WHAT'S IN THE BOX

Upon unboxing your Sarevile M99+ Bluetooth Headset, you will find the following components:

- Bluetooth Headset
- USB Dongle
- Charging Cable
- User Manual

Image: All items included in the Sarevile M99+ Bluetooth Headset package: the headset, USB dongle, charging cable, and user manual.

SETUP

Charging the Headset

Before first use, fully charge the headset. Connect the provided charging cable to the Micro-USB charging port on the headset and the other end to a USB power source. The LED indicator will show charging status.

Connecting via USB Dongle (Recommended for Computers)

1. Insert the USB dongle into an available USB port on your computer.
2. The headset and dongle will automatically pair. The LED indicator on the headset will show a stable blue light once connected.
3. On your computer, ensure that "M99+" is selected as both the audio input and output device in your sound settings.

Connecting via Bluetooth (for Smartphones/Tablets)

1. Ensure the USB dongle is unplugged from any device.
2. Turn on the headset. It will automatically enter pairing mode if not already connected.
3. On your smartphone or tablet, go to Bluetooth settings and search for "M99+".
4. Select "M99+" to connect. The headset's LED indicator will turn solid blue upon successful pairing.

OPERATION

Controls Overview

Image: A detailed diagram highlighting the various controls on the Sarevile M99+ headset, including volume buttons, LED indicator, multifunction button (MFB), mute/unmute button, microphone, and Micro-USB charging port.

Call Management

- **Answer/End Call:** Press the Multifunction Button (MFB).
- **Reject Call:** Long press the MFB.
- **Mute/Unmute Microphone:** Press the dedicated Mute button on the microphone boom.

Volume Control

- **Increase Volume:** Press the Volume + button.
- **Decrease Volume:** Press the Volume - button.

Voice Assistant Activation

- **Activate Siri/Voice Assistant:** Long press the MFB for 3 seconds.

Comfort and Fit

The Sarevile M99+ is designed for all-day comfort:

- **Adjustable Headband:** Extend or retract the headband to fit your head size.
- **270° Rotatable Boom Mic:** The microphone arm can be rotated 270 degrees, allowing you to wear the headset on either your left or right ear.
- **Soft Earmuff:** The ear cushion is made of memory foam and breathable protein leather for extended comfort.

MAINTENANCE

To ensure the longevity and optimal performance of your Sarevile M99+ Bluetooth Headset, follow these maintenance guidelines:

- Clean the headset regularly with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- Do not expose the headset to water or excessive moisture.
- Avoid dropping or subjecting the headset to strong impacts.
- Keep the charging port free of dust and debris.

TROUBLESHOOTING

No Sound or Poor Audio Quality

- Ensure the headset is properly connected to your device (via Bluetooth or USB dongle).
- Check the volume levels on both the headset and your connected device.
- If using the USB dongle, verify that "M99+" is selected as the audio input and output in your computer's sound settings.
- If using Bluetooth, ensure the dongle is unplugged.
- Move closer to your device to avoid interference or range issues.
- Reboot your device and restart the headset.

Headset Not Pairing

- Ensure the headset is in pairing mode (refer to Setup section).
- Make sure Bluetooth is enabled on your device.
- If connecting to a computer, try a different USB port for the dongle.
- Clear previous Bluetooth connections on your device and try pairing again.
- Ensure the headset is sufficiently charged.

Microphone Not Working

- Check if the microphone is muted using the mute button on the boom.
- Verify that "M99+" is selected as the input device in your application (e.g., Zoom, Teams) or system sound settings.
- Ensure the microphone boom is positioned correctly near your mouth.
