

HOOBRO BB03UDBF01

HOOBRO Full Bed Frame BB03UDBF01 Instruction Manual

Model: BB03UDBF01

INTRODUCTION

Thank you for choosing the HOOBRO Full Bed Frame BB03UDBF01. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your new bed frame. Please read this manual thoroughly before beginning assembly or use, and retain it for future reference.

This bed frame features a sturdy metal platform, a headboard with integrated shelves, a charging station, and 16-color LED lighting. It is designed to provide a comfortable and functional sleeping solution without the need for a box spring.

SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Ensure all screws and bolts are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum recommended load capacity of 408 kg (900 lbs).
- Keep children away from the assembly area. Small parts can be a choking hazard.
- Use only the provided power adapter for the LED lights and charging station.
- Avoid exposing electrical components to water or excessive moisture.
- Do not stand or jump on the bed frame.

SETUP AND ASSEMBLY

The HOOBRO Full Bed Frame is designed for straightforward assembly. All necessary tools and numbered accessories are included. It is recommended to assemble the bed frame with two people.

Before You Begin

- Unpack all components and verify against the parts list in your included accessory kit.
- Clear a spacious area for assembly.
- Keep the instruction manual handy for reference.

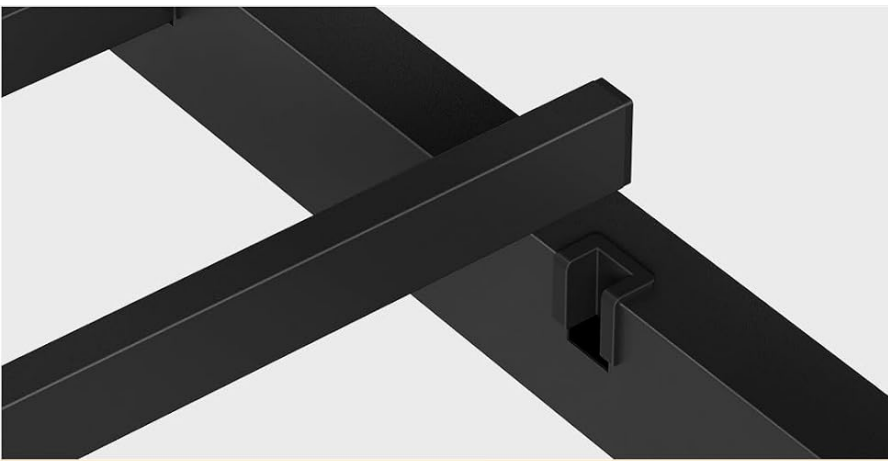

Assembly Steps

1. **Frame Assembly:** Begin by connecting the main metal frame components. Ensure all parts are aligned correctly before tightening screws.
2. **Headboard Attachment:** Secure the headboard to the main frame. The headboard includes integrated shelves.
3. **Slat Installation:** Install the metal slats onto the frame. The snap-fit system simplifies this process. Ensure all slats are properly seated to prevent noise and ensure stability.
4. **Charging Station Installation:** Integrate the charging station into the designated slot on the headboard. Connect the power cord.
5. **LED Light Strip Application:** Affix the 16-color LED light strip to the underside of the headboard shelf or along the frame as desired. Connect it to the power source.
6. **Final Check:** Double-check all connections and tighten any loose screws.

For visual guidance, refer to the assembly diagrams provided in your accessory kit.

OPERATING INSTRUCTIONS

LED Lighting System

The bed frame is equipped with a 16-color LED lighting system. Use the included remote control to manage the lighting features:

- **Color Selection:** Choose from 16 distinct colors.
- **Dynamic Modes:** Select from 22 dynamic lighting modes (e.g., flash, strobe, fade, smooth).
- **Brightness Adjustment:** Adjust the light intensity with 5 brightness levels.
- **Power On/Off:** Turn the LED lights on or off.

