4. OPERATING INSTRUCTIONS

4.1 Using the Multi-Viewing Stand

The case features an integrated stand with anti-slip strips to provide stable viewing angles:

1. Open the front cover of the case.

2. Fold the cover back to form a triangular stand.

3. Place the edge of your eReader into one of the anti-slip strips on the inside of the cover to achieve your desired viewing angle.

4.2 360-Degree Rotation

The case allows for 360-degree rotation of your eReader:

1. While the eReader is secured in the case, gently rotate the eReader within its frame to switch between portrait and landscape orientations.
2. Ensure the eReader clicks into place securely after rotation to maintain stability.

ADJUSTABLE MULTIPLE ANGLES

Supports multiple viewing angles with 360° free rotate

5. MAINTENANCE

To ensure the longevity and appearance of your Aroepurt protective case, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior PU leather with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.
- **Stain Removal:** For minor stains, use a mild soap solution on a cloth and gently rub the affected area. Wipe clean with a damp cloth and allow to air dry.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Overfilling:** Do not overfill the card slots or storage pocket, as this can stretch the material or prevent the case from closing properly.

6. TROUBLESHOOTING

If you encounter any issues with your Aroepurt protective case, consider the following:

- **Tablet Does Not Fit:** Ensure your device is a Hannspree HannsNote2 10-Inch eReader. This case is specifically designed for this model.
- **Case Not Closing Properly:** Check if the storage pocket is overfilled or if the tablet is not seated correctly within the frame.
- **Stand Instability:** Ensure the tablet is placed firmly into one of the anti-slip strips. Adjust the angle as needed.
