## Aroepurt AWOW P11 Tablet Case

# Aroepurt AWOW P11 Tablet Case User Manual

Model: AWOW P11 Tablet Case

## INTRODUCTION

This manual provides comprehensive instructions for the Aroepurt 360-degree rotating PU leather stand folio case, designed for compatibility with the AWOW P11 Tablet. Please read this manual thoroughly to ensure proper installation, usage, and maintenance of your new tablet case.

## PACKAGE CONTENTS

Upon opening the package, please verify that all items are present and in good condition.

- 1 x Aroepurt Tablet Case (Compatible with AWOW P11 Tablet)

## FEATURES

The Aroepurt tablet case offers several features designed to enhance your tablet experience and provide protection:

- **360-Degree Rotation:** Allows for flexible viewing in both portrait and landscape orientations.
- **Multi-Viewing Angles:** Integrated stand supports various viewing positions for comfort.
- **Premium PU Leather:** Durable synthetic leather exterior with a soft anti-slip interior.
- **Full Body Protection:** Guards against scratches, shocks, fingerprints, and dust.
- **Camera Access:** Reserved back camera opening for uninterrupted camera usage.
- **Anti-Slip Strip:** Secures the tablet firmly when used as a stand.
- **Slim & Lightweight Design:** Adds minimal bulk to your tablet.
- **Storage Pocket:** Conveniently store cards, documents, or cash.

The Aroepurt tablet case in black, shown closed and in two different standing positions, highlighting its versatile design.

## SETUP: TABLET INSTALLATION

- 1. Open the Case:** Gently open the folio cover of the Aroepurt tablet case.
- 2. Align Tablet:** Carefully align your AWOW P11 Tablet with the protective frame inside the case. Ensure the tablet's edges match the frame's contours.
- 3. Insert Tablet:** Press the tablet gently into the frame until it is securely seated. Verify that all corners are properly enclosed and the tablet does not move freely within the frame.
- 4. Check Cutouts:** Confirm that all ports, buttons, and the camera opening on your tablet are accessible and align correctly with the case's cutouts. The case features three pre-cutouts for various camera positions.

# COMPATIBLE WITH A LOT OF TABLET

Please kindly check your tablet size before purchase as shown

An open view of the case with a tablet inserted, emphasizing the universal fit for various tablet sizes and the secure holding mechanism.

