## Lulive HI1519

# Lulive HI1519 White Fluted 5-Drawer Dresser Instruction Manual

Model: HI1519

## 1. PRODUCT OVERVIEW

---

The Lulive HI1519 White Fluted 5-Drawer Dresser is a modern furniture piece designed for bedrooms, living rooms, or entryways. It features a fluted design, five spacious drawers, and a sturdy wood construction. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your dresser.

## **2. SETUP AND ASSEMBLY**

---

This dresser is designed for easy assembly. All necessary tools are included. It is recommended that two adults assemble the unit. Please follow the detailed instructions provided in the packaging and refer to the

assembly video for visual guidance.

## 2.1 Assembly Steps

1. **Unpack Components:** Carefully unbox all parts and hardware. Verify that all components listed in the parts list are present and undamaged.
2. **Prepare Drawer Slides:** Separate the inner and outer parts of the drawer slides. The inner rail will attach to the drawer, and the outer rail to the dresser frame.
3. **Assemble Frame:** Follow the step-by-step diagrams to connect the side panels, back panels, and support beams using the provided screws and cam locks. Ensure all connections are secure.
4. **Attach Legs:** Securely fasten the tapered wooden legs to the bottom panel of the dresser.
5. **Assemble Drawers:** Construct each drawer by attaching the side panels to the front and back panels, then sliding the bottom panel into the grooves. Attach the inner drawer slides to the assembled drawers.
6. **Install Anti-Tipping Device:** For safety, install the anti-tipping device to the back of the dresser and secure it to a wall stud. This prevents accidental tipping.
7. **Insert Drawers:** Carefully align the inner drawer slides with the outer slides on the dresser frame and push the drawers in until they click into place.

### 3. OPERATING INSTRUCTIONS

The Lulive 5-Drawer Dresser is designed for convenient storage and smooth operation.

#### 3.1 Drawer Usage

- **Opening/Closing:** The drawers feature 3-section full extension ball bearing slides, ensuring smooth and silent operation. Gently pull or push the golden metal handles to open and close the drawers.
- **Capacity:** Each large drawer (11.8" x 24.3" x 5.1") can hold approximately 40+ T-shirts, 30+ jeans, or 30+ dresses, providing ample storage space.
- **Top Surface:** The spacious top surface (27.6" x 15") is ideal for organizing skincare products, cosmetics, jewelry, and photo frames. It is also waterproof.

## 4. MAINTENANCE

Proper maintenance will extend the life and appearance of your Lulive dresser.

### 4.1 Cleaning

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.

- For spills on the waterproof top, wipe immediately with a dry cloth.

## 4.2 General Care

- Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- Avoid placing hot items directly on the surface without protection.
- Keep the dresser away from direct sunlight and extreme temperature changes to prevent warping or fading.

## 5. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions.

### 5.1 Drawers Not Sliding Smoothly

- Ensure the drawer slides are clean and free of debris.
- Check that the drawer slides are correctly aligned and securely fastened to both the drawer and the dresser frame.
- Refer to the 'Slide Adjustment' video for detailed instructions on adjusting drawer gaps and ensuring smooth operation.

### 5.2 Drawer Gap Adjustment

Your browser does not support the video tag.

*Video 3: Instructions on how to adjust the drawer slides to correct gaps and ensure smooth movement.*

### 5.3 Dresser Instability

- Verify that the dresser is placed on a level surface.
- Confirm that all assembly screws and cam locks are fully tightened.
- Ensure the anti-tipping device is properly installed and secured to a wall stud.
