COMHOMA GT205-2222

COMHOMA GT205-2222 Ergonomic Office Chair User Manual

Model: GT205-2222 | Brand: COMHOMA

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Retain this manual for future reference.

- **Weight Limit:** Do not exceed the maximum weight capacity of 300 lbs (136 kg).
- **Assembly:** Ensure the chair is properly assembled according to the instructions to avoid any hazards. All screws and bolts must be securely tightened.
- **Stability:** Do not stand on the chair. Do not use the chair as a step stool.
- **Movement:** Avoid sudden movements or leaning excessively, especially when the chair is reclined.
- **Children:** Keep children away from moving parts during assembly and adjustment.
- **Inspection:** Periodically check all fasteners to ensure they remain tight. Replace any damaged parts immediately.

2. PRODUCT OVERVIEW

The COMHOMA GT205-2222 Ergonomic Office Chair is designed for comfort and support during extended periods of sitting. It features a high back, lumbar support, and an adjustable footrest.

Key Features:

- **Ergonomic Full-Body Design:** 3D wrapping lumbar support with dual-layered high-density foam and high-loft fiber for neck, shoulders, and back.
- **Pocket Spring Lumbar Support:** Spacious seat with no restrictive side wings, enhanced comfort and breathability.
- **Adjustable Footrest:** Allows switching between work and relaxation modes.
- **Durable Construction:** BIFMA-certified five-star base (supports up to 300 lbs), SGS-3 gas lift (120,000+ cycles), metal armrest frame.
- **Versatile Adjustments:** 10cm height adjustment (5'1" to 6'2" users), 90° to 135° backrest recline, 360° swivel, smooth-rolling casters.
- **FSC-Certified:** Chair cushion inner support made of FSC-Certified wood.

Figure 1: Product dimensions. Overall dimensions: 19.7"D x 22"W x 45.1"H. Seat height: 19.7 inches. Backrest height: 29.5 inches.

3. ASSEMBLY INSTRUCTIONS

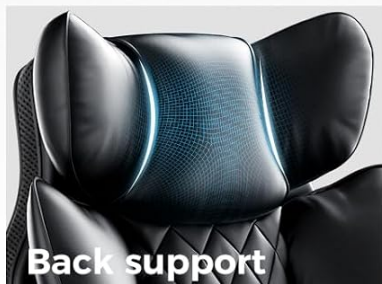

The COMHOMA GT205-2222 chair is designed for straightforward assembly, typically taking 15-30 minutes. All necessary accessories and tools are included.

Step-by-Step Guide:

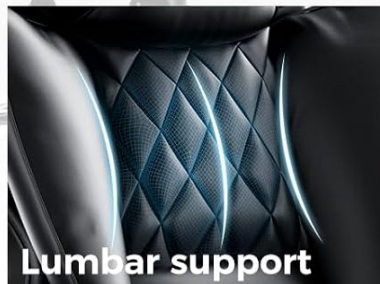

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all components are present against the parts list (not provided in input, but implied).

Ergonomic design

Provides soft and comfortable support for the head and lower back, helping you maintain a good posture even during long hours of work and gaming.

6. **Attach Seat to Gas Lift:** Carefully place the assembled seat onto the gas lift cylinder, ensuring it is centered and stable.

