BT 5.3  
Smart Chip**

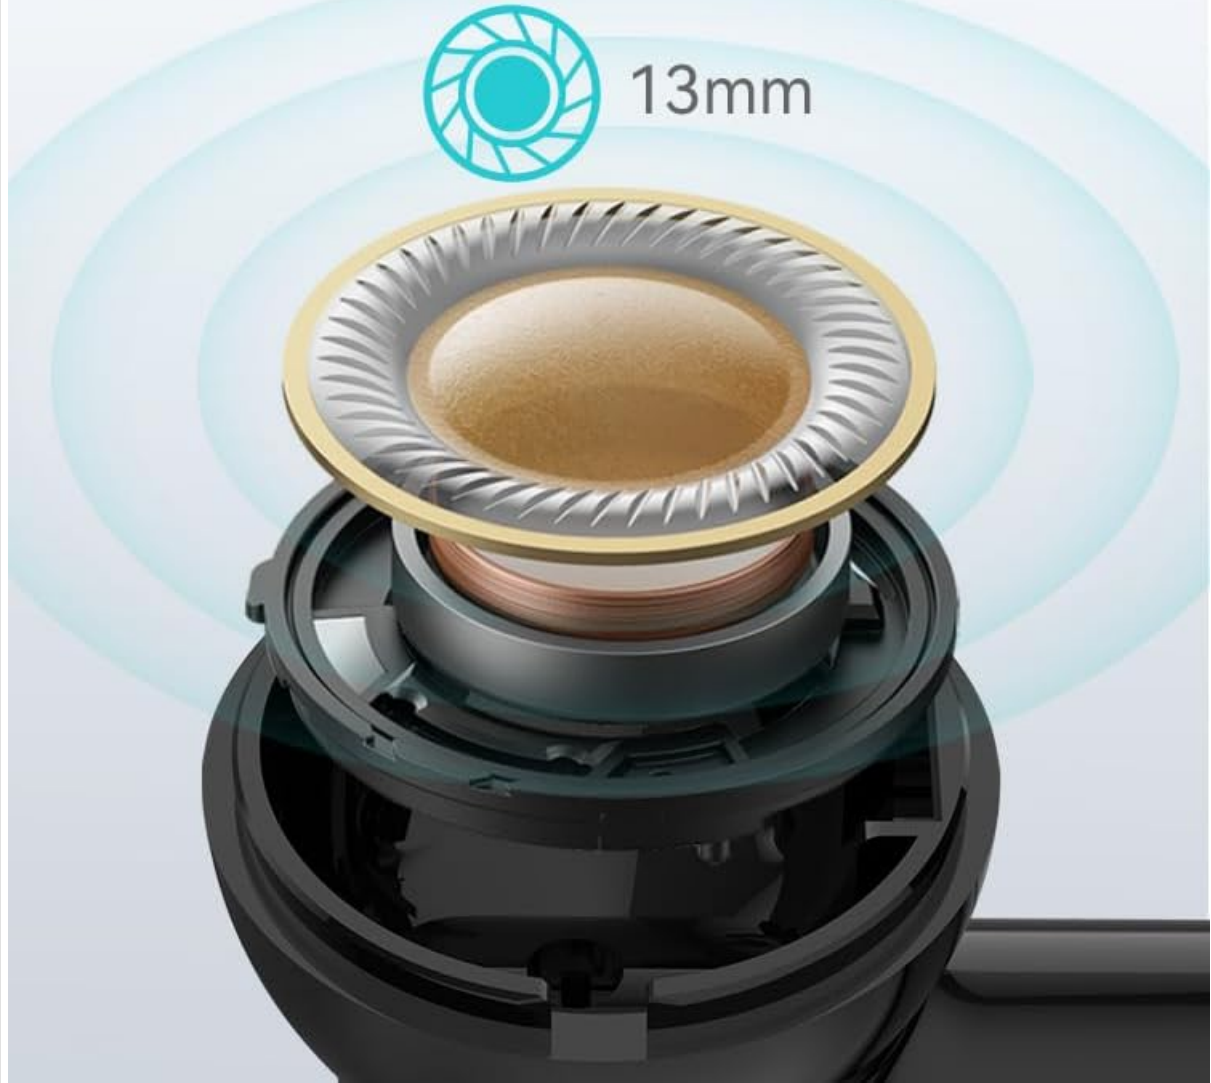

**13mm  
Large Sound Unit**

This graphic highlights key technical specifications, including the 40-hour total battery life (with charging case), HD two-channel audio, the integrated Bluetooth 5.3 smart chip for stable connectivity, and the 13mm large sound unit for enhanced audio quality.

# HIGH DEFINITION SOUND QUALITY

13mm graphene dynamic driver  
Excellent sound resolution  
Delicate and transparent sound quality

A detailed view of the 13mm graphene dynamic driver, emphasizing its role in delivering excellent sound resolution and delicate, transparent sound quality.

## SETUP INSTRUCTIONS

### Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB Type-C cable to the charging port on the case and to a power source. The charging indicator will show the charging status.

Charging time for the earbuds is approximately 1.5 hours. The case provides additional charges for up to 200 hours of standby time or 4-5 hours of continuous playtime per earbud charge.

