PRODUCT FEATURES

- **Large Storage Capacity:** Includes a monitor stand, under-desk storage hooks, a CPU stand, two open shelves, and four fabric drawers for efficient organization of office supplies, files, and personal items. The monitor stand height is adjustable for ergonomic comfort.
- **Integrated Power Solutions:** Equipped with two AC power sockets and two USB charging ports, allowing convenient charging for multiple devices simultaneously.
- **Immersive LED Lighting:** Features 10 colors and 10 lighting modes to create a dynamic atmosphere. The LED lighting includes a memory function, retaining the last setting upon reactivation.
- **Reversible L-Shaped Design:** Maximizes space utilization and can be configured to fit various room layouts, suitable for bedrooms, living rooms, offices, and gaming rooms.
- **Durable Construction:** Made from engineered wood with metal legs, supporting a maximum weight capacity of 130KG.

SETUP AND ASSEMBLY

The ODK L Shaped Desk is designed for straightforward assembly. Please follow the detailed instructions provided in the packaging. All components are clearly labeled to facilitate the process.

1. **Unpack Components:** Carefully unpack all parts and verify against the parts list in the assembly guide.

2. **Identify Reversible Configuration:** Decide on the desired L-shape orientation (left or right) before beginning assembly, as the desk is reversible.
3. **Follow Step-by-Step Instructions:** Assemble the desk by following the numbered steps in the included manual. Ensure all screws and fasteners are securely tightened.
4. **Install Drawers and Accessories:** Once the main frame is assembled, install the fabric drawers, monitor stand, and any other accessories like the headphone hooks.

Power Outlets and USB Charging Ports

The desk includes a built-in power strip for easy access to power.

- **AC Outlets:** Two standard AC power sockets (110-240V/10A) are available for plugging in monitors, laptops, or other electronics.
- **USB Ports:** Two USB charging ports (5V/2A) are provided for charging smartphones, tablets, gaming devices, and other USB-powered accessories.

Adjustable Monitor Stand

The monitor stand can be adjusted to different heights to suit your ergonomic needs.

- Refer to the assembly instructions for specific steps on adjusting the monitor stand height.
- Adjusting the height can help reduce neck and back strain during prolonged use.

MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your ODK L Shaped Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Dusting:** Regularly dust all surfaces, including the LED strips and power outlets, to prevent accumulation.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Cable Management:** Keep cables organized to prevent tangling and potential damage to the power outlets or connected devices.

TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not illuminating.	Power cable disconnected; LED strip damaged; control unit malfunction.	Ensure the power cable for the LED system is securely plugged into a working outlet. Check connections to the LED strip and control unit. If issues persist, contact customer support.

Problem	Possible Cause	Solution
Power outlets/USB ports not working.	Desk power cable disconnected; circuit breaker tripped; internal wiring issue.	Verify the main power cable for the desk's power strip is fully inserted into a live wall outlet. Check your home's circuit breaker. Avoid overloading the outlets. If still no power, contact customer support.
Desk feels unstable or wobbly.	Loose assembly screws; uneven floor.	Re-tighten all assembly screws, especially those connecting the frame and desktop. Use the adjustable feet (if present) to level the desk on uneven surfaces.
Drawers do not slide smoothly.	Improper installation; obstruction.	Ensure the fabric drawers are correctly inserted into their slots. Check for any items obstructing the drawer's path.
