Aiho Sectional Sleeper Sofa (3 Seater) Instruction Manual

Model: B0DRPJL9VV

1. INTRODUCTION

Thank you for choosing the Aiho Sectional Sleeper Sofa. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read it thoroughly before use and retain it for future reference.

This versatile 3-seater sofa is designed to offer comfort and functionality, easily converting between a sofa, recliner, and bed. It features an adjustable backrest and ottoman to suit various preferences.

2. IMPORTANT SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage:

- All foam and upholstered surfaces meet flammability standards.
- Keep away from open flames or high heat sources.
- Supervise children and pets to avoid entrapment risks, especially during conversion.
- Do not exceed the maximum weight limit of 900 pounds.
- Ensure all components are securely fastened before use.

3. PACKAGE CONTENTS

Your Aiho Sectional Sleeper Sofa will be delivered in 3 separate packages. Please ensure all packages are received before beginning assembly. The packages should contain the following components:

- Sofa sections (3 individual seats)
- Ottoman sections (integrated into sofa seats)
- Backrest cushions
- Throw pillows
- Hardware kit (screws, bolts, washers, Allen wrench)
- Assembly instructions (this manual)

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended to have two people for easier and safer assembly. Please follow these general steps:

1. **Unpack All Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify that all listed components and hardware are present.
2. **Assemble the Frame:** Connect the individual sofa sections using the provided hardware. Ensure all connections are tight and secure. The sofa features a robust metal and wooden frame for durability.
3. **Attach Legs:** Securely attach the sofa legs to the base of each section.
4. **Position Cushions and Pillows:** Place the backrest cushions and throw pillows onto the assembled sofa.
5. **Final Check:** Before use, gently test the stability of the sofa and ensure all adjustable mechanisms operate smoothly.

5. OPERATING INSTRUCTIONS

The Aiho Sectional Sleeper Sofa offers flexible configurations for various uses.

5.1. Adjusting the Backrest

Each backrest can be adjusted independently to three different angles:

- **110° (Upright):** Ideal for playing games or active seating.
- **140° (Reclined):** Suitable for watching TV or reading.
- **180° (Flat):** Converts the backrest to a flat surface for sleeping.

To adjust, gently push the backrest forward until you hear a click, then recline it to your desired angle. Repeat to flatten or bring it back upright.

5.2. Extending the Ottoman and Converting to a Bed

Each seat features a pull-out ottoman that can be extended independently to create a chaise lounge or a larger sleeping surface.

1. **To Extend Ottoman:** Grasp the front edge of the seat cushion and pull outwards. The ottoman will slide out on its integrated wheels.
2. **To Retract Ottoman:** Push the ottoman back towards the sofa base until it is fully nested.
3. **To Convert to Bed:** Extend all ottomans and flatten all backrests to 180°. This creates a continuous, flat sleeping surface.

6. MAINTENANCE AND CARE

Proper care will extend the lifespan and appearance of your sofa.

- **Regular Cleaning:** Vacuum the sofa regularly using an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for linen, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sun exposure or use curtains/blinds.
- **Rotate Cushions:** If possible, rotate and fluff cushions periodically to maintain their shape and even out wear.
- **Frame Inspection:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Issue	Possible Cause	Solution
Sofa feels too firm	New cushions may require a break-in period.	Regular use will soften the cushions over time. Consider adding a sofa topper for immediate comfort.
Gaps between seat sections when fully extended	Design allows for individual adjustment of each seat.	This is a design feature. For a more seamless sleeping surface, use a mattress topper or thick comforter to bridge the gaps.
Difficulty adjusting backrest/ottoman	Mechanism may be stiff or obstructed.	Ensure no fabric or objects are obstructing the mechanism. Apply gentle, even pressure. If new, mechanisms may require a few uses to loosen.
Squeaking noises	Loose hardware or friction between frame components.	Check and tighten all assembly hardware. If squeaking persists, contact customer support.
