IMPORTANT SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Keep these instructions for future reference.

- Assembly is required. Do not use the product until all parts are correctly assembled and secured.
- Handle electrical components with caution. Do not expose electrical parts to water or moisture.
- Do not use the product if electrical components are damaged or if the product shows signs of overheating.

1. SETUP AND ASSEMBLY

Your TRIUMPHKEY dressing table and stool are delivered in two separate packages. Please be patient if they arrive at different times.

Follow the detailed instructions and use the included installation accessories to assemble the dressing table. Ensure all parts are properly connected and secured before use.

1.1 Package Contents

Verify that all components listed in the assembly guide are present before beginning assembly.

1.2 Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the numbering provided in the assembly manual.
3. Follow the step-by-step diagrams and instructions to connect the main frame of the dressing table.
4. Install the drawers into their respective slots.
5. Attach the mirror unit to the main table structure, ensuring it is securely fastened.
6. Assemble the stool according to its separate instructions.
7. Connect the LED lighting system, ensuring all electrical connections are secure and not exposed to moisture.
8. Once assembled, gently test the stability of the dressing table and stool.

2. OPERATING INSTRUCTIONS

This section details how to use the features of your TRIUMPHKEY dressing table.

2.1 LED Mirror Lighting

The large mirror is equipped with 11 dimmable LED bulbs, offering three distinct light shades to suit your needs:

- **Cold White Light:** Ideal for precise makeup application, mimicking bright daylight.
- **Daylight:** A balanced light for everyday use.
- **Warm White Light:** Suitable for evening makeup or creating a softer ambiance.

The brightness and light shade can be easily controlled via external buttons located on the mirror frame.

3. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your TRIUMPHKEY dressing table.

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Material Care:** The dressing table is made from E1 quality fiberboard, which is robust and durable. Its smooth surface is easy to clean and maintain.
- **Electrical Components:** Ensure electrical components, especially the LED bulbs and wiring, remain dry. Do not spray water directly onto the mirror or electrical parts.
- **Stool Care:** The seat material is imitation leather. Clean with a damp cloth and mild soap if necessary.

4. TROUBLESHOOTING

This section addresses common issues you might encounter with your dressing table.

- **LED Lights Not Working:**
 - Check if the power cable is securely plugged into a working outlet.
 - Ensure all electrical connections during assembly were made correctly.
 - Verify that the control buttons are functioning and not stuck.
 - If the issue persists, contact customer support.
- **Drawers Sticking or Not Closing Smoothly:**
 - Ensure the drawer slides are properly aligned and free of obstructions.
 - Check if the drawer contents are evenly distributed and not overloaded.
 - Verify that the dressing table is placed on a level surface.
- **Product Instability:**
 - Re-check all screws and fasteners to ensure they are tightened securely.
 - Ensure the product is on a flat, stable floor.

For issues not covered here, please refer to the contact information for customer support.
