Aroepurt Cubot TAB 70

Aroepurt Cubot TAB 70 11.7-inch Tablet Case User Manual

Model: Cubot TAB 70 | Brand: Aroepurt

INTRODUCTION

This manual provides instructions for the proper use and care of your Aroepurt Tablet Case, designed for the Cubot TAB 70 11.7-inch tablet. This folio cover offers comprehensive protection, multiple viewing angles, and convenient features to enhance your tablet experience.

WHAT'S IN THE BOX

- 1 x Aroepurt Tablet Case (Black)

SETUP: INSTALLING YOUR TABLET

Follow these steps to securely install your Cubot TAB 70 tablet into the Aroepurt case:

1. **Open the Case:** Lay the case flat on a clean surface and open it completely.

2. **Align the Tablet:** Carefully align your Cubot TAB 70 tablet with the protective frame inside the case. Ensure the tablet's edges fit snugly into the frame.

3. **Secure the Tablet:** Gently press the tablet into the frame until it is fully seated. The case is designed with thickened anti-drop corner protectors to hold the tablet securely.

4. **Check Camera Alignment:** Verify that the tablet's rear camera aligns with the reserved camera opening on the back of the case. The case features multiple pre-cutouts to accommodate various camera positions.

COMPATIBLE WITH A LOT OF TABLET

Please kindly check your tablet size before purchase as shown

SUITABLE FOR DIFFERENT PLATES

The 3 pre-cutouts can be used by tablets with different camera positions

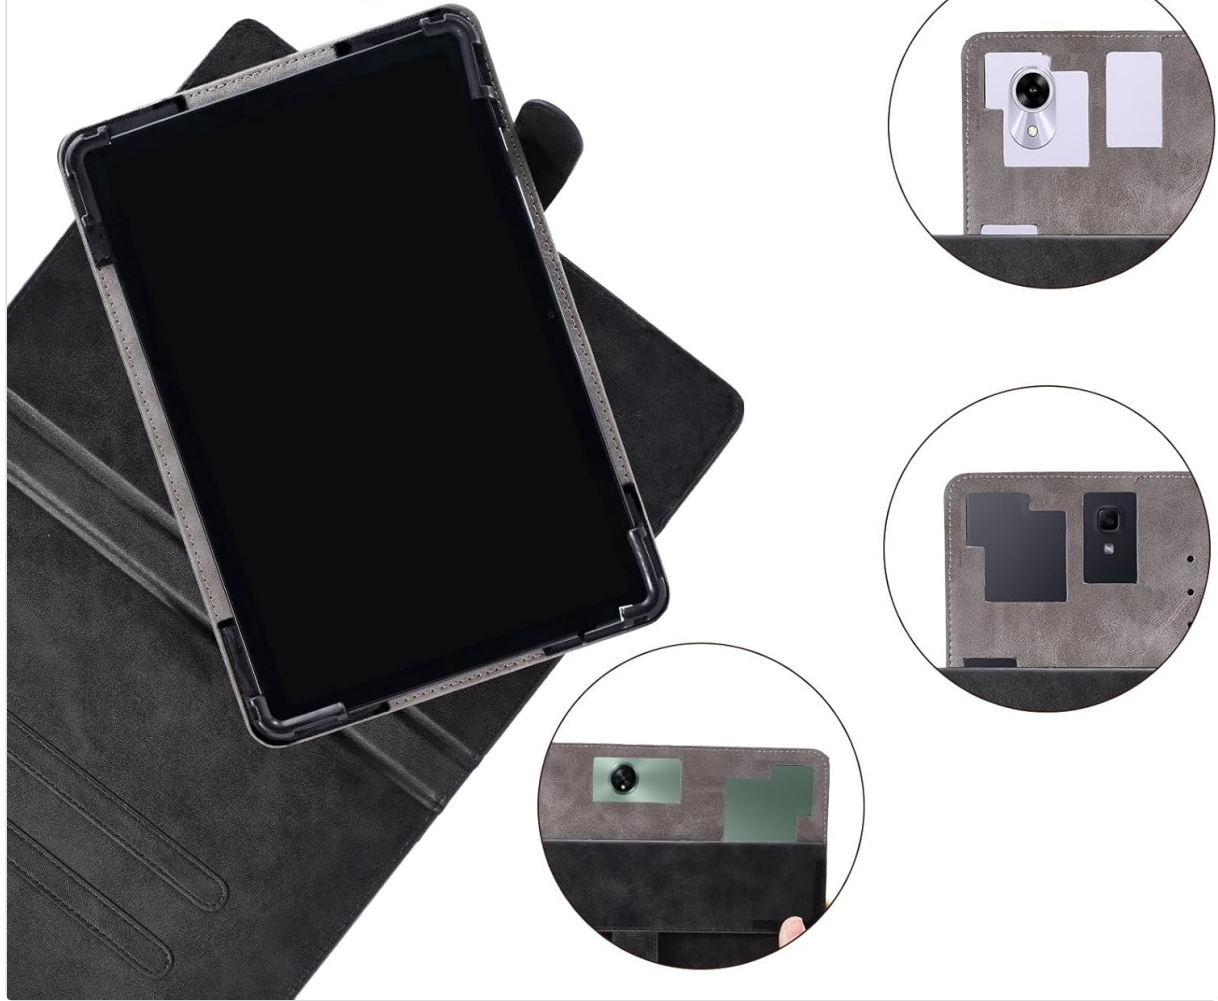

Image: Detail of the case's camera cutouts, designed to be suitable for tablets with different camera placements.

Note: This case does not support any tablet's auto-sleep/wake function.

OPERATING INSTRUCTIONS

Using the Stand Function

The Aroepurt case features a built-in stand with an anti-slip strip design, allowing for stable, multi-angle viewing.

1. **Convert to Stand:** Fold the front cover backward to form a triangular stand.

2. **Adjust Viewing Angle:** Position the tablet along the anti-slip strips on the inner cover to achieve your desired viewing angle. The 360-degree rotation feature allows for both portrait and landscape orientations.

MULTIPLE VIEWING

It turns into a conveniont stand. Frees your hands and gives you a best viewiing angle.

Anti-slip Stripe

ADJUSTABLE MULTIPLE ANGLES

Supports multiple viewing angles with 360° free rotate

Image: Demonstrating the adjustable multiple angles and 360-degree rotation capability of the stand.

Utilizing the Storage Pocket

The case includes a convenient storage pocket for carrying small items.

- **Access Pocket:** Locate the large welt pocket on the front cover of the case.
- **Store Items:** Use this pocket to store cards, documents, or cash.

Image: The integrated storage pocket, illustrating its capacity for cards, documents, and cash.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Aroepurt tablet case, follow these care guidelines:

- **Cleaning:** Wipe the PU leather surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.
- **Protection:** The case provides full body protection against scratches, shocks, fingerprints, and dust. While durable, avoid exposing it to extreme temperatures or sharp objects.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.

ALL-OVER-PROTECTION

Goes into every side & corner

Device ports, speakers, buttons all work fine

Slim & Lightweight

It can protect the plate very well

Image: Visual representation of the case's protective features, including corner protection and access to device ports.

TROUBLESHOOTING

- **Tablet Does Not Fit:** Ensure your tablet is the Cubot TAB 70 11.7-inch model. This case is specifically designed for this device.

- **Camera Obstruction:** The case has a reserved back camera opening. If your camera is partially obstructed, gently adjust the tablet's position within the frame. The case features multiple cutouts to accommodate various camera placements.

- **Stand Instability:** Ensure the case is placed on a flat, stable surface. The anti-slip strip is designed to provide stability; reposition the tablet along the strip if it slides.
