Nyeekoy CWP0331 Outdoor Cat Enclosure User Manual

Model: CWP0331 | Brand: Nyeekoy

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembling and using the cat enclosure. Keep this manual for future reference.

- Ensure all parts are securely fastened during assembly to prevent collapse or injury.
- Place the enclosure on a flat, stable surface to prevent tipping.
- Regularly inspect the enclosure for any damaged parts, loose connections, or sharp edges that could harm your pet.
- Do not allow children to climb on or play inside the enclosure unsupervised.
- This enclosure is designed for cats. Do not use it for other animals unless specified.
- Keep the enclosure away from open flames or extreme heat sources.

2. PRODUCT OVERVIEW

The Nyeekoy CWP0331 Outdoor Cat Enclosure provides a secure and stimulating environment for your feline companions. Constructed from premium pinewood and durable galvanized wire mesh, it is designed for both outdoor and indoor use.

Key Features:

- **Interactive Design:** Equipped with three platforms and a cozy hammock for climbing, playing, and resting.
- **Sunlight Board:** A PVC-protected roof allows sunlight while offering weather protection.
- **Sturdy Construction:** Made from pinewood and galvanized wire mesh, with each platform supporting up to 44 lbs.
- **User-Friendly Access:** Features a raised door for easy entry and exit for your cats, and convenient access for daily care.
- **Weatherproof:** PVC-protected roof shields against rain and harsh weather.

Product Dimensions:

- Overall Dimensions: 39.4" L x 33.3" W x 63.8" H
- Item Weight: 48.18 lbs

- Material: Pine Wood, Galvanized Wire Mesh, PVC

3. SETUP AND ASSEMBLY

Assembly of the Nyeekoy CWP0331 Cat Enclosure is required. A detailed step-by-step manual is included in the product packaging to guide you through the process. Please ensure you have all components before beginning assembly.

Before You Begin:

- Unpack all components and verify against the parts list in the included manual.
- Ensure you have the necessary tools (typically a screwdriver, not always included).
- Choose a clear, flat area for assembly.

Assembly Steps:

1. Follow the numbered steps in the provided assembly manual carefully.
2. Attach panels using the designated hardware, ensuring all screws are tightened securely.

3. Install platforms and the hammock according to the diagrams.
4. Attach the PVC roof, ensuring it is properly aligned for weather protection.
5. Verify all doors and latches operate smoothly and securely.

A Healthy Lifestyle for Cats

Designed to cater to your feline adventurous spirit, territorial sense, and love of high places in mind, this enclosure features multiple platforms for climbing to new heights and surveying their domain. This backyard wood house is not just a place to make cats safe from rain, sun, but also a lifestyle upgrade. Surrounded by natural features like fresh air, warm sunlight, and drizzling rain, the cat house is an ideal gift for your nature-loving cats.

4. OPERATING INSTRUCTIONS

Once assembled, the cat enclosure is ready for use. It can be placed in various locations to suit your needs.

Placement:

- **Outdoor Use:** Ideal for backyards, patios, or gardens. Ensure the location is level and provides adequate drainage. The PVC roof offers protection from sun and rain.
- **Indoor Use:** Can also be used indoors in a spacious room.

Figure 4.1: Outdoor Placement. The cat enclosure situated in a backyard, demonstrating its suitability for outdoor environments.

Figure 4.2: Indoor Placement. The cat enclosure positioned inside a home, showing its versatility for indoor use.

Access and Interaction:

- Use the raised door to allow your cats to enter and exit the enclosure. Ensure the latch is securely closed when your cats are inside.
- Encourage your cats to explore the platforms and hammock.
- The top sunlight board provides a warm spot for cats to relax and enjoy the sun.

5. MAINTENANCE

Regular maintenance will ensure the longevity and safety of your Nyeekoy Cat Enclosure.

Cleaning:

- **Wood Surfaces:** Wipe down with a damp cloth and mild, pet-safe cleaner. Avoid harsh chemicals that could damage the wood or harm your pet.

- **Wire Mesh:** Clean with a brush or damp cloth to remove dirt and debris.
- **Hammock:** The hammock can be removed for cleaning. Follow care instructions for the fabric.
- **PVC Roof:** Wipe clean with a damp cloth.

Inspection:

- Periodically check all screws and fasteners to ensure they are tight.
- Inspect the wire mesh for any damage or sharp points.
- Examine the wood for signs of wear, splintering, or rot, especially if used outdoors.
- Ensure door latches are functioning correctly.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your cat enclosure.

Problem	Possible Cause	Solution
Enclosure feels unstable or wobbly.	Loose fasteners; uneven ground.	Ensure all screws are tightened. Move the enclosure to a level surface.
Door does not close or latch properly.	Misalignment during assembly; bent latch mechanism.	Check door alignment and adjust hinges if necessary. Inspect the latch for damage and gently realign if bent.

Problem	Possible Cause	Solution
Water pooling inside during rain.	Improper roof installation; extreme weather conditions.	Verify the PVC roof is correctly installed and sealed. Consider additional weatherproofing measures in areas with heavy rainfall.
Cats not using platforms/hammock.	Unfamiliarity; preference for other areas.	Place treats or favorite toys on platforms to encourage exploration. Allow time for cats to adapt to the new environment.

Note: New and old versions of the product may be shipped at random, with no impact on functionality.
