5. Maintenance and Care

Proper care will ensure the longevity of your Lincoln Logs set.

- **Cleaning:** Wipe wooden and plastic pieces with a dry or slightly damp cloth. Do not immerse in water.
- **Storage:** Store all pieces in the provided rectangular tin or a similar container to prevent loss and damage. Keep away from extreme temperatures and humidity.
- **Inspection:** Periodically check logs for splinters or damage. Smooth any rough edges with fine-grit sandpaper if necessary (adult task).

6. Troubleshooting

If you encounter any issues with your Lincoln Logs Adventure Pod Cabin, refer to the following common solutions.

- **Difficulty Assembling Logs:** Ensure logs are correctly oriented and notches align. Apply gentle pressure. If a log is warped, try another piece or contact support.

- **Missing Pieces:** Carefully check the packaging and storage tin. If pieces are genuinely missing, refer to the Customer Support section.
- **Loose Connections:** Ensure all logs are fully seated in their notches. Over time, wood may expand or contract slightly; this is normal.
