Xg99 Translation Earbuds User Manual

Model: US5C6T6DOAI9FCIOMQ | Brand: Generic

1. INTRODUCTION

Thank you for choosing the Xg99 Translation Earbuds. This device is designed to provide seamless, real-time voice translation, enhancing communication across language barriers. Featuring a comfortable ear-hook design, a clear digital display, and advanced wireless technology, these earbuds are ideal for travel, business, and educational purposes.

Key Features:

- **Real-Time Voice Translation:** Facilitates instant two-way communication.
- **Wireless Connectivity:** Stable and fast wireless connection for clear audio.
- **Digital Display Screen:** Provides instant updates on status and battery life.
- **Ergonomic Ear-Hook Design:** Ensures comfortable and secure long-term wear.
- **Intelligent Touch Control:** Simple and intuitive operation.
- **Portable and Practical:** Compact design for easy carrying.

2. WHAT'S IN THE BOX

Please check the contents of your package. If any items are missing or damaged, contact customer support.

- 1 Pair of Xg99 Translation Earbuds (Left and Right)
- 1 Charging Case
- 1 USB Charging Cable
- 1 User Manual (this document)

3. SETUP GUIDE

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The digital display on the case indicates the battery level.

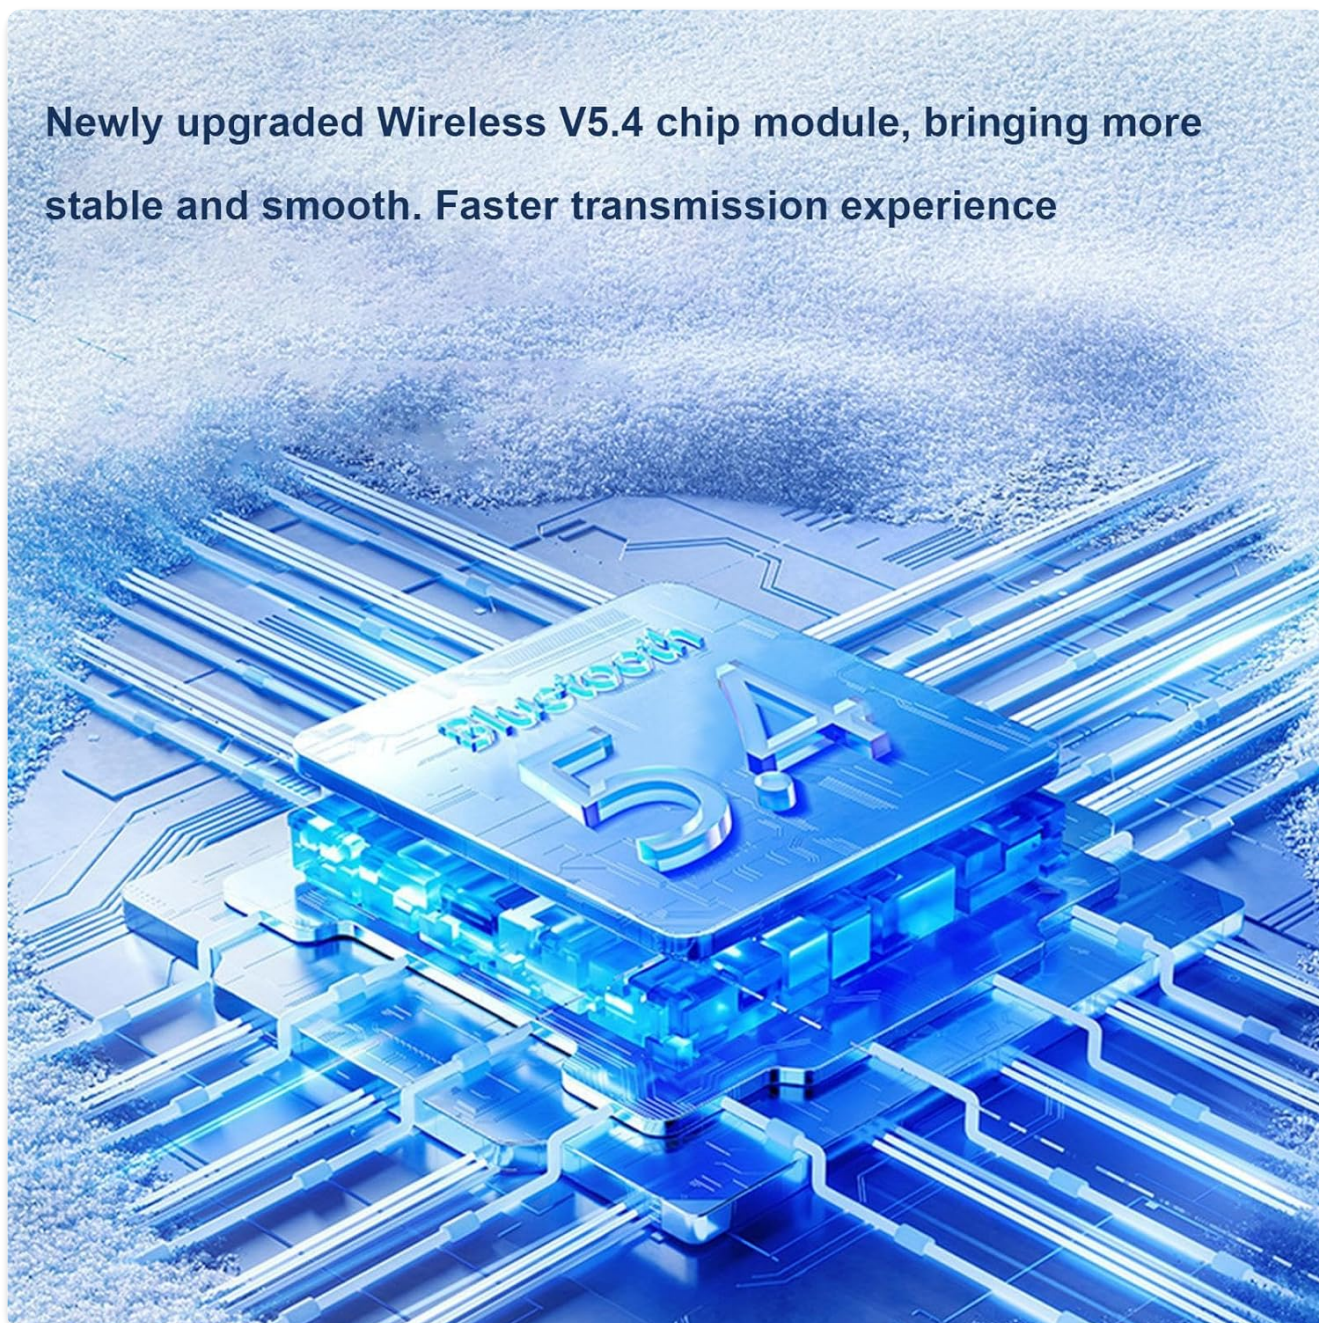

1. Place both earbuds into the charging case, ensuring they are properly seated.
2. Connect the USB charging cable to the charging port on the case and plug the other end into a USB power adapter (not included) or a computer's USB port.
3. The digital display will show the charging progress. A full charge is indicated when the display shows 100%.

3.2 Pairing with Your Device

The Xg99 Translation Earbuds connect wirelessly via Bluetooth to your smartphone or other compatible device.

1. Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your smartphone or device, go to Bluetooth settings and turn Bluetooth on.
3. Search for available devices. You should see "Xg99 Earbuds" or a similar name appear in the list.
4. Select the earbuds to connect. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

Newly upgraded Wireless V5.4 chip module, bringing more stable and smooth. Faster transmission experience

4. OPERATING INSTRUCTIONS

4.1 Wearing the Earbuds

The Xg99 earbuds feature an ear-hook design for a secure and comfortable fit.

1. Identify the left (L) and right (R) earbuds.
2. Gently place the earbud over your ear, ensuring the hook rests comfortably behind your ear and the speaker part is positioned correctly in your ear canal.
3. Adjust for a snug fit that feels secure without causing discomfort.

Figure 4.1: The ear-hook design ensures a comfortable and stable fit for extended use.

4.2 Basic Controls (Intelligent Touch Design)

The earbuds feature touch-sensitive areas for control. Specific functions may vary slightly depending on the connected application or device.

