## Itaar 111

# Itaar Stairway Twin Size Loft Bed Model 111 Instruction Manual

Comprehensive guide for assembly, operation, and maintenance.

## 1. PRODUCT OVERVIEW

The Itaar Stairway Twin Size Loft Bed is designed to maximize space with integrated features. It includes a twin-size bed frame, an L-shaped desk, a wardrobe, storage stairs, LED lighting, and a charging station. The robust metal frame and rustic brown finish provide both durability and aesthetic appeal.

Figure 1: Overall view of the Itaar Twin Size Loft Bed, showcasing the bed, L-shaped desk, and storage stairs.

### Key Features:

- **Convertible Design:** Storage stairs can be installed on either the left or right side.
- **L-Shaped Desk:** Provides ample workspace for studying or computing.
- **Integrated Storage:** Includes a wardrobe with a hanging rod and three fabric drawers.
- **LED Lights:** RGB LED light strips with remote and APP control, offering over 60,000 colors, 29 flashing modes, music sync, and timer functions.
- **Charging Station:** Equipped with 2 AC outlets (125V/12A) and 2 USB ports (5V/2.1A) for convenient device charging.
- **Sturdy Construction:** Heavy-duty square metal frame and FSC certified wood desktop.

## 2. SETUP AND ASSEMBLY

Assembly of the Itaar Loft Bed requires careful attention to the provided instructions. All parts are clearly

labeled to facilitate the process.

### Assembly Tips:

- An electric screwdriver is recommended to assist with tightening numerous bolts.
- Carefully review all diagrams and images in the instruction manual to ensure correct orientation of parts, especially for hole alignment.
- The storage stairs are designed for reversible installation, allowing placement on either the left or right side of the bed to suit your room layout.

## 2 Different Ways to Place Space

1

2

Figure 2: Illustration of the reversible staircase and desk configurations.

### Anti-Tipping Device Installation:

For enhanced safety, secure the anti-tipping device to a wall stud. If baseboards prevent the bed from sitting flush against the wall, a wooden spacer may be required between the wall and the bracket to ensure proper attachment and stability.

### 3. OPERATING INSTRUCTIONS

#### L-Shaped Desk:

The spacious L-shaped desk provides a surface measuring 74.8 inches in length by 14.2 inches in width on one side, and 41.3 inches in length by 11.8 inches in width on the other. This area is suitable for multiple desktop computers, a laptop, and other study or work essentials.

### Storage Features:

- **Staircase Shelves:** Utilize the shelves integrated into the staircase for storing books, toys, or other personal items.
- **Wardrobe with Hanging Rod:** A convenient hanging rod is provided for clothes, scarves, or hangers.
- **Fabric Drawers:** Three fabric drawers offer additional storage for documents, household items, or decorations. Note that these drawers feature a wood-look print and are not solid wood.

#### 4. SAFETY INFORMATION

- **Weight Limits:** The top bunk has a maximum weight capacity of 400 lbs. The storage stairs can support up to 200 lbs. Do not exceed these limits.
- **Guardrails:** Full-length guardrails are provided for user safety while sleeping.
- **Recommended Mattress:** Use a mattress with dimensions of 75" x 38" and a thickness of 4-6 inches. This ensures that the mattress top is at least 5 inches (127mm) below the top edge of the guardrail for optimal safety.
- **Anti-Tipping Device:** Always install the anti-tipping device as instructed to prevent accidental tipping of the bed.
- **Non-slip Pads:** The bed is equipped with non-slip pads to keep it firmly in place and prevent unwanted sliding.

Figure 8: Recommended mattress thickness for safety.

## 5. MAINTENANCE

- **Regular Inspection:** Periodically check all bolts, screws, and connections to ensure they remain tight. Tighten as necessary.
- **Cleaning:** Wipe down all surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.
- **Fabric Drawers:** Inspect fabric drawers for any signs of wear or damage. Clean according to fabric care instructions if needed.

## 6. TROUBLESHOOTING

- **Damaged or Missing Parts:** If your loft bed arrives with damaged, scratched, or missing parts, please contact Itaar customer support immediately for assistance.
- **Bed Wobbles After Assembly:** Ensure all bolts are fully tightened. If the anti-tipping device cannot be secured due to baseboards, consider using a wooden spacer to bridge the gap between the wall and the bracket, allowing for secure attachment.
- **Desk Surface Appears Narrow:** While the L-shaped desk is spacious, using multiple large monitors along with a keyboard and mouse may feel compact. Adjust your setup as needed.
- **Drawers are Fabric, not Wood:** The product features fabric drawers with a wood-look print for lightweight and easy installation. This is an intentional design choice.

## 7. SPECIFICATIONS

Feature	Detail
Brand	Itaar
Model Number	111
Size	Twin
Color	Rustic Brown
Product Dimensions	93.7"L x 41.3"W x 70.86"H
