Fszdorj F098 (2-F098-D)

Fszdorj 20-inch Ceiling Fan with Light User Manual

Model: F098 (2-F098-D)

1. INTRODUCTION

Thank you for choosing the Fszdorj 20-inch Ceiling Fan with Light. This manual provides essential information for the safe installation, operation, and maintenance of your new ceiling fan. Please read this manual thoroughly before installation and keep it for future reference.

Image: The Fszdorj 20-inch Ceiling Fan with Light, showcasing its modern design and integrated lighting. The image also displays the remote control and a smartphone screen with the control app.

2. SAFETY INFORMATION

Always follow basic safety precautions when installing and operating electrical appliances to reduce the risk of fire, electric shock, and personal injury.

- **Electrical Safety:** Ensure the power is turned off at the circuit breaker before installation or maintenance. All wiring must be in accordance with national and local electrical codes.
- **Mounting:** The mounting structure must be capable of supporting the weight of the fan (approximately 8 pounds).
- **Blade Clearance:** Ensure there is adequate clearance between the fan blades and any obstacles.
- **Professional Installation:** If you are unsure about the installation process, consult a qualified electrician.
- **Indoor Use Only:** This fan is designed for indoor use only. Do not expose to water or high humidity.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation. If any parts are missing or damaged, contact customer support.

- Ceiling Fan Unit (with integrated LED light)
- Remote Control
- Mounting Hardware Kit
- User Manual

4. SPECIFICATIONS

Product Specifications

Rated Voltage	110–120V
Rated Power	80 Watts
Memory Function	Wall Switch and Remote
Suitable Area	± 20m ²
Brightness	3200 LM

Image: A table detailing the product specifications, including dimensions, voltage, and power.

Feature	Specification
Brand	Fszdorj
Model Name	F098 (2-F098-D)
Color	Black F098
Size	20 INCH (19.7"L x 19.7"W x 5.7"H)
Material	Acrylic, Iron Frame
Rated Voltage	110-120 Volts
Rated Power	80 Watts
Light Source Type	LED
Brightness	Up to 8000 lumens
Color Temperature	3000K (Warm) to 6500K (Cool White)
Fan Speeds	6 adjustable speeds
Control Method	App (Bluetooth), Remote Control
Motor Type	Quiet DC Motor
Special Features	Stepless Dimming, Adjustable Color Temperature, Night Light Function, Reversible Airflow, Memory Function, Timer Function
Installation Type	Flush Mount
Item Weight	8 Pounds

5. SETUP AND INSTALLATION

- This ceiling fan is designed for easy installation. Follow these general steps. Refer to the included user manual for detailed diagrams and specific instructions.
- Turn Off Power:** Before starting, ensure the power supply to the installation location is turned off at the circuit breaker.
 - Prepare Mounting Location:** Ensure the electrical box is securely mounted to the building structure and can support the fan's weight.
 - Install Mounting Bracket:** Attach the mounting bracket to the electrical box using the provided screws.
 - Connect Wiring:** Carefully connect the fan's electrical wires to the household wiring according to the wiring diagram in your specific manual. Ensure all connections are secure.
 - Mount Fan Unit:** Secure the fan unit to the mounting bracket.

6. **Test Functionality:** Restore power and test all fan and light functions using the remote control or app.

6. OPERATING INSTRUCTIONS

Your Fszdorj ceiling fan can be controlled via the included remote control or a dedicated smartphone application (Bluetooth connection required).

6.1. Remote Control & App Operation

Image: Visual representation of the ceiling fan's features, including App & Remote Control, Steepless Dimming, Night Light Function, Adjustable Color Temperature, Timer, 6-Speed Fan, and Low Noise operation.

The remote control and app provide comprehensive control over the fan and light functions. The remote control's beep noise has been cancelled for a quieter experience.

- **Power On/Off:** Use the dedicated power buttons for the fan and light.
- **Pairing (App):** Scan the QR code provided in the physical manual or on the product packaging to download the

app. Follow in-app instructions to pair your device via Bluetooth.

6.2. Lighting Functions

Please watch the video for upgraded features

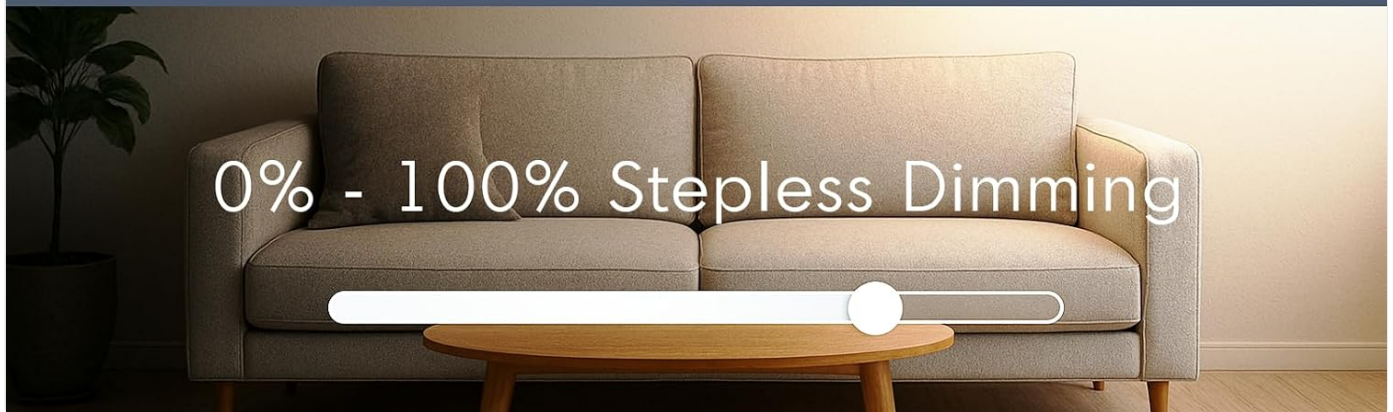

Image: Demonstrates the adjustable brightness and color temperature settings of the LED light, ranging from 6500K (Brightness) to 3000K (Warm) and 4500K (Natural), with a stepless dimming slider.

