LEGO 71846

LEGO NINJAGO The Fire Knight Mech Building Set 71846 Instruction Manual

1. INTRODUCTION

This instruction manual provides comprehensive guidance for the LEGO NINJAGO The Fire Knight Mech Building Set, model 71846. Designed for builders aged 14 and up, this set contains 996 pieces, allowing you to construct an impressive Fire Knight Mech and a tentacled sea monster. The set also includes Kai and a fisherman minifigure, enabling dynamic play and display scenarios inspired by NINJAGO Legends Monstrosity.

Please read through these instructions carefully to ensure a smooth and enjoyable building experience and proper care of your model.

2. ASSEMBLY INSTRUCTIONS

The LEGO NINJAGO The Fire Knight Mech Building Set is designed for an engaging assembly process. Follow the detailed, step-by-step instructions provided in the physical instruction booklet included with your set.

For an enhanced and interactive building experience, we recommend utilizing the [LEGO Builder app](#). This application offers intuitive 3D instructions, allowing you to zoom, rotate models, and track your progress digitally.

Use the LEGO® Builder app or printed instructions

Image: A young person uses the LEGO Builder app on a tablet to assist with the assembly of the Fire Knight Mech, surrounded by various LEGO elements.

The set includes all necessary LEGO building elements to construct the Fire Knight Mech, the sea monster, and the minifigures. Ensure all pieces are accounted for before beginning assembly.

3. OPERATING AND DISPLAY

Once assembled, the LEGO NINJAGO Fire Knight Mech and sea monster offer various possibilities for play and display.

3.1 Posing the Fire Knight Mech

The Fire Knight Mech features full poseability with articulated arms, torso, hips, and legs. Carefully adjust its joints to create dynamic battle stances or display poses. The mech can hold its spear accessory securely.

Remove model from base to play out stories

3.2 Interacting with the Sea Monster

The sea monster model includes movable tentacles, allowing you to position them to simulate an attack or defensive posture against the mech. The base also features a small boat for the fisherman minifigure.

**Mech and
sea monster both
have moving parts**

3.3 Minifigure Placement

The Kai minifigure can be placed inside the mech's chest chamber, simulating the pilot controlling the Fire Knight. The fisherman minifigure can be positioned in his small boat on the sea monster's base.

Model includes 2 minifigures: Kai and a fisherman

4. MAINTENANCE AND CARE

To ensure the longevity and appearance of your LEGO NINJAGO Fire Knight Mech Building Set, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap and lukewarm water to gently clean the bricks. Avoid using harsh chemicals, abrasive materials, or very hot water, as these can damage the plastic.
- **Drying:** After cleaning, rinse the bricks thoroughly with clean water and allow them to air dry completely at room temperature. Do not use direct heat sources like hair dryers or ovens.
- **Storage:** Store your assembled model or loose bricks in a cool, dry place away from direct sunlight to prevent

discoloration and warping.

- **Handling:** Handle the model with care, especially when posing articulated parts, to avoid accidental disassembly or damage.

5. TROUBLESHOOTING

If you encounter any issues during assembly or with your completed model, please refer to the following common solutions:

- **Missing Pieces:** In the rare event of missing pieces, please contact LEGO Customer Service directly. They can assist with sending replacement parts.
- **Assembly Difficulties:** If you are struggling with a particular step, re-examine the instruction manual carefully. The LEGO Builder app's 3D view can also provide clearer visual guidance. Ensure all bricks are firmly pressed together.
- **Loose Connections:** If parts of your model feel loose, gently press the connecting bricks together until you feel a secure fit. Over time, some connections may loosen with frequent handling.
- **Damaged Parts:** For any damaged or defective parts, please contact LEGO Customer Service for assistance.

6. SPECIFICATIONS

Model Number	71846
Piece Count	996
Recommended Age	14 years and up
Product Dimensions	13.94 x 14.88 x 3.7 inches
Item Weight	3.32 pounds
Release Date	June 1, 2025
Manufacturer	LEGO

7. WARRANTY INFORMATION

LEGO products are manufactured to high-quality standards. If you believe your product is defective or has missing parts, LEGO offers a quality guarantee. For detailed information regarding warranty coverage, terms, and conditions, please visit the official LEGO website or contact their customer service department.

8. CUSTOMER SUPPORT
