

## Jiajihua Oppo Find X8 Pro

# Jiajihua Phone Case for Oppo Find X8 Pro 5G Instruction Manual

Model: Oppo Find X8 Pro 5G (CPH2659, PKC110, PKC130)

## 1. INTRODUCTION

This manual provides instructions for the proper installation, use, and maintenance of your Jiajihua Magnetic Charging Phone Case, designed specifically for the Oppo Find X8 Pro 5G (models CPH2659, PKC110, PKC130). This case offers drop protection, precise cutouts, and magnetic charging compatibility.

## 2. PACKAGE CONTENTS

- 1 x Jiajihua Phone Case for Oppo Find X8 Pro 5G

## 3. SETUP: CASE INSTALLATION

1. **Prepare your device:** Ensure your Oppo Find X8 Pro 5G is clean and free of dust or debris.
2. **Insert the phone:** Gently align your phone with the case, starting with one side (e.g., the top or bottom).
3. **Press firmly:** Carefully press the phone into the case, ensuring all corners and edges are securely seated. The case is designed for a snug fit.
4. **Verify fit:** Check that all buttons and ports are accessible and that the case does not obstruct the camera or screen.

## 4. OPERATING INSTRUCTIONS

### 4.1. Magnetic Charging

The case features an integrated magnetic ring for compatibility with magnetic charging accessories. To use, simply align your magnetic charger or accessory with the magnetic ring on the back of the case. The strong adsorption capacity ensures a secure connection.

*Image 2: The case's magnetic adsorption capacity is shown with a wireless charger. This image also illustrates its use with wireless charging, a magnetic charging wallet, and as a kickstand.*

#### **4.2. Screen and Camera Protection**

The case is designed with raised edges around the screen and camera module to provide protection against scratches when the phone is placed on flat surfaces. This design helps to prevent direct contact between the phone's vulnerable areas and surfaces.

Raised edges defend against scratches

*Image 3: A detailed view illustrating the raised edges designed to protect the phone's screen and camera from scratches.*

## **4.3. Button Accessibility**

The case features precise cutouts and independent keys for the volume and power buttons, ensuring they remain accurate, responsive, and easy to press without obstruction.

Image 4: This image demonstrates the military-grade protection features, including shock-absorbing corners, a camera guard, screen bezels, independent keys for tactile feedback, and a velvety matte back texture.

## 5. MAINTENANCE AND CARE

- **Cleaning:** To clean the case, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the case's finish.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight to prevent material degradation.
- **Inspection:** Periodically inspect the case for any signs of wear or damage. If the case is significantly damaged, consider replacing it to ensure continued protection for your device.

Image 5: Illustrates the comfortable and delicate touch of the case material, designed for extended use without discomfort.

## 6. TROUBLESHOOTING

- **Case does not fit:** Ensure you have the correct model of phone case for your Oppo Find X8 Pro 5G. Verify the model numbers (CPH2659, PKC110, PKC130).
- **Magnetic charging not working:** Ensure the magnetic charger is properly aligned with the magnetic ring on the case. Check if the charger itself is functional.
- **Buttons are stiff:** Re-seat the phone in the case to ensure it is properly aligned. The independent keys are designed for responsiveness.