- **Stepless Dimming:** Adjust the brightness from 10% to 100% using the remote or app.
- **Color Temperature Adjustment:** Change the light color from warm white (3000K) to cool white (6500K). Natural white (4500K) is also available.
- **Memory Function:** The fan remembers your last light settings (brightness and color temperature) when turned off and restores them upon next power-on.
- **Night Light:** The fan features a standalone night light with independent control. Select from three preset colors: violet, warm blue, and soft warm. This function allows for mixing and matching colors with the main light.

Independent Control Night Light

Warm Light

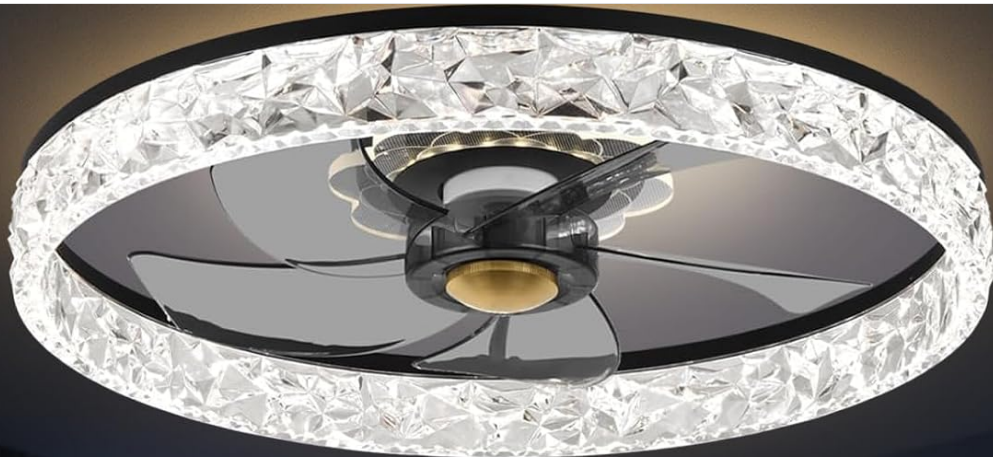

Violet

Calming Blue

Image: Illustrates the independent night light feature with three distinct color options: Warm Light, Violet, and Calming Blue.

6.3. Fan Functions

6-Speed Soft & Quiet Wind

**Remote beep noise
cancelled**

Low Noise

Timer

**Adjustable
Wind Speed**

Soft Wind

Image: Highlights the quiet operation of the fan (below 30 dB(A)) and its 6-speed settings, along with timer and adjustable wind speed features.

- **6 Fan Speeds:** Choose from 6 adjustable fan speeds to customize airflow to your comfort needs.
- **Quiet DC Motor:** The pure copper silent DC motor ensures quiet, smooth, and stable airflow, operating below 30 dB(A).
- **Reversible Airflow:** The fan features two airflow modes:
 - **Downdraft (Summer Mode):** Creates a cooling breeze.
 - **Updraft (Winter Mode):** Enhances air circulation to distribute warm air.

Image: Illustrates the two airflow modes: Summer Downdraft Flow (blue arrows) for cooling and Winter Updraft Flow (orange arrows) for air circulation.

6.4. Timer Function

Set a timer for the fan to automatically turn off after a specified duration. Refer to the remote control or app interface for available timer settings.

7. CARE AND MAINTENANCE

Regular maintenance helps ensure the longevity and optimal performance of your ceiling fan.

- **Cleaning:** Before cleaning, ensure the power is turned off at the circuit breaker. Use a soft, damp cloth to wipe down the fan and light fixture. Do not use abrasive cleaners or solvents.
- **Dusting:** Regularly dust the fan blades and light cover to prevent dust buildup, which can affect performance and light output.

- **Tighten Screws:** Periodically check and tighten all screws on the fan and mounting bracket to ensure secure operation.
- **No Lubrication Needed:** The DC motor is permanently lubricated and does not require additional oiling.

8. TROUBLESHOOTING

If you encounter issues with your ceiling fan, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Fan does not operate	No power supply Loose wiring connection Remote control battery low	Check circuit breaker and wall switch Verify all wiring connections are secure (power off first) Replace remote control batteries
Light does not turn on	No power supply Loose wiring connection LED module issue	Check circuit breaker and wall switch Verify all wiring connections are secure (power off first) Contact customer support if LED module is faulty
Fan makes excessive noise	Loose screws Improper installation	Check and tighten all screws on the fan and mounting bracket Ensure fan is securely mounted and balanced
Remote control not working	Battery low/dead Not paired correctly	Replace batteries Refer to pairing instructions in the full manual or app

If the problem persists after attempting these solutions, please contact Fszdorj customer support.

9. WARRANTY AND SUPPORT

Fszdorj provides support for your ceiling fan product.

- **Warranty:** This product comes with a 2-year warranty on all parts.
- **Customer Support:** If you have any questions, require assistance, or encounter any issues with the product, please contact the Fszdorj after-sales team.
