FUKUMARU CS03-1

FUKUMARU Cat Wall Shelves (Model CS03-1) Instruction Manual

Introduction

The FUKUMARU Cat Wall Shelves (Model CS03-1) provide a comfortable and engaging environment for your feline companion. This wall-mounted furniture set features two platforms with soft, removable cushions, crafted from solid rubber wood. Designed for stability and durability, it offers a dedicated space for cats to climb, play, and nap, while saving floor space in your home.

Setup and Installation

Proper installation is crucial for the safety and stability of your FUKUMARU Cat Wall Shelves. This product is designed for mounting on 16-inch drywall, as well as brick, solid, or concrete walls. Ensure you have the necessary tools before beginning.

Tools Required:

- Drill
- Level
- Screwdriver
- Stud Finder (for drywall installation)
- Pencil for marking

Installation Steps:

1. Identify a suitable wall location. For drywall, use a stud finder to locate wall studs spaced 16 inches apart.
2. Hold the shelf assembly against the wall at the desired height and use a level to ensure it is straight. Mark the drilling points accurately with a pencil.
3. For drywall installation, align the mounting holes with the center of the wall studs. Directly install the product onto the wall studs using the provided screws.
4. For brick, solid, or concrete walls, drill pilot holes at the marked points. Insert the provided inflation anchors into the pilot holes, then secure the shelf assembly with the provided screws.
5. Ensure all screws are securely tightened before allowing your cat to use the shelves. Verify the stability by gently applying pressure to the platforms.

stability and design.

Operating Instructions

The FUKUMARU Cat Wall Shelves offer a vertical space for your cat's natural behaviors like climbing, exploring, and resting. The ergonomic design of the cushions provides head and neck support for comfortable napping.

Encouraging Your Cat to Use the Shelves:

- **Snacks:** Place treats on the shelves to encourage exploration. Reward your cat when they approach or climb onto the platforms.
- **Toys:** Position your cat's favorite toys on the shelves to entice them to climb and play.
- **Laser Pointer:** Use a laser pointer to guide your cat onto the shelves, tapping into their natural hunting instincts.
- **Catnip:** Sprinkle a small amount of catnip on the cushions or platforms to attract your cat and make the space more appealing.

Maintenance

Regular maintenance ensures the longevity and hygiene of your cat's wall shelves.

- **Cushion Care:** The rabbit velour cushions are removable and machine-washable. Separate the cushion from the wooden platform before washing. Use a gentle cycle with cold water and mild detergent. Air dry or tumble dry on low heat.
- **Wooden Parts:** The solid rubber wood components have been treated with three layers of protective wax. To clean, wipe with a damp cloth. Avoid harsh chemicals. Keep the product indoors to protect the wood.

Image: This image illustrates the removable cushion design, showing how the cushion can be detached from the wooden platform for easy cleaning and is machine washable.

Troubleshooting

- **Cushion Slippage:** If the cushions tend to slide on the wooden platforms, consider adding adhesive-backed Velcro strips (not included) to the underside of the cushion and the top of the platform for increased security.
- **Instability:** Ensure the shelves are mounted directly into wall studs (for drywall) or using appropriate anchors (for brick/concrete) as per installation instructions. Re-check all screws for tightness. If instability persists, consult a professional for installation.

Specifications

Feature	Detail

Model Name	Cat Wall Shelves
Model Number	CS03-1
Brand	FUKUMARU
Product Dimensions	28"L x 10"W x 18"H (71.12 cm L x 25.4 cm W x 45.72 cm H)
Weight	9.85 Pounds (4.47 kg)
Material	Solid Rubberwood
Mounting Type	Wall Mount (suitable for 16-inch drywall, brick, solid, concrete walls)
Number of Levels	2
Target Species	Cat
Breed Recommendation	All Breed Sizes
