ASSEMBLY INSTRUCTIONS

The LEGO Speed Champions Porsche 911 GT3 RS Super Car (77239) is designed for straightforward assembly by following the included step-by-step building guide. All necessary LEGO building elements are provided within the box.

Getting Started:

1. **Unpack Components:** Carefully open the box and sort the LEGO building elements into their numbered bags, if applicable.
2. **Consult the Building Guide:** Refer to the physical instruction booklet provided in the set. Each step is clearly illustrated to guide you through the construction process.
3. **Utilize the LEGO Builder App:** For an enhanced and interactive building experience, download the official LEGO Builder app. This app provides digital guidance and 3D viewing tools that can assist you in visualizing each step and rotating the model as you build.

Ensure all pieces are securely connected as you progress. Pay close attention to the orientation of bricks and plates to achieve the accurate details of the Porsche 911 GT3 RS.

PRODUCT FEATURES AND OPERATION

Once assembled, your LEGO Speed Champions Porsche 911 GT3 RS Super Car offers both authentic detailing and opportunities for imaginative play.

Authentic Design Elements:

- **Rear Wing:** The model accurately recreates the famous large rear wing, a signature feature of the GT3 RS, contributing to its aerodynamic appearance.
- **Air Intake Features:** Detailed air intake elements on the hood are included, mirroring the real vehicle's design.
- **Headlights and Rims:** The distinctive headlights and novelty rims are carefully integrated to capture the iconic silhouette of this Porsche masterpiece.

Driver Minifigure:

The set includes one Porsche driver minifigure, complete with a helmet and a red Porsche Track Day Experience outfit. The minifigure can be placed inside the car's cockpit, ready for racing action.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your LEGO Speed Champions Porsche 911 GT3 RS Super Car, follow these simple maintenance guidelines:

- **Cleaning:** Dust your model regularly with a soft, dry cloth or a soft-bristled brush. For more thorough cleaning, gently wipe the bricks with a damp cloth using mild soap and water. Rinse thoroughly and allow to air dry completely before reassembly or display. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store your LEGO model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic elements. If disassembling for storage, keep all pieces together in a sealed container to prevent loss.
- **Handling:** Handle the model with care, especially when moving it, to avoid accidental detachment of pieces.

TROUBLESHOOTING

While LEGO sets are designed for high quality and ease of assembly, occasional issues may arise. Here are some common concerns and their solutions:

Missing Pieces:

If you find that a piece is missing from your set, first double-check all packaging and bags. Sometimes small pieces can be overlooked. If a piece is genuinely missing, LEGO offers a replacement service. Visit the official LEGO Customer Service website and navigate to the 'Bricks & Pieces' section to request a replacement.

Assembly Difficulties:

If you encounter difficulty with a specific step in the building process:

- **Re-check Previous Steps:** Ensure that all previous steps were completed correctly and that pieces are firmly attached.
- **Consult the LEGO Builder App:** The 3D building instructions in the LEGO Builder app can provide a different perspective and help identify any misplacements.
- **Seek Online Support:** The LEGO website has extensive building instructions available for download, as well as FAQs and community forums where you might find solutions.

For any persistent issues or further assistance, please contact LEGO Customer Service directly.
