ZJchao Air Conduction Headset User Manual

Model: ZJchaoefi45zhkuv-11

1. INTRODUCTION

Thank you for choosing the ZJchao Air Conduction Headset. This open-ear sports headset is designed to provide clear sound quality and a comfortable fit for various activities. This manual will guide you through the setup, operation, and maintenance of your device to ensure optimal performance.

2. PRODUCT OVERVIEW

2.1 Key Features

- **Secure and Comfortable Design:** Ultra-light and skin-friendly frame designed for intense workouts, ensuring the headset remains stable.
- **Fast and Stable Connection:** Equipped with V5.3 and EDR technology for fewer dropouts and a reliable listening experience.
- **Clear and Crisp Sound:** Air conduction technology delivers full-bodied bass and a stereo experience.
- **Wide Compatibility:** Compatible with smartphones, iOS devices, laptops, and any device with Bluetooth version 5.3 or higher.
- **Long Battery Life:** 80mAh battery provides approximately 8 hours of playback time, fully charged in 1.5 hours.

2.2 Package Contents

- 1 x Air Conduction Headset
- 1 x Charging Cable

3.2 Powering On/Off

- **Power On:** Press and hold the power button until the indicator light flashes.
- **Power Off:** Press and hold the power button until the indicator light turns off.

3.3 Bluetooth Pairing

To connect your headset to a device:

1. Ensure the headset is fully charged and powered off.
2. Press and hold the power button until the indicator light flashes rapidly, indicating pairing mode.
3. On your device (smartphone, laptop, etc.), enable Bluetooth and search for available devices.
4. Select "ZJchao Headset" (or similar name) from the list of devices.
5. Once connected, the indicator light on the headset will change, usually to a slow flash or solid blue.

Wireless Connection

Independent gaming channel

Ultra low latency gaming

8 hours of playback

High assisted auditory position recognition

4.2 Music Playback

- **Play/Pause:** Press the designated button once.
- **Next Track:** Press the designated button three times.
- **Previous Track:** Press the designated button twice.

4.3 Call Management

- **Answer/End Call:** Press the designated button once during an incoming call or an active call.
- **Reject Call:** Press and hold the designated button for 2 seconds during an incoming call.

4.4 Voice Assistant

To activate your device's voice assistant (e.g., Siri, Google Assistant), press and hold the designated button for 2 seconds.

5. MAINTENANCE

Proper maintenance ensures the longevity of your headset.

- **Cleaning:** Wipe the headset with a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- **Storage:** Store the headset in a cool, dry place, away from direct sunlight and extreme temperatures. Use the provided storage case when not in use to protect it from dust and damage.
- **Charging:** Avoid overcharging. Disconnect the charging cable once the headset is fully charged.

6. TROUBLESHOOTING

If you encounter issues with your headset, refer to the following common solutions:

- **No Power:** Ensure the headset is fully charged.
- **Cannot Pair:** Make sure the headset is in pairing mode (rapidly flashing indicator light) and within range of your device. Turn off and on Bluetooth on your device.
- **No Sound:** Check the volume levels on both the headset and your connected device. Ensure the headset is properly paired.
- **Poor Sound Quality:** Move closer to your connected device to reduce interference. Ensure there are no obstructions between the headset and the device.
