2. SETUP AND ASSEMBLY

Your COMHOMA GT205-2025 chair comes with all necessary accessories and detailed instructions for easy assembly. The assembly process typically takes 15-30 minutes.

Assembly Steps:

1. Unpack all components and verify against the parts list in the included manual.
2. Attach the casters to the five-star base.
3. Insert the gas lift into the center of the base.
4. Assemble the seat and backrest according to the provided diagrams, ensuring all screws are tightened securely.
5. Attach the armrests to the seat and backrest.
6. Place the assembled seat onto the gas lift.

Refer to the included printed manual for detailed step-by-step instructions and diagrams.

3. OPERATING INSTRUCTIONS

The COMHOMA GT205-2025 chair offers several adjustable features to customize your seating experience.

Height Adjustment:

- To raise the chair, lift the lever located under the seat while taking your weight off the seat.
- To lower the chair, lift the lever while remaining seated.
- The chair offers 10cm of height adjustment, suitable for users from 5'1" to 6'2".

Recline Function:

- The backrest can recline from 90° (upright working position) to 135° (relaxed position).
- Locate the recline lever on the side of the chair. Pull the lever up to adjust the angle, then release to lock it in place.

Retractable Footrest:

- To extend the footrest, pull the handle located under the front of the seat.
- To retract, push the footrest back into its stored position under the seat.

Swivel and Casters:

- The chair features a 360° swivel for easy rotation.
- Smooth-rolling casters allow for effortless mobility across various floor types.

4. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your COMHOMA office chair.

Cleaning:

- For general cleaning, wipe the textile surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the fabric.
- Spot clean any spills immediately with a mild soap solution and a clean cloth, then blot dry.

General Care:

- Regularly check all screws and bolts to ensure they are tight. Retighten as needed.

- Avoid exposing the chair to direct sunlight for prolonged periods to prevent fading.
- Do not stand on the chair or use it for purposes other than its intended use.

5. TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the following common solutions:

Chair Sinks or Does Not Stay Up:

- Ensure the gas lift lever is fully engaged.
- If the issue persists, the gas lift cylinder may need replacement. Contact customer service for assistance.

Chair Wobbles:

- Check all assembly screws and bolts, especially those connecting the seat to the base and the armrests. Tighten any loose fasteners.
- Ensure the chair is on a flat, even surface.

Casters Not Rolling Smoothly:

- Inspect casters for any debris (hair, lint, etc.) and remove them.
- Clean the casters with a damp cloth.
