UMIDIGI G100A

UMIDIGI G100A Unlocked Phone User Manual

1. INTRODUCTION

This manual provides detailed instructions for the UMIDIGI G100A Unlocked Phone. It covers device setup, operation, key features, and maintenance to ensure optimal performance and user experience. The UMIDIGI G100A features a 6.9-inch HD+ 120Hz display, runs on Android 14, is powered by a UNISOC T615 8-core processor, and includes a 6000mAh battery.

2. WHAT'S IN THE BOX

Upon unboxing your UMIDIGI G100A, verify that all the following items are included:

- 1x UMIDIGI G100A Phone
- 1x Pre-applied Screen Protector
- 1x Phone Case
- 1x Power Adapter
- 1x USB Cable (Type-C to Type-C)
- 1x SIM Tray Ejector
- 1x Quick Start Guide

FM Radio on the Go — Stay informed even offline — FM keeps you connected. FM 90.5

3.5mm Audio Jack — Plug-and-play with a stable uninterrupted connection

3. SETUP

3.1 SIM Card and MicroSD Card Installation

To install your SIM card(s) and/or microSD card:

1. Locate the SIM card tray on the side of the phone.
2. Insert the SIM tray ejector tool into the small hole next to the tray and press gently until the tray pops out.
3. Place your Nano SIM card(s) and/or microSD card into the designated slots on the tray. The UMIDIGI G100A supports two Nano SIM cards or one Nano SIM card and one microSD card.
4. Carefully reinsert the tray into the phone until it clicks into place.

Parental Controls | UMIDIGI G9X cell phone allow parents to manage their child's account set time limits, content filters, and app permissions for a safe online experience

1. Open your phone Settings
2. Click on "Digital Wellbeing & parental controls"
3. Enter the "Set up parental controls"
4. Download the "Google Family Link" app and select the account to manage
