

HADEN 75491

HADEN Dorchester Coffee Maker 10-Cup Replacement Glass Carafe

Model: 75491

INTRODUCTION

This manual provides instructions for the proper use and care of your HADEN 10-Cup Replacement Glass Carafe. This carafe is designed specifically for use with the HADEN Dorchester Coffee Maker, Model #75035. Please read these instructions carefully before first use and retain them for future reference.

SAFETY INFORMATION

- **Handle with Care:** The carafe is made of glass and can break if dropped or subjected to sudden temperature changes. Avoid impacts.
- **Temperature:** Do not place a hot carafe on a cold or wet surface, as this may cause the glass to crack.
- **Heating:** This carafe is not designed for direct stovetop heating or microwave use. Use only with the compatible Dorchester Coffee Maker's warming plate.
- **Cracks or Chips:** Do not use the carafe if it has any cracks, chips, or damage, as it may shatter.
- **Children:** Keep out of reach of children, especially when hot or filled with hot liquid.

SETUP AND FIRST USE

Before using your new replacement carafe, please follow these steps:

1. **Unpack:** Carefully remove the carafe and lid from its packaging. Inspect for any damage.
2. **Wash:** Hand wash the carafe and lid thoroughly with warm, soapy water. Rinse completely and dry.
3. **Placement:** Ensure your Dorchester Coffee Maker is unplugged and cool. Place the clean carafe onto the warming plate of the coffee maker.
4. **Lid:** Place the lid securely onto the carafe. The lid is designed for easy pouring and to maintain coffee temperature.

DORCHESTER COLLECTION

Compatible with Coffee Maker model #75035

OPERATING THE CARAFE

The replacement carafe functions identically to the original carafe provided with your HADEN Dorchester Coffee Maker.

- **Brewing:** After adding water and coffee grounds to your Dorchester Coffee Maker, ensure the carafe is correctly positioned on the warming plate before starting the brewing cycle. The coffee will drip directly into the carafe.
- **Capacity:** The carafe has a 10-cup capacity, with markings indicating various fill levels. Do not exceed the "MAX" fill line.
- **Pouring:** The lid features an extra-wide mouth for spill-free pouring. Simply tilt the carafe to pour.
- **Warming:** Once brewing is complete, the carafe will remain on the coffee maker's warming plate to keep the coffee hot.

MAINTENANCE AND CLEANING

Proper cleaning ensures the longevity and performance of your carafe.

- **Hand Wash Only:** The carafe and lid should be hand washed with warm, soapy water. Do not place in a dishwasher.
- **Rinsing:** Rinse thoroughly to remove all soap residue.
- **Drying:** Dry completely before storing or re-using.
- **Stains:** For stubborn coffee stains, a mixture of baking soda and water or a specialized coffee cleaner can be used. Avoid abrasive scrubbers that could scratch the glass.

TROUBLESHOOTING

If you encounter issues with your replacement carafe, consider the following:

- **Carafe Does Not Fit:** Ensure you have the correct model carafe for your coffee maker. This carafe is specifically designed for the HADEN Dorchester Coffee Maker (Model #75035).
- **Leaking During Pouring:** Check that the lid is securely seated on the carafe. Ensure the carafe is not overfilled beyond the MAX line.
- **Coffee Tastes Off:** Thoroughly clean the carafe and lid to remove any residual coffee oils or soap.
