BODYFORM Ultra-Thin Pads with Wings

BODYFORM Ultra-Thin Pads with Wings Instruction Manual

Model: Ultra-Thin Pads with Wings

[Overview](#) [Usage Instructions](#) [Disposal](#) [Specifications](#)

1. PRODUCT OVERVIEW

The BODYFORM Ultra-Thin Pads with Wings are designed for feminine hygiene, offering regular absorbency and discreet protection. Each pad features a soft top layer for comfort and wings for a secure fit. These pads are individually wrapped for hygiene and convenience, making them suitable for various settings.

2. USAGE INSTRUCTIONS

Follow these steps for proper application of the BODYFORM Ultra-Thin Pad:

1. **Unwrap the pad:** Remove the pad from its individual wrapper.
2. **Position the pad:** Place the adhesive side down onto your underwear, ensuring the pad is centered.
3. **Secure the wings:** Fold the wings around the underside of your underwear and press them firmly to secure the pad in place.
4. **Change as needed:** It is recommended to change the pad every 4-6 hours, or more frequently depending on your flow.

Image 2.1: Visual guide for easy application and disposal of the pad.

3. DISPOSAL INSTRUCTIONS

To dispose of a used pad:

- Wrap the used pad in tissue paper or toilet paper.
- Place the wrapped pad in a trash receptacle.
- **Do not flush** pads down the toilet, as this can cause plumbing issues.