# LONG STANDBY

Lithium-ion polymer battery  
Extremely long endurance, low power consumption

**200h**  
Standby

**5h**  
Playing time

**1.5h**  
Charging

This image illustrates the battery performance, indicating 200 hours of standby time for the case, 5 hours of playtime for the earbuds, and a 1.5-hour charging time.

## Pairing with a Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for "BW94" or "BW03" in the list of available Bluetooth devices.
5. Select the device name to connect. A voice prompt will confirm successful pairing.

The earbuds support Bluetooth 5.3 for a fast and stable connection.

# CHIP VERSION 5.3 THE LATEST SCHEM

Strong anti-interference ability  
low power consumption

This image highlights the advanced Bluetooth 5.3 chip, which provides strong anti-interference ability and low power consumption for reliable wireless connectivity.

## OPERATING INSTRUCTIONS

---

### Touch Controls

The earbuds feature intuitive touch controls on the stem of each earbud.

# TOUCH CONTROL

Touch control area is on the stem of the earbud,  
Sensitive touch and easy operation

This diagram provides a visual guide to the touch controls:

**Play/Pause:** Double click the Touch key

**Previous Song:** Three clicks on the left earbud's touch key

**Next Song:** Three clicks on the right earbud's touch key

**Answer/End Call:** Double click the Touch key

**Reject Incoming Calls:** Long press for 2 seconds

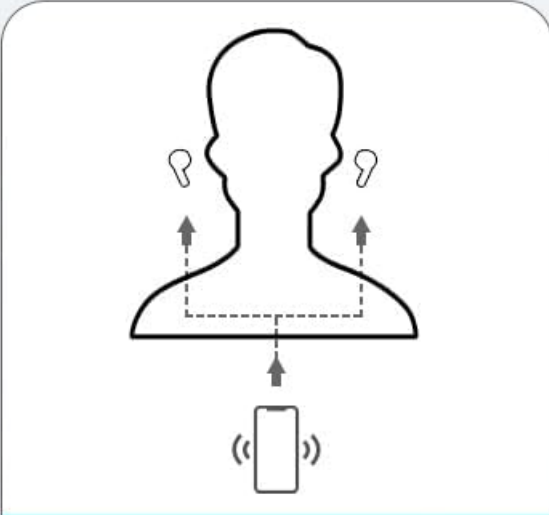

**Voice Assistant:** Long press the left earbud's touch button for 3 seconds

## Single Earbud Use

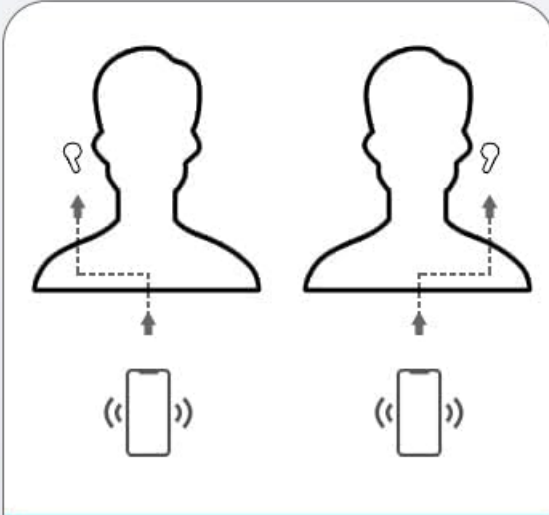

Both earbuds can be used independently. Simply take one earbud out of the case, and it will connect to your device.

# SINGLE EARBUD USABILITY

Seamless switch between two earbuds  
Either can be used alone

**Dual-channel connection**  
Synchronized connection of left and right earphones

**Single-channel connection**  
Both left and right ears can be used separately

This image explains the flexibility of use: "Dual-channel connection" shows synchronized use of both earbuds, while "Single-channel connection" demonstrates that either earbud can be used separately.

## Wearing the Earbuds

Insert the earbuds into your ears and adjust for a comfortable and secure fit. The ergonomic in-ear design ensures comfort during long listening sessions.

# COMFORTABLE TO WEAR

Ergonomic design,  
long-lasting and painless to wear

This image shows an individual comfortably wearing an earbud, highlighting the ergonomic design intended for long-lasting and painless wear.

## MAINTENANCE AND CARE

- Keep the earbuds and charging case clean and dry.
- Use a soft, dry cloth to wipe away dust or debris.
- Avoid exposing the earbuds to extreme temperatures or direct sunlight.
- The earbuds are IPX4 water-resistant, meaning they can withstand sweat and light splashes, but should not be submerged in water.

## TROUBLESHOOTING

---

### Earbuds not pairing:

- Ensure both earbuds are charged.
- Turn off and on your device's Bluetooth.
- Try resetting the earbuds by placing them back in the case, closing the lid, and then reopening it.
- Delete previous pairings on your device and try pairing again.

### Only one earbud working:

- Place both earbuds back in the charging case, close the lid, then open it again.
- Ensure both earbuds have sufficient charge.
- Re-pair the earbuds with your device.

### Low volume or poor sound quality:

- Adjust the volume on both your device and the earbuds.
- Clean any debris from the earbud speakers.
- Ensure the earbuds are properly seated in your ears.