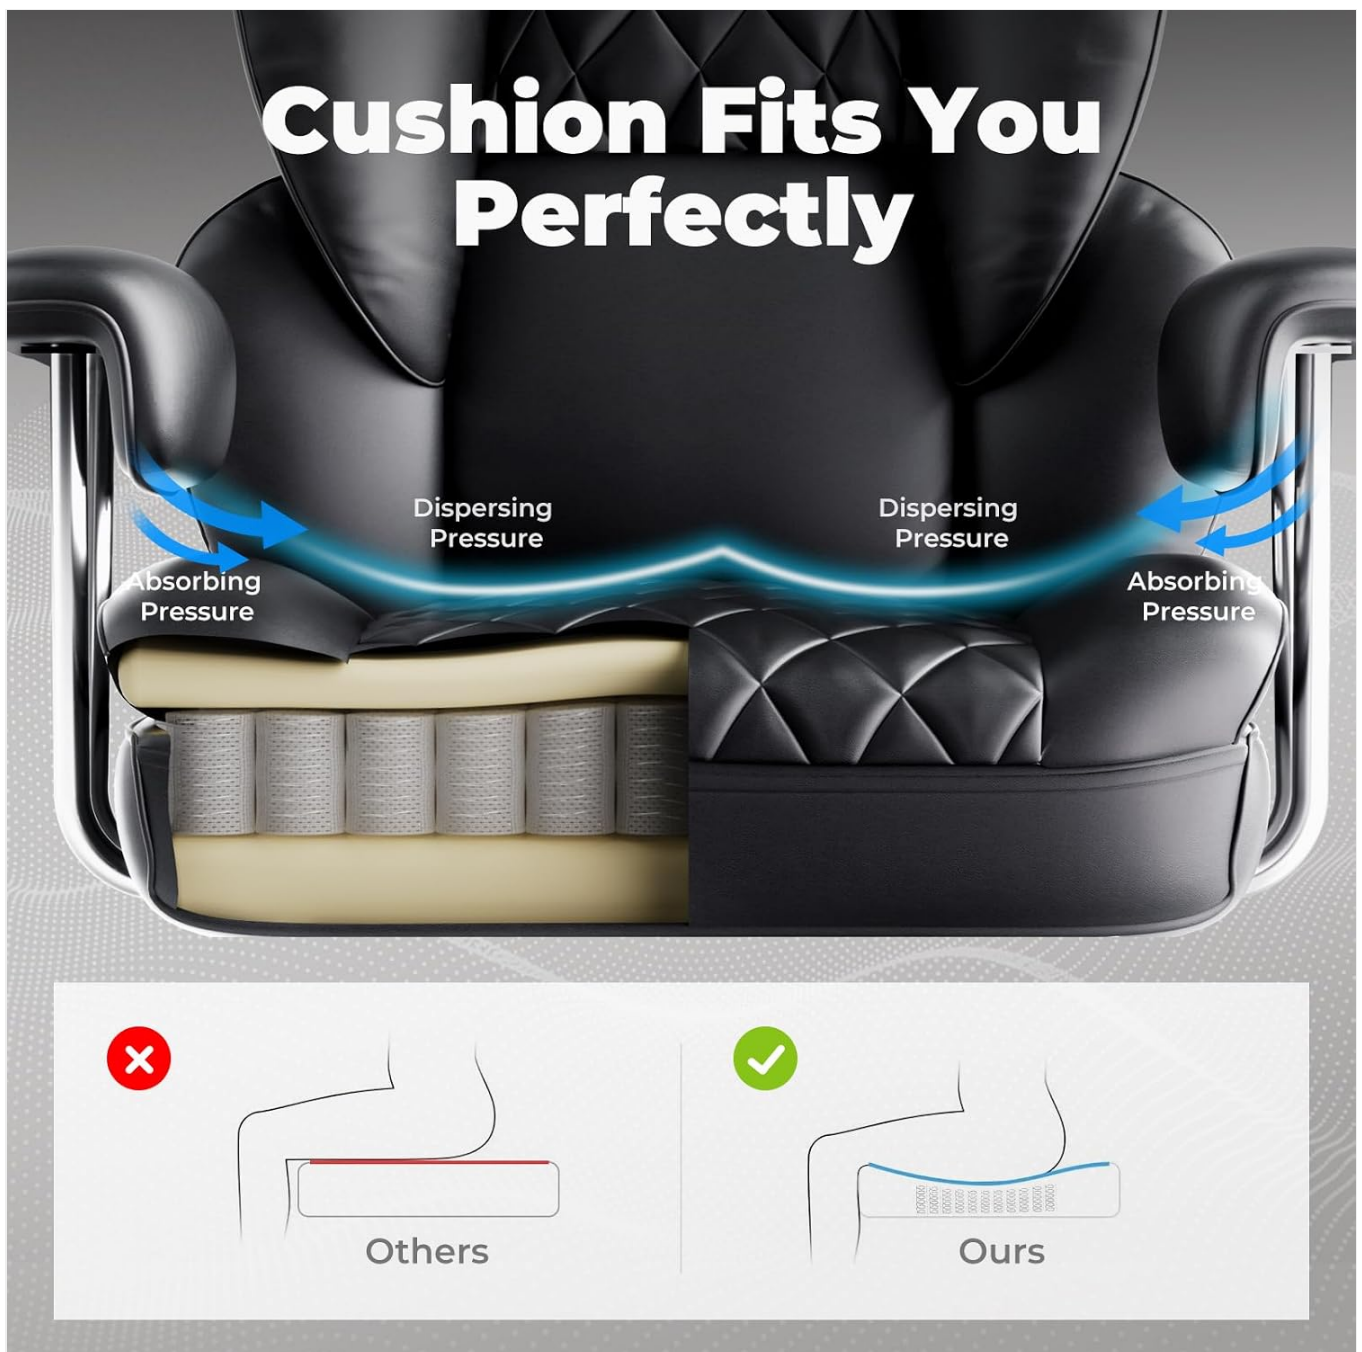

Figure 7: Attaching the seat to the gas lift.

7. **Attach Backrest:** Secure the backrest to the seat mechanism using the remaining screws. Tighten all screws evenly.
8. **Install Armrests:** Attach the armrests to the sides of the seat and backrest, ensuring they are firmly secured.

4. OPERATING INSTRUCTIONS

Height Adjustment:

To adjust the chair's height, locate the lever on the right side beneath the seat.

- **To raise:** Lift the lever while taking your weight off the seat. The chair will rise.
- **To lower:** Lift the lever while remaining seated. The chair will lower.
- Release the lever to lock the height in place.

Backrest Recline:

The backrest can recline from 90° to 135°. Use the recline lever, typically located on the left side of the seat.

- **To recline:** Pull the recline lever upwards and lean back to your desired angle. Release the lever to lock the position.

- **To return upright:** Pull the recline lever upwards and lean forward. The backrest will return to its upright position.

Footrest Operation:

The chair includes a retractable footrest for added comfort.

- **To extend:** Pull the footrest out from beneath the seat.
- **To retract:** Push the footrest back under the seat until it is fully stored.

Swivel and Casters:

The chair features a 360° swivel function and smooth-rolling casters for effortless mobility.

5. MAINTENANCE

Proper care will extend the life and appearance of your COMHOMA office chair.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the PU leather.
- **Inspection:** Regularly check all screws and bolts for tightness. Re-tighten as necessary to maintain stability and safety.
- **Casters:** Keep casters free of hair and debris to ensure smooth rolling.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the material to fade or crack.

6. TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the following common solutions:

- **Chair feels wobbly:** Check all assembly screws and bolts. Tighten any loose fasteners. Ensure the base is correctly assembled.
- **Height adjustment not working:** Ensure the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement.
- **Casters not rolling smoothly:** Inspect casters for trapped hair, dust, or debris. Clean them thoroughly.
- **Backrest not reclining:** Verify the recline lever is functioning correctly and not obstructed.
