3. PRODUCT FEATURES

- **Exceptional Sound Quality:** Equipped with 16.1mm vibrating diaphragm drivers, these Bluetooth earbuds deliver powerful bass, crisp mids, and clear treble for a rich, immersive sound experience. Built-in microphones isolate your voice for crystal-clear call quality.
- **Impressive 60H Total Playtime:** Enjoy up to 12 hours of continuous playtime on a single charge, with the included charging case providing an additional 48 hours of battery life, totaling 60 hours.
- **Over-Ear Design for Unmatched Comfort:** The unique design rests gently and securely on top of your ears, ensuring a natural, pressure-free listening experience. Soft silicone ear hooks provide a snug and stable fit for all activities.
- **Bluetooth 5.3 Stable Connection:** Upgrade to the latest Bluetooth 5.3 technology for faster data transfer and an ultra-stable connection. A reliable range of up to 33 feet ensures seamless audio and video sync.
- **Intuitive Smart Touch Control:** Control music, manage calls, and activate voice assistants effortlessly with easy-to-use touch controls. Separate multifunction and volume buttons on each earbud allow for track

skipping, volume adjustment, and call management without reaching for your phone.

Hi-Fi stereo Sound

4. GETTING STARTED

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated; indicator lights on the earbuds will confirm charging.
2. Connect the USB-C charging cable to the charging port on the case and the other end to a USB power adapter (not included).
3. The indicator light on the charging case will show charging status. A full charge typically takes approximately 1.5 hours for the case.

60 Hours Long Battery Life

4.2 Pairing with Your Device

The earbuds will automatically enter pairing mode when removed from the charging case.

1. Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices and select "kurdene SP9I" from the list.
4. Once connected, you will hear an audio prompt, and the earbud indicator lights will turn off or flash slowly.
5. If pairing fails, place the earbuds back into the case, close it, and repeat the steps.

Bluetooth 5.3 Technology and One-step Pairing

5. OPERATING INSTRUCTIONS

5.1 Touch Controls

The kurdene SP9I earbuds feature intuitive smart touch controls. The controls are located on the outer surface of each earbud.

Function	Action
Play/Pause	Single tap on either earbud
Next Track	Double tap on the Right earbud
Previous Track	Double tap on the Left earbud
Volume Up	Triple tap on the Right earbud
Volume Down	Triple tap on the Left earbud
Answer/End Call	Single tap on either earbud
Reject Call	Press and hold either earbud for 2 seconds

Function	Action
Activate Voice Assistant	Press and hold either earbud for 3 seconds

6. CARE AND MAINTENANCE

- Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- Storage:** When not in use, store the earbuds in their charging case to protect them and ensure they remain charged.
- Water Resistance:** While designed for active use, avoid submerging the earbuds in water. Wipe off sweat or moisture immediately after use.
- Temperature:** Avoid exposing the earbuds to extreme temperatures (hot or cold) as this can affect battery life and performance.

7. TROUBLESHOOTING

Issue	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close, then reopen and remove to re-enter pairing mode. Check your device's Bluetooth settings and forget previous connections if necessary.
No sound from one earbud	Ensure both earbuds are charged and paired correctly. Try resetting the earbuds by placing them in the case and then removing them.
Low volume	Adjust volume using the earbud touch controls or your connected device. Ensure ear tips are properly sealed in your ear.
Earbuds falling out	Ensure the ear hooks are correctly positioned over your ears. Try different sizes of silicone ear tips for a more secure fit.
Charging case not charging	Check the USB-C cable and power adapter. Ensure the cable is securely connected to both the case and the power source.
