LEGO NINJAGO The Temple Bounty (71848) Building Set Instruction Manual

INTRODUCTION

This manual provides detailed instructions for assembling and understanding the features of the LEGO NINJAGO The Temple Bounty (71848) building set. Designed for individuals aged 14 and up, this set allows builders to construct a multi-level boat model inspired by NINJAGO Dragons Rising Season 3. The set contains 2,387 pieces and includes six minifigures.

The completed model features various interactive elements and can be displayed on its included stand.

ASSEMBLY INSTRUCTIONS

Getting Started

Before beginning assembly, ensure all pieces are present. Refer to the included printed instruction booklets for step-by-step guidance. For an enhanced building experience, the LEGO Builder app offers digital instructions, 3D viewing modes, and progress tracking features.

Building the Temple Bounty

The construction process involves assembling the hull, deck sections, sails, and various interior details. The model is designed with modular, removable sections to facilitate access to the interior during assembly and play. Pay close attention to the placement of gear-operated components for the sails and other mechanisms.

CARE AND MAINTENANCE

Cleaning

To clean LEGO bricks, use a mild soap solution and lukewarm water (not exceeding 40°C or 104°F). Gently wipe the bricks with a soft cloth or sponge. Rinse thoroughly with clear water and allow them to air dry at room temperature. Avoid using hot water, harsh chemicals, or abrasive materials, as these can damage the plastic.

Storage

Store the LEGO set in a cool, dry place away from direct sunlight and extreme temperatures. Keeping the pieces in their original box or a dedicated storage container can help prevent loss and damage. For assembled models, display them in a stable location to avoid accidental falls.

TROUBLESHOOTING

Missing Pieces

If you discover any missing pieces during assembly, please contact LEGO Customer Service. They can assist with providing replacement parts.

Assembly Difficulties

If you encounter difficulties during assembly, review the instruction steps carefully. The LEGO Builder app offers 3D views that can help clarify complex steps. If issues persist, refer to the customer support section for further assistance.