- **Play/Pause:** Single tap on either earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Activate Voice Assistant:** Triple tap on either earbud (e.g., Siri, Google Assistant).
- **Toggle Translation Mode:** Long press (2-3 seconds) on either earbud (if supported by the translation application).

4.3 Using for Real-Time Translation

The Xg99 earbuds are designed to work with compatible translation applications on your smartphone to provide real-time, two-way translation.

1. Ensure your earbuds are connected to your smartphone via Bluetooth.
2. Open your preferred real-time translation application (e.g., Google Translate, iTranslate, or a dedicated app if specified by the manufacturer).
3. Select the source and target languages within the application.
4. Initiate the translation mode within the app. Typically, one earbud will translate what you hear, and the other will translate what you speak, or both will translate for a single user in a conversation mode.
5. Speak clearly into the earbud's microphone. The advanced language processing technology will translate your speech and play it through the other earbud or your phone's speaker, and vice-versa for the other person's speech.

Clip-on AI translation earphones

Two-way simultaneous transmission: the other side of the translation conversation can be synchronized, speaking and translating together, greatly improving efficiency.

Figure 4.2: The earbuds support two-way simultaneous transmission, allowing for efficient conversations.

Figure 4.3: The Xg99 earbuds are versatile for various applications, from business travel to daily communication.

5. MAINTENANCE AND CARE

Proper care will extend the lifespan of your Xg99 Translation Earbuds.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use abrasive cleaners, alcohol, or chemical solvents.
- **Water Resistance:** The earbuds are waterproof for daily use (e.g., sweat, light rain). Do not submerge them in water or expose them to heavy rain or extreme moisture.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds frequently. Charge them regularly, even if not in constant use.

6. TROUBLESHOOTING

If you encounter issues with your Xg99 Translation Earbuds, try the following solutions:

Problem	Possible Cause	Solution
Earbuds not turning on	Low battery	Place earbuds in the charging case and charge fully.
Cannot pair with device	Bluetooth off; earbuds not in pairing mode; interference	Ensure Bluetooth is on. Take earbuds out of case to enter pairing mode. Move closer to device. Restart device and earbuds.
No sound or poor audio quality	Low volume; improper fit; connection issue	Adjust volume on device. Re-adjust earbuds for a snug fit. Reconnect Bluetooth.
Translation not working	App issue; internet connection; microphone blocked	Ensure stable internet connection. Check app settings. Ensure microphone is clear. Restart app.
Charging case not charging	Faulty cable/adapter; dirty port	Try a different USB cable and power adapter. Clean charging port gently.
