5. MAINTENANCE

To maintain the appearance and integrity of your VECELO bed frame, follow these simple care instructions:

- **Cleaning:** Wipe the metal frame with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners, which may damage the powder-coated finish.

- **Weight Capacity:** Do not exceed the maximum load capacity of 450 lbs to prevent damage to the frame.

6. TROUBLESHOOTING

If you encounter any issues with your VECELO bed frame, please refer to the following common solutions:

minimize noise; check if these are properly in place along the slats.

- **Instability/Wobbling:** Verify that all legs are firmly on the ground and that the frame is assembled on a flat, even surface. Re-check all connections as per assembly instructions.