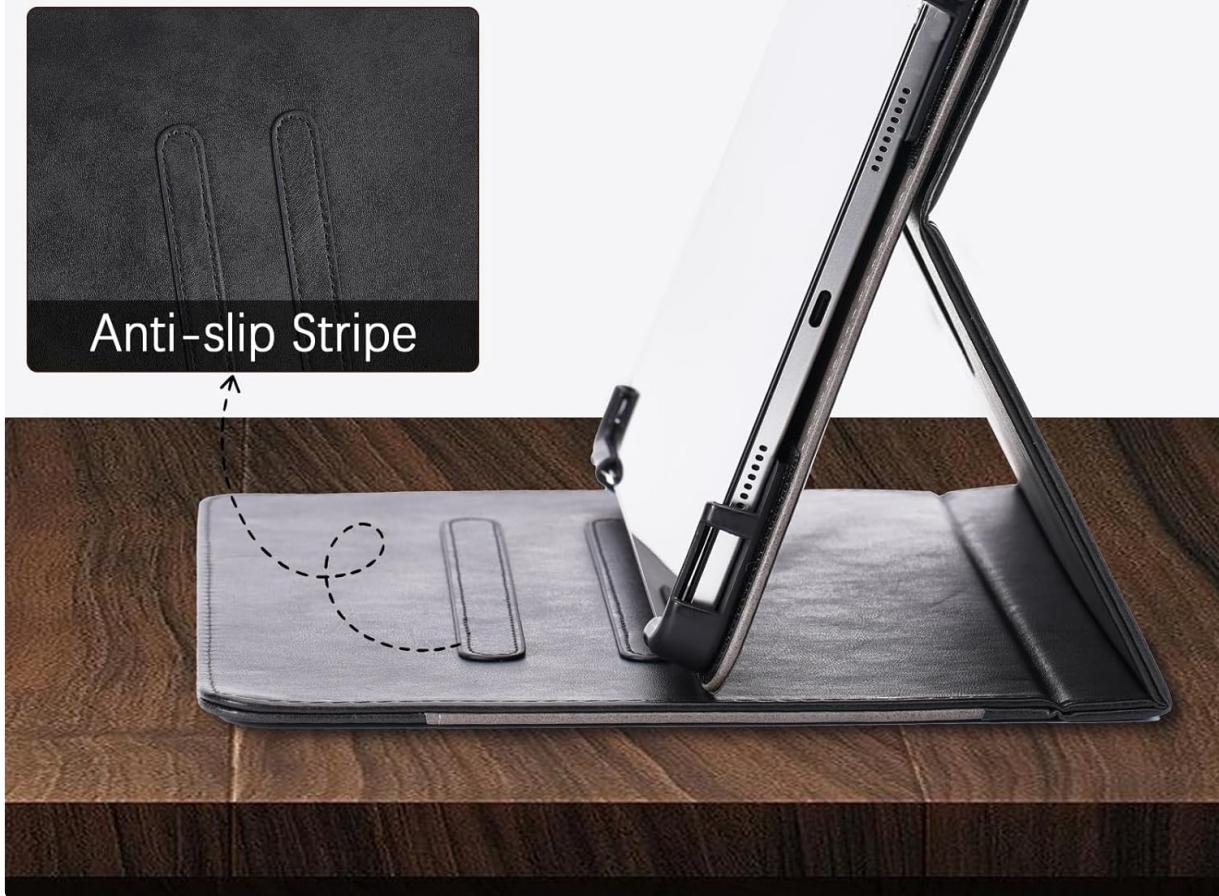

## OPERATING INSTRUCTIONS

### Using the Stand Function

- 1. Open the Cover:** Open the front cover of the case.
- 2. Position the Tablet:** Fold the cover back to form a triangular stand. The anti-slip strip on the interior of the case will help secure your tablet at the desired viewing angle.
- 3. Adjust Angle:** Adjust the tablet's position along the anti-slip strip to achieve your preferred viewing angle.

# MULTIPLE VIEWING

It turns into a convenient stand.  
Frees your hands and gives you a  
best viewing angle.

Close-up view of the case's interior, demonstrating the anti-slip stripe feature that secures the tablet in various viewing angles.

## 360-Degree Rotation

The case allows for full 360-degree rotation of your tablet while it is secured in the frame. This enables seamless switching between portrait and landscape viewing modes without removing the tablet from the case.

