NOVOO NFC2-207C

NOVOO Smart Tracker Card (2-Pack) User Manual

Model: NFC2-207C

1. INTRODUCTION

The NOVOO Smart Tracker Card (Model NFC2-207C) is a compact and durable item tracker designed for seamless integration with Apple's Find My network. This ultra-thin card, measuring just 1.6mm, is engineered to fit effortlessly into wallets, ID card cases, luggage tags, and other personal items. It features an IP68 waterproof rating, ensuring resilience against water exposure. Powered by a low-consumption chip, the tracker boasts an impressive 6-year battery life, eliminating the need for frequent charging or battery replacement.

2. SETUP

Follow these steps to pair your NOVOO Smart Tracker Card with your Apple device:

1. **Power On:** Press and hold the center of the power button on the card. A sound will play, indicating it's ready for pairing.
2. **Enable Bluetooth & Open Find My App:** On your iOS device (iPhone, iPad, Mac), ensure Bluetooth is enabled. Open the "Find My" application.
3. **Add New Item:** Navigate to the "Items" tab in the Find My app and tap "Add New Item," then select "Other Supported Item."
4. **Connect & Name:** The app will detect the "NOVOO Smart Tag." Tap "Connect" and follow the on-screen prompts to name your tracker and assign it to an emoji.

3. OPERATING INSTRUCTIONS

3.1. Finding Nearby Items

If your item is within Bluetooth range (up to 40 meters, which may vary by environment), open the Find My app, select your NOVOO Smart Tracker Card, and tap "Play Sound." The card will emit an 80dB sound, helping you locate it quickly, even if it's hidden under furniture.

3.2. Precise Location Tracking

For items outside Bluetooth range, the Apple Find My network utilizes millions of Apple devices worldwide to securely and anonymously relay the location of your tracker. You can view its precise location on a map within the Find My app.

Apple 「探す」と連携

iPhone、iPad、またはMacの「探す」を使って簡単にアイテムを見つけられます。

友達と共有

「探す」アプリを通じて、カードの位置を最大5台のデバイスと共有できます。

3.3. Left-Behind Notifications

Receive instant notifications on your iPhone if you leave your NOVOO Smart Tracker Card behind and move out of its Bluetooth range. The notification will display the last known location of the item.

Image: An iPhone screen showing a notification alert indicating that a tracked item has been left behind, with a wallet and tracker card on a bench.

3.4. Lost Mode

If an item is truly lost, activate "Lost Mode" in the Find My app. If another Apple device user comes within range of your tracker, you will receive an anonymous notification of its location. You can also set up a contact message and phone number for the finder to see.

3.5. Sharing Location

With iOS 17 or later, you can share the location of your NOVOO Smart Tracker Card with up to five other individuals through the Find My app. This feature allows family and friends to help track important items collaboratively.

①

大指指で、電源ボタンの中央をしっかり押してください。押すと音楽が鳴り、その後ペアリングが始まります。

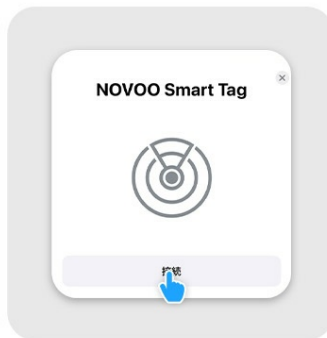

②

「探す」アプリと「Bluetooth」をオンにします。

③

「持ち物を探す」ページに移動し、「その他の対応している持ち物」をタップします。

④

「NOVOO Smart Tag」を接続し、名前を付けます。

4. MAINTENANCE

4.1. Battery Life

The NOVOO Smart Tracker Card is equipped with a 540mAh battery and a proprietary low-power chip, providing up to 6 years of continuous use. No charging or battery replacement is required during this period. You can monitor the battery level via the Find My app and will receive a notification when it drops below 20%.

5. TROUBLESHOOTING

- **Connectivity Issues:** If the tracker is not responding or connecting, try removing it from the Find My app and re-pairing it following the setup instructions. Ensure Bluetooth is active on your iOS device.
- **Privacy Protection:** The NOVOO Smart Tracker Card uses AES-128 encryption to protect your data. It also includes anti-tracking features, alerting you if an unknown tracker is detected moving with you, safeguarding your privacy.
- **Android Compatibility:** Please note that this device is exclusively designed for iOS devices (iPhone, iPad, Mac) and is not compatible with Android.
