## VW VW43GQ1

# VW 43-inch Pro Series 4K Ultra HD Smart QLED Google TV

Model: VW43GQ1

## INTRODUCTION

This user manual provides detailed instructions for the setup, operation, and maintenance of your VW 43-inch Pro Series 4K Ultra HD Smart QLED Google TV (Model VW43GQ1). Please read this manual thoroughly before using the television to ensure proper functionality and safety.

## SAFETY INFORMATION

Always adhere to the following safety guidelines to prevent electric shock, fire, or damage to the television:

- Do not expose the TV to rain or moisture.
- Do not block ventilation openings.
- Ensure proper grounding for the power plug.
- Unplug the TV during lightning storms or when unused for long periods.
- Do not open the TV casing; refer all servicing to qualified personnel.
- Keep the TV away from direct sunlight, heat sources, and extreme temperatures.

## WHAT'S IN THE Box

Verify that all components are present in the packaging:

- 1 x VW 43-inch LED TV
- 2 x Table Stand Base
- 1 x Wall Mount
- 1 x Remote Control

## SETUP

### 1. Physical Installation

Your TV can be installed using either the included table stand or a wall mount.

#### Table Stand Installation:

1. Carefully place the TV screen-down on a soft, flat surface to prevent scratches.
2. Attach the two table stand bases to the designated slots at the bottom of the TV using the provided screws.
3. Ensure the stands are securely fastened before gently lifting the TV to its upright position.

#### Wall Mount Installation:

1. Refer to the wall mount instructions for specific details.
2. Ensure the wall can support the weight of the TV and the mount.
3. It is recommended to have professional assistance for wall mounting.

### 2. Connecting Peripherals

Connect your external devices to the TV's ports. The TV features multiple connectivity options:

- **HDMI Ports (3):** For set-top boxes, Blu-ray players, gaming consoles.
- **USB Ports (1):** For connecting hard drives or other USB devices.
- **Ethernet Port:** For wired internet connection.
- **Wi-Fi:** For wireless internet connection (Dual Band).
- **Bluetooth 5.0:** For connecting wireless accessories.

- **Headphone Output (1):** For audio output to headphones.
- **AV IN:** For older analog devices.
- **RF IN:** For antenna/cable connection.
- **Digital Audio Output (Optical):** For connecting to soundbars or home theater systems.

### 3. Initial Power On

1. Connect the power cord to the TV and then to a power outlet.
2. Press the power button on the TV or the remote control.
3. Follow the on-screen instructions to complete the initial setup, including language selection, network connection, and Google account sign-in.

## OPERATING INSTRUCTIONS

## 1. Remote Control Functions

The included remote control provides full functionality for your Google TV. It supports both IR and Bluetooth technology, and features voice assistant capabilities.

Image: Illustration of the Google TV remote control, highlighting buttons for Google Voice Assistant, Live TV, Input Source, and dedicated hotkeys for Netflix, YouTube, and Prime Video.

- **Power Button:** Turns the TV on/off.
- **Google Voice Assistant Button:** Activates voice commands (e.g., "Ok Google").
- **Navigation Pad:** Up, Down, Left, Right, and OK button for menu navigation.
- **Back Button:** Returns to the previous screen.
- **Home Button:** Returns to the Google TV home screen.
- **Input Source Button:** Selects input sources (HDMI, USB, AV).
- **Volume +/-:** Adjusts volume.
- **Channel +/-:** Changes channels.
- **Hotkeys:** Direct access buttons for Netflix, YouTube, and Prime Video.

## 2. Smart TV Features (Google TV)

Your VW TV runs on Google TV, offering a personalized and intuitive smart TV experience.

Image: Screenshot of the Google TV home screen, displaying content recommendations and various streaming application icons such as Netflix, YouTube, Prime Video, JioCinema, and Spotify.

- **Content Recommendations:** Personalized suggestions based on your viewing habits.
- **Streaming Apps:** Access popular services like Netflix, Prime Video, YouTube, Disney+Hotstar, Sony Liv, Zee5, Apple TV, MXPlayer, Spotify, JioCinema, UFC, ESPN.
- **Casting Options:** Supports Googlecast, Fastcast, and Meeting mode for screen mirroring from compatible devices.
- **Personal Profiles & Kids Profile:** Create separate profiles for different users, including a dedicated Kids Profile for child-friendly content.
- **Watchlist:** Add movies and shows to your watchlist for later viewing.
- **Google Assistant:** Use voice commands to search for content, control smart home devices, and get information.

## 3. Picture and Sound Settings

Customize your viewing and listening experience through the TV settings menu.

- **Picture Modes:** Select from various preset modes (e.g., Standard, Vivid, Movie, Game) or customize settings like brightness, contrast, color, and sharpness.
- **HDR10:** Experience enhanced contrast and color with HDR10 content.
- **MEMC:** Motion Estimation, Motion Compensation for smoother motion in fast-paced scenes.
- **Sound Modes:** Choose from preset audio modes (e.g., Standard, Music, Movie, Speech) or adjust equalizer settings.
- **DTS Virtual:X & Dolby Atmos:** Enjoy immersive audio with virtual surround sound.
- **ALLM (Auto Low Latency Mode):** Automatically switches to a low-latency mode for gaming when a compatible gaming console is detected.

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your TV.

- **Cleaning the Screen:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a specialized screen cleaner. Do not spray liquid directly onto the screen.
- **Cleaning the Casing:** Use a soft, dry cloth to wipe the TV casing. Avoid abrasive cleaners or solvents.
- **Ventilation:** Ensure the ventilation openings on the back of the TV are not blocked to prevent overheating.
- **Power Cord:** Regularly check the power cord for any damage.

## TROUBLESHOOTING

Refer to the following table for common issues and their solutions:

Problem	Possible Cause	Solution
No power	Power cord disconnected; Power outlet issue	Check power cord connection; Test power outlet with another device
No picture, but sound is present	Incorrect input source; Loose HDMI/AV cable	Press 'Input' button on remote to select correct source; Reconnect cables securely
No sound, but picture is present	Volume muted or too low; Incorrect audio output setting	Unmute volume or increase level; Check audio output settings in TV menu
Remote control not working	Batteries depleted; Obstruction between remote and TV; Remote not paired (Bluetooth)	Replace batteries; Remove obstructions; Re-pair Bluetooth remote (refer to remote section)
Cannot connect to Wi-Fi	Incorrect password; Router issue; TV too far from router	Verify password; Restart router; Move TV closer or use Ethernet
