mopio MP-PD2010-WH

mopio Blake Tall Display Cabinet Instruction Manual

Model: MP-PD2010-WH (White Oak Arched, Single)

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Always use two people to move or assemble the cabinet due to its heavy weight (approximately 127.9 lbs).
- Be cautious of pinch points during assembly and disassembly.
- Ensure the cabinet is level and stable before use. Use the included levelers for stability.
- Do not overload the cabinet. The maximum load for the top is 40 lbs, and each shelf is 15 lbs. Overloading may cause it to tip over.
- Secure the cabinet to a wall using anti-tip hardware (if included) to prevent accidental tipping, especially in households with children or pets.

2. PACKAGE CONTENTS

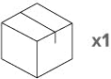

Verify all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- All necessary hardware for assembly.
- Cabinet panels and shelves.
- Scratch-resistant acrylic door panels.
- Brass handles.

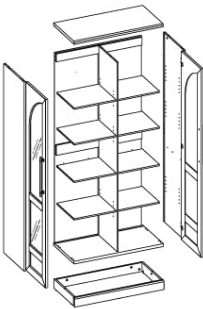

The Blake Tall Display Cabinet is typically shipped in one box. Please check the packaging for details.

How many boxes should I receive?

Tall Arched Cabinet

Each Box
Size - 72"(L) x 18.7"(W) x 8.3"(H)
Weight - 154.3 lbs

4. ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are included in the product packaging. Please follow the step-by-step guide carefully. It is recommended to have two people for assembly.

- Unpack all components and verify against the parts list.
- Lay out all hardware and panels on a clean, soft surface to prevent scratches.
- Follow the numbered steps in the provided manual for sequential assembly.
- Ensure all screws and fasteners are tightened securely, but do not overtighten.
- Attach anti-tip hardware to a wall stud for safety.

5. OPERATING INSTRUCTIONS

The mopio Blake Tall Display Cabinet is designed for versatile storage and display.

5.1 Adjustable Shelves

The cabinet features adjustable shelves, allowing you to customize the storage space to fit items of various heights.

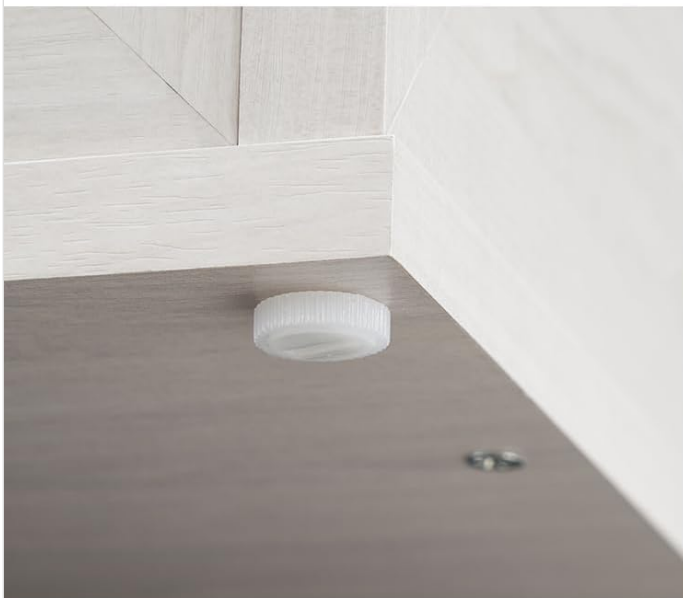

- To adjust a shelf, carefully remove any items from the shelf.
- Lift the shelf slightly and pull it out from its current position.
- Reinsert the shelf into the desired set of pre-drilled holes, ensuring it is level and securely seated on all four support pins.

Organized storage, clutter-free space

Adjustable shelves, customized storage

Level footing, stable foundation

Grounded heavy base for enhanced stability

Image: Visual demonstration of adjustable shelves for customized storage, along with details on level footing and the cabinet's stable, grounded heavy base.

5.2 Door Operation

The cabinet is equipped with two doors featuring scratch-resistant acrylic panels and brass handles.

- Gently pull the brass handles to open the doors.

- Push the doors firmly to close them. Ensure they are fully closed to protect contents.

6. MAINTENANCE

Proper care will extend the life and appearance of your cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish or acrylic panels.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Spills:** Clean spills immediately to prevent staining.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Acrylic Panels:** Use a soft cloth and a mild, non-abrasive cleaner specifically designed for acrylic to clean the door panels. Do not use glass cleaner.

7. TROUBLESHOOTING

If you encounter any issues with your mopio Blake Tall Display Cabinet, refer to the following common solutions.

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Uneven floor; loose fasteners.	Adjust the levelers on the base of the cabinet until stable. Ensure all assembly fasteners are tight.
Doors do not align or close properly.	Hinges are not adjusted correctly; cabinet is not level.	Refer to the assembly manual for hinge adjustment instructions. Ensure the cabinet is level.
Scratches on acrylic panels.	Improper cleaning or abrasive contact.	Use only soft cloths and acrylic-specific cleaners. For minor scratches, specialized acrylic scratch removal kits may be used.

If the problem persists, please contact mopio customer support for further assistance.

8. WARRANTY & SUPPORT

The mopio Blake Tall Display Cabinet comes with a **1-year warranty** from the date of purchase, covering manufacturing defects. For warranty claims, missing parts, or technical support, please contact mopio customer service through the retailer where the product was purchased or visit the official mopio website.

Please retain your proof of purchase for warranty validation.