Integrated Charging Station

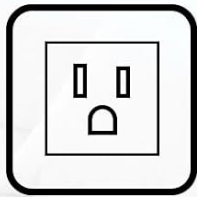

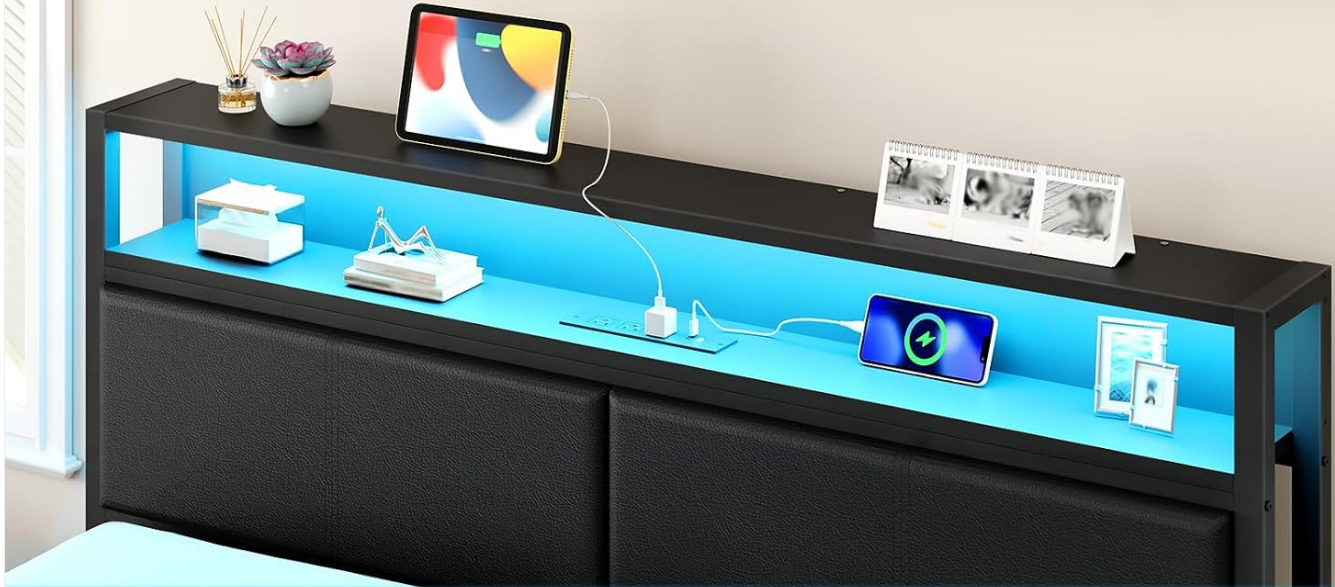

The headboard features a built-in charging station for your electronic devices. It includes:

- 3 AC Outlets (120V/12A)
- 2 USB Ports (5V/2A)

Simply plug your devices into the available outlets or USB ports for convenient charging. Ensure the bed frame's power cord is connected to a wall outlet.

Under-Bed Storage

The bed frame provides 26.4 cm (10.4 inches) of clearance from the bed base to the ground, offering ample space for storing items such as storage boxes or baskets. This design also facilitates easy cleaning underneath the bed.

MAINTENANCE

Proper maintenance ensures the longevity and continued performance of your HOOBRO bed frame.

- **Cleaning:** Wipe the metal frame and headboard surfaces with a dry cloth. For stubborn marks, a slightly damp cloth followed by a dry cloth can be used. Avoid harsh chemicals or abrasive cleaners.
- **Fastener Check:** Periodically inspect all screws, bolts, and connections. Re-tighten any loose fasteners to maintain stability and prevent creaking.
- **Electrical Components:** Ensure the charging station and LED light strip connections are secure. If any electrical component appears damaged, discontinue use and contact customer support.
- **Upholstery Care:** For the upholstered headboard, spot clean with a mild fabric cleaner if necessary. Test on an inconspicuous area first.

TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common problems and solutions:

Noise/Creaking

- Issue:** The bed frame makes creaking noises during use.
Solution: Check all bolts and screws, especially those connecting the frame and slats. Tighten any loose fasteners. Ensure all slats are properly seated in their designated positions.

LED Lights Not Working

- Issue:** LED lights do not turn on or function incorrectly.
Solution: Verify that the LED light strip is securely connected to its power source and that the power adapter is plugged into a working wall outlet. Check the remote control battery and ensure it is pointed directly at the receiver.

Charging Station Not Functioning

- Issue:** Devices are not charging when plugged into the charging station.
Solution: Ensure the bed frame's main power cord is securely plugged into a functional wall outlet. Check that the charging station unit is correctly installed and connected within the headboard. Test with different devices and cables to rule out device-specific issues.

Instability/Wobbling

- Issue:** The bed frame feels unstable or wobbles.
Solution: Re-check all assembly points, ensuring every bolt and screw is fully tightened. Verify that the bed frame is placed on a flat, level surface.

SPECIFICATIONS

Model	BB03UDBF01
Brand	HOOBRO
Item Weight	30 Kilograms
Maximum Recommended Load	408 Kilograms (900 lbs)
Care Instructions	Wipe with Dry Cloth
Assembly Required	Yes
