2. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1 x SABLUTE MA22 Plus Ergonomic Wireless Keyboard
- 1 x Multi-Function Wireless Mouse

- 1 x USB-A 2.4G Wireless Dongle
- 1 x USB-C Converter
- 1 x USB-C Charging Cable
- 1 x User Manual (this document)

Image 2.1: Included components: keyboard, mouse, USB dongle, USB-C converter, and charging cable.

3. SETUP INSTRUCTIONS

3.1. Connecting the Keyboard and Mouse

1. Locate the 2.4G USB Wireless Dongle. It may be stored in the mouse's battery compartment or a dedicated slot.
2. Plug the USB-A 2.4G Wireless Dongle into an available USB-A port on your computer. If your computer only has USB-C ports, use the provided USB-C Converter by plugging the dongle into the converter, then plugging the converter into your computer's USB-C port.
3. Turn on the keyboard and mouse using their respective power switches. The devices should automatically connect to your computer.
4. For Mac users, press **Fn + S** to switch to Mac mode. For Windows users, press **Fn + A** to switch to Windows mode.

3.2. Charging the Devices

The keyboard and mouse are Type-C rechargeable. Use the provided USB-C charging cable to charge them.

- Connect the USB-C end of the charging cable to the charging port on the keyboard or mouse.
- Connect the USB-A end of the charging cable to a USB power source (e.g., computer USB port, USB wall adapter).
- A full charge typically takes 2-3 hours.

4. OPERATING INSTRUCTIONS

4.1. Keyboard Features

- **Ergonomic Curved Design:** The keyboard features an ergonomic arc design that naturally fits the

curve of the palm, reducing wrist pressure and promoting a neutral typing posture.

- **Soft Leather Wrist Rest:** An integrated sponge-filled leather wrist rest provides soft support, dispersing pressure and relieving fatigue during long typing sessions.

 **BUY NOW**

Video 4.1: Official overview of the SABLUTE MA22 PLUS Ergonomic Wireless Keyboard and Mouse, demonstrating its features and ergonomic design.

5. MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to clean the surfaces of the keyboard and mouse. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the devices in a cool, dry place when not in use. Avoid extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the devices frequently. Charge them when the battery indicator is low.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Keyboard/Mouse not responding	Low battery; Dongle not connected; Device not powered on; Driver issue.	Charge devices; Ensure dongle is securely plugged in; Turn on devices; Reinstall drivers or try on another computer.
Lag or intermittent connection	Interference; Distance from dongle; Low battery.	Move closer to the dongle; Remove obstacles; Charge devices; Avoid other 2.4Ghz devices nearby.
Mouse cursor too fast/slow	DPI setting needs adjustment.	Press the DPI button on the mouse to cycle through sensitivity settings.

Problem	Possible Cause	Solution
Keyboard layout incorrect (Mac/Windows)	Incorrect operating system mode selected.	Press Fn + S for Mac or Fn + A for Windows.
