Maintenance and Care

Proper care will extend the life and appearance of your PHI VILLA patio furniture set:

- **Cushions:** The cushion covers are removable and washable. Machine wash cold on a gentle cycle with mild detergent. Air dry or tumble dry on low. Do not bleach.
- **Rattan:** Wipe the PE rattan surfaces with a soft cloth dampened with mild soap and water. Rinse thoroughly and dry completely. Avoid harsh chemicals or abrasive cleaners.
- **Metal Frame:** Clean the metal steel frame with a damp cloth. Inspect regularly for any signs of rust or damage. Touch up any scratches with appropriate outdoor metal paint to prevent rust.

- **Acacia Wood Table:** Clean the wood surface with a damp cloth. For best results and to maintain its vintage sophistication, periodically apply a wood protector or outdoor furniture oil, especially if exposed to direct sunlight or rain.
- **Weather Protection:** While the materials are all-weather, it is recommended to cover the furniture during prolonged periods of harsh weather (heavy rain, snow, extreme heat) or when not in use for extended periods. Store cushions indoors during inclement weather or off-season.
- **General Cleaning:** Regularly remove dust and debris from all surfaces to prevent buildup.