# ADJUSTABLE MULTIPLE ANGLES

Supports multiple viewing angles with 360° free rotate

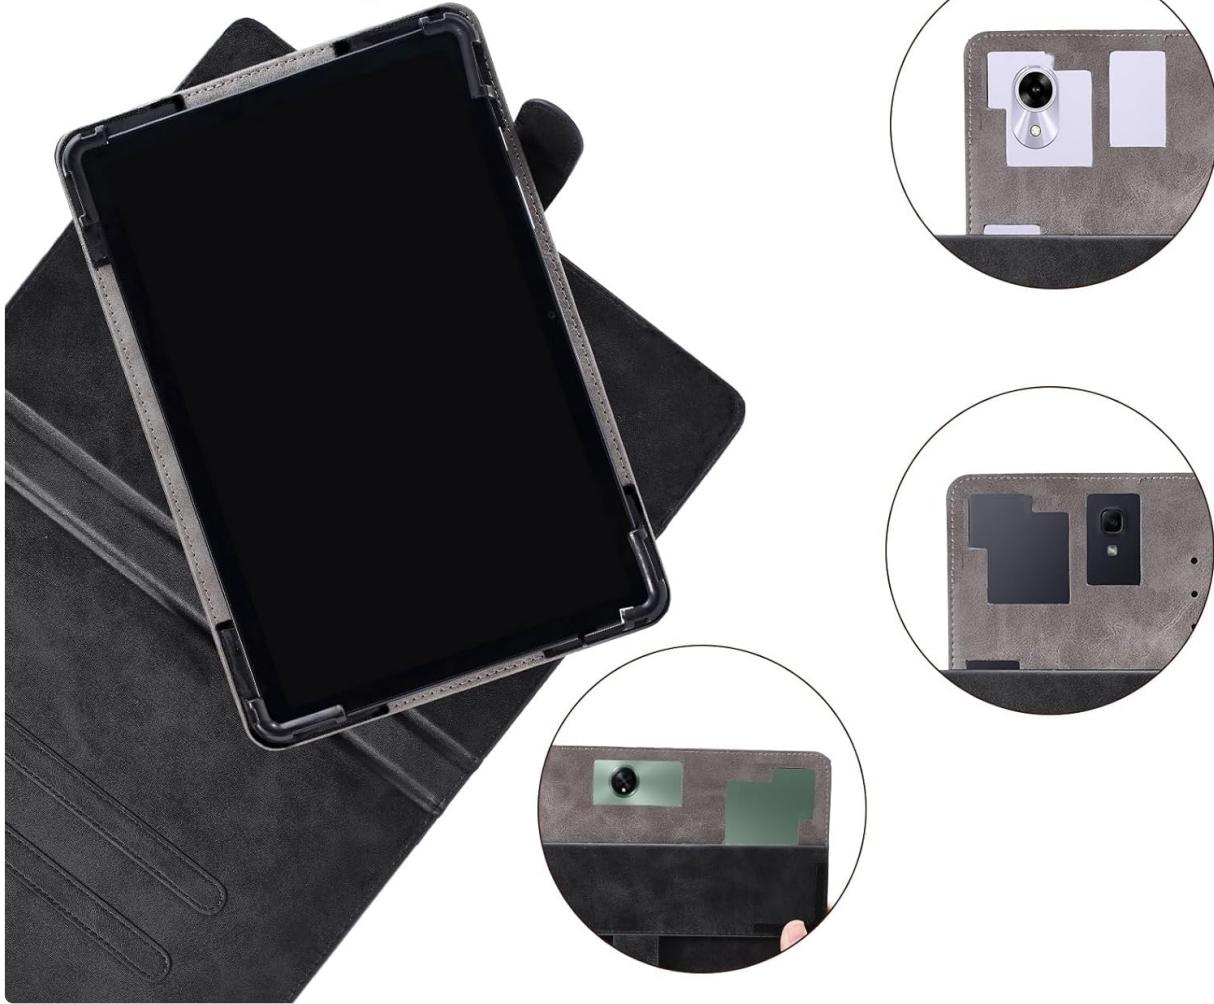

Illustrates the 360-degree rotation capability of the case, allowing for both portrait and landscape viewing angles.

## Camera Access

The case is designed with a dedicated opening on the back to ensure the tablet's camera remains fully functional and accessible while the tablet is in the case. The three pre-cutouts accommodate various camera placements.

# SUITABLE FOR DIFFERENT PLATES

The 3 pre-cutouts can be used by tablets with different camera positions

Shows the tablet installed in the case, with detailed views of the three pre-cutouts designed to accommodate different tablet camera positions.

## Storage Pocket

Utilize the integrated storage pocket on the front cover for convenient storage of small items such as credit cards, identification, or folded cash.

# STORAGE POCKET

The pocket is convenient for carrying cards, documents, and cash

An overhead view showcasing the integrated storage pocket on the case, suitable for carrying cards, documents, or cash.

## MAINTENANCE

To maintain the appearance and longevity of your Aroepurt tablet case, follow these simple cleaning guidelines:

- **Cleaning:** Wipe the exterior with a soft, damp cloth. For stubborn stains, a mild soap solution can be used, followed by wiping with a clean, damp cloth.
- **Drying:** Allow the case to air dry completely before reinserting your tablet. Do not use harsh chemicals or abrasive cleaners, as these may damage the material.
- **Avoid Exposure:** Keep the case away from direct sunlight and extreme temperatures to prevent material degradation.

## TROUBLESHOOTING

If you encounter any issues with your tablet case, refer to the following common solutions:

- **Tablet Does Not Fit:** Ensure your tablet is an AWOW P11 model. This case is specifically designed for this model. Verify the tablet is inserted correctly and fully seated within the frame.
- **Camera Opening Misalignment:** The case has multiple camera cutouts. Ensure your tablet is oriented

correctly within the case to align with one of the available cutouts.

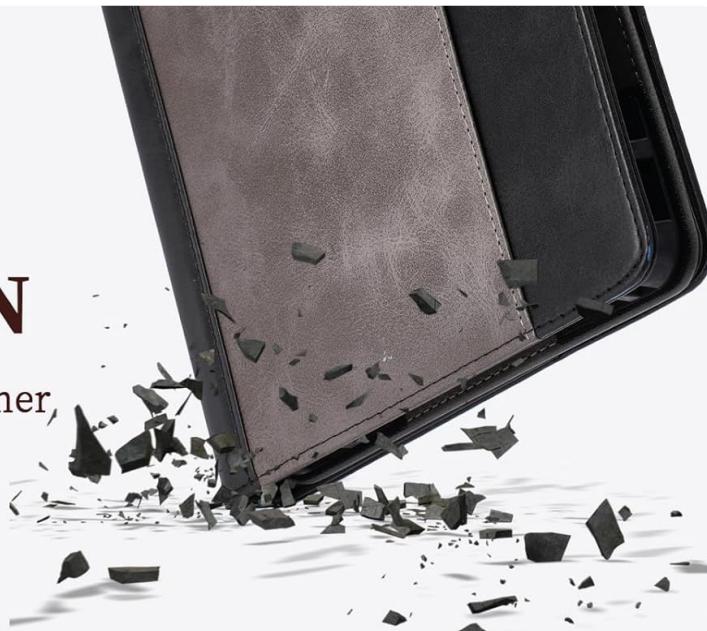

- **Stand Instability:** Ensure the anti-slip strip is clean and free of debris. Adjust the tablet's position on the strip for better grip.
- **Ports/Buttons Blocked:** Double-check that the tablet is fully and correctly seated in the case. If issues persist, remove and reinsert the tablet carefully.
