medicube Kojic Acid Turmeric (B0DRNR67MJ)

medicube Kojic Acid Turmeric Overnight Wrapping Peel Off Mask User Manual

Brand: medicube

Model: Kojic Acid Turmeric (B0DRNR67MJ)

PRODUCT OVERVIEW

The medicube Kojic Acid Turmeric Overnight Wrapping Peel Off Mask is designed to brighten and defend against skin stress, promoting a clear, glowing complexion. This innovative wrapping film, powered by Kojic Acid, Turmeric, and Collagen, provides 8 hours of intensive brightening care while you sleep. Users can expect visibly smoother, brighter, and more even-toned skin with a radiant glow upon waking.

This gentle turmeric wrap works overnight to nourish and achieve a radiant glow by morning. It is easy to remove and gentle on the skin, ensuring a refreshed, luminous finish while helping defend against visible signs of skin stress. The mask has undergone human application testing and has been determined to be low-irritating, making it suitable for all skin types.

KEY INGREDIENTS FOR Skin Clarity and Brightness

*Kojic Acid

Helping to visibly improve **uneven skin tone** for a brighter complexion

*Turmeric

Refines uneven texture, **defends against daily aggressors**, and promotes a naturally radiant, healthier-looking complexion

*Collagen

Boosts **hydration and smooths** rough skin, leaving it **plump, firm, and luminous**.

*The above information pertains only to the characters of the raw materials.

SAFETY INFORMATION

For external use only. Not all skin types are the same, which is why when trying new products, it is strongly advised that a small patch test is conducted before regular usage to ensure skin compatibility. Apply a small amount of the product to a testing area 24 hours in advance of normal application to check for adverse reactions.

Keep out of reach of children. Keep out of eyes. Stop use if irritation develops.

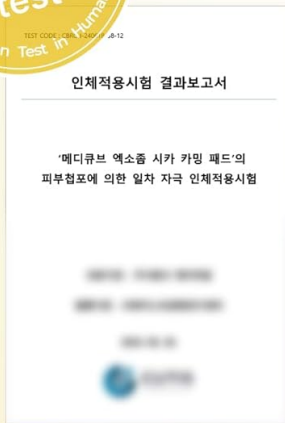

INGREDIENTS

The key ingredients in this mask include:

- **Kojic Acid:** Helps visibly improve uneven skin tone for a brighter complexion.
- **Turmeric:** Refines uneven texture, defends against daily aggressors, and promotes a naturally radiant, healthier-looking complexion.
- **Collagen:** Boosts hydration and smooths rough skin, leaving it plump, firm, and luminous.

Clinically Tested & Gentle on Skin

The Kojic Acid Turmeric Overnight Wrapping Mask has undergone **human application testing** and has been determined to be **low-irritating**, making it suitable for all skin types.

*Clinical Trial Tested by the 'Cutisid Life Science Research Center.' / Results may vary depending on individual skin types.

PREPARATION FOR USE

Before applying the mask, ensure your face is clean and dry. It is recommended to cleanse your face thoroughly and apply toner and moisturizer as part of your regular skincare routine before the mask application.

OPERATING INSTRUCTIONS

Follow these steps for optimal application and results:

1. As the final step in your skincare routine, after cleansing and applying toner/moisturizer, use a silicone brush or applicator to evenly apply a layer of the wrapping mask.
2. Carefully avoid the eyes, lips, eyebrows, and hairline during application.
3. Allow the mask to dry completely, which typically takes about 15 minutes. This creates a nourishing layer that works overnight to hydrate and refresh your skin.
4. In the morning, gently peel off the mask. If any residue remains, rinse your face with water to reveal glass glow skin.

Ingredients

water, polyvinyl alcohol, butylene glycol, curcuma longa (turmeric) root extract, glycerin, niacinamide, 1,2-hexanediol, isopentyldiol, sodium hyaluronate, polyglyceryl-10 laurate, propanediol, glycerol glucoside, glucose, ethylhexylglycerin, xanthan gum, adenosine, disodium EDTA, collagen extract, kojic acid, ascorbic acid, glycine soja (soybean) oil, and retinol

CARE AND STORAGE

To maintain the product's efficacy and shelf life, store the medicube Kojic Acid Turmeric Overnight Wrapping Peel Off Mask in a cool, dry place, away from direct sunlight and extreme temperatures. Ensure the cap is tightly closed after each use to prevent air exposure and contamination.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Mask feels sticky or doesn't dry properly.	Too thick an application; insufficient drying time; high humidity.	Apply a thinner, even layer. Ensure the room is not excessively humid. Allow the full 15 minutes or more for drying before sleeping.

Issue	Possible Cause	Solution
Mask is difficult to peel off or pulls skin.	Mask not fully dry; skin too dry; improper removal technique.	Ensure the mask is completely dry before attempting to peel. Gently lift an edge and slowly peel. If skin feels too dry, ensure adequate moisturization before mask application. If it pulls, try rinsing with warm water to soften before peeling.
Skin irritation or redness after use.	Individual skin sensitivity; allergic reaction to an ingredient.	Discontinue use immediately. Consult a dermatologist if irritation persists. Always perform a patch test before first full application.
