EvCZen WD-B001

EvCZen Waterless Essential Oil Diffuser User Manual

Model: WD-B001 | Brand: EvCZen

1. ABOUT YOUR EVCZEN WATERLESS ESSENTIAL OIL DIFFUSER

The EvCZen Waterless Essential Oil Diffuser is designed to provide a pure and efficient aromatherapy experience without the need for water or heat. Utilizing advanced nebulizing technology, it disperses ultra-fine mist to effectively eliminate odors and fill your space with long-lasting fragrance.

Image: The EvCZen Waterless Essential Oil Diffuser in black, shown with three accompanying essential oil bottles, highlighting its sleek design and included accessories.

Key Features:

- **Waterless Nebulizing Technology:** Experience pure essential oil aroma without dilution, mess, or mold.
- **Premium Design:** Matte black aluminum alloy finish blends seamlessly into any environment.
- **Wide Coverage:** Effectively scents spaces up to 500 sq. ft.
- **Adjustable Settings:** Three mist intensity levels (15/60/120S) and three timer settings (1/2/3H) for personalized aromatherapy.
- **Long-Lasting Battery:** 2000mAh rechargeable battery provides up to 3 days of use on a 3-hour charge.
- **Portable & Versatile:** Compact, car-cup holder friendly, and supports multiple power sources (adapters, car chargers, power banks, PCs).
- **Safe & Health Environment:** Natural scent diffusion ensures a safe environment for kids and pets.

Pure, Powerful, and Hassle-Free Aromatherapy

3. IMPORTANT SAFETY INFORMATION

Please read and follow all safety instructions to prevent injury or damage to the device.

- Avoid direct skin contact with undiluted essential oils.
- Keep the diffuser and essential oils out of reach of children and pets.
- Ensure proper ventilation during use.
- Avoid overfilling the oil bottle.
- Keep the diffuser away from heat sources, open flames, and flammable materials.
- Use only the provided USB-C cable and a 5V/1A power adapter for charging.
- Do not disassemble, modify, or attempt to repair the device yourself. Contact customer support if issues arise.

4. SETUP GUIDE

Follow these simple steps to set up your EvCZen Waterless Essential Oil Diffuser:

1. **Prepare the Diffuser:** Gently push the empty essential oil bottle upward from the bottom of the diffuser to remove it.
2. **Open Oil Bottle:** Twist open the cap of your desired 20ml essential oil bottle.
3. **Add Essential Oil:** If using your own oil, fill the provided 20ml bottle with pure essential oil. Ensure the atomizer core and seal are properly in place.
4. **Insert Oil Bottle:** Carefully insert the essential oil bottle into the diffuser, aligning it with the indicator mark, and twist to secure it.
5. **Power On:** Long press the power button on the top of the diffuser to turn it on.

Easy Setup in Just 4 Simple Steps

Image: A step-by-step visual guide demonstrating how to set up the diffuser, including removing the bottle, twisting the cap, adding oil, and powering on the device.

5. OPERATING YOUR DIFFUSER

Your EvCZen diffuser offers customizable settings for mist intensity and operation time.

Mist Intensity Settings:

Press the mist intensity button (usually indicated by a wave icon or 'S' for seconds) to cycle through the following options:

- **15S:** Diffuses for 15 seconds, then pauses for 165 seconds.
- **60S:** Diffuses for 60 seconds, then pauses for 120 seconds.
- **120S:** Diffuses for 120 seconds, then pauses for 60 seconds.

Timer Settings:

Press the timer button (usually indicated by a clock icon or 'H' for hours) to select the desired operating duration:

- **1H:** Diffuser operates for 1 hour, then automatically shuts off.
- **2H:** Diffuser operates for 2 hours, then automatically shuts off.
- **3H:** Diffuser operates for 3 hours, then automatically shuts off.
- **Continuous:** Diffuser operates continuously until manually turned off or battery runs out.

To turn off the diffuser, long press the power button again.

6. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and optimal performance of your diffuser.

- **Cleaning the Exterior:** Wipe the exterior of the diffuser with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Atomizer Cleaning:** If you notice a decrease in mist output or a change in scent, the atomizer may need cleaning. Remove the essential oil bottle. You can gently wipe the atomizer core with a cotton swab dipped in rubbing alcohol. Allow it to air dry completely before reassembling.
- **Oil Bottle Care:** When changing essential oils, you may use the same bottle or switch to a new one. If reusing, ensure the bottle is clean and dry.
- **Storage:** When not in use for an extended period, ensure the diffuser is clean, dry, and stored in a cool, dry place away from direct sunlight.

7. TROUBLESHOOTING

If you encounter any issues with your diffuser, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No mist is being produced.	Diffuser is not powered on; battery is low; essential oil bottle is empty or not properly installed; atomizer is clogged.	Ensure the diffuser is turned on. Charge the battery. Check if the oil bottle is correctly inserted and contains oil. Clean the atomizer as per maintenance instructions.
Weak or no scent.	Low oil level; atomizer clogged; room size too large for setting.	Refill or replace essential oil. Clean the atomizer. Adjust mist intensity to a higher setting or ensure the diffuser is suitable for your room size (up to 500 sq. ft.).
Diffuser not charging.	USB-C cable or adapter faulty; port is dirty.	Try a different USB-C cable or power adapter. Ensure the charging port is clean and free of debris.
Device turns off unexpectedly.	Battery is low; timer setting has expired.	Recharge the diffuser. Check the selected timer setting.

If the problem persists after trying these solutions, please contact EvCZen customer support for further assistance.
