AODK 55

AODK 55 Inch Computer Desk Instruction Manual

Model: 55 | Brand: AODK

1. PRODUCT OVERVIEW

The AODK 55 Inch Computer Desk is designed to provide a functional and organized workspace. It features a spacious desktop, integrated storage solutions, convenient power outlets, and ambient LED lighting to enhance your productivity and comfort.

Figure 1.1: Overview of the AODK 55 Inch Computer Desk, showcasing its design and features.

Key Features:

- **Ample Storage Space:** Includes 3 drawers, 2 file drawers, a printer cabinet, a 2-tier under bookshelf, and a computer tower stand for comprehensive organization.
- **Customizable Ambient Lighting:** Built-in LED strip lighting with multiple modes and color variations to suit your preference.
- **Convenient Charging & Monitor Stand:** Features 3 standard plug outlets and 2 USB ports for device charging, along with a long monitor stand for ergonomic viewing and additional storage.
- **Extra Large Desktop & High Stability:** A 39.4-inch main desktop provides generous workspace, supported by a sturdy metal frame and high-quality MDF board for durability.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using the desk to prevent injury or damage.

- Do not exceed the weight limit of 150 lbs (68 kg) on the desktop.
- Ensure the desk is properly anchored to the wall if recommended by the assembly instructions to prevent tipping, especially in households with children or pets.
- Keep electrical cords and devices away from water or damp environments.
- Do not overload electrical outlets. Use only grounded outlets and avoid using extension cords unless absolutely necessary and rated for the load.

- Keep small parts and packaging materials away from children to prevent choking hazards.

3. SETUP AND ASSEMBLY

The AODK Computer Desk is designed for easy assembly. It is recommended to have two people for assembly, although it can be completed by one person. Please ensure all parts are present before beginning assembly.

- Unpack all components and verify against the parts list provided in your physical instruction manual.
- Lay out all hardware and tools in an organized manner.
- Follow the step-by-step illustrated instructions in the included manual. Pay close attention to the numbering of parts.
- An assembly video may also be available on the product page for additional guidance.

4. OPERATING INSTRUCTIONS

This section details how to utilize the various features of your AODK Computer Desk.

4.1. LED Lighting System

The desk is equipped with built-in LED strip lighting to provide ambient illumination. The lighting system typically includes a controller to adjust colors and lighting modes.

- Connect the LED strip power cable to a suitable power source as indicated in the assembly manual.

- Use the provided remote control or integrated button (if applicable) to turn the lights on/off, change colors, and select different lighting effects.
- Refer to the specific LED controller instructions for detailed operation.

Figure 4.1: The RGB LED lighting strips offer various lighting modes and color variations.

4.2. Power Outlets and USB Ports

The integrated power strip provides convenient access to electrical outlets and USB charging ports directly on your desk.

- Plug the desk's main power cord into a grounded wall outlet.
- Use the 3 standard AC outlets (120V/12A) for laptops, monitors, and other electronics.
- Use the 2 USB ports (5V/2A) to charge smartphones, tablets, and other USB-powered devices.
- Avoid exceeding the maximum power rating of the integrated power strip.

4.3. Storage Solutions

The desk offers various storage options to keep your workspace tidy and organized.

- **Drawers:** Utilize the 3 fabric drawers for storing office supplies, stationery, and personal items.
- **File Cabinets:** The two file drawers are designed to accommodate letter and A4 size files, helping you organize documents efficiently.
- **Printer Cabinet:** A dedicated space is provided for your printer, keeping it off the main desktop.
- **Under Bookshelf & CPU Stand:** Use the 2-tier bookshelf for books or decorative items, and the CPU stand to keep your computer tower off the floor.

Figure 4.4: Detailed view of the large file cabinets, designed for letter and A4 size files.

Figure 4.5: The three fabric drawers help keep office supplies tidy and easily accessible.

4.4. Monitor Stand

The full-size monitor stand elevates your screens to an ergonomic height, promoting better posture and reducing neck strain.

- Place your monitors directly on the stand.
- The space underneath the monitor stand can be used for additional storage of small items or to tuck away keyboards when not in use.

Figure 4.6: The full-size monitor stand provides an ergonomic viewing angle.

5. MAINTENANCE AND CARE

Proper maintenance will ensure the longevity and appearance of your AODK Computer Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Heat and Moisture:** Avoid placing hot items directly on the desktop. Use coasters for drinks to prevent water rings.
- **Fasteners:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.
- **LED Strips:** Handle LED strips and their connections with care. Do not pull or bend them excessively.

6. TROUBLESHOOTING

This section provides solutions to common issues you might encounter.

6.1. Stability Issues

- **Desk wobbles:** Ensure all screws and bolts are securely tightened. Check that the desk is on a level surface. Adjust any leveling feet if present.
- **Uneven surface:** If the floor is uneven, place shims under the desk legs or adjust the leveling feet until stable.

6.2. LED Lights Not Working

- **No power:** Check if the LED strip power cable is securely plugged into the power adapter and the adapter into a

working wall outlet.

- **Remote not responding:** Ensure the remote control's battery is functional and that there are no obstructions between the remote and the LED receiver.

6.3. Power Outlets/USB Ports Not Functioning

- **No power:** Verify that the desk's main power cord is fully inserted into a working wall outlet.
- **Overload:** If too many devices are connected, the integrated circuit breaker might have tripped. Unplug some devices and reset the power by unplugging and replugging the desk's main cord.

If you encounter issues not covered here, or if your AODK desk arrives damaged, missing parts, or scratched, please contact our professional customer support team for assistance. They are available to help solve problems within 24 hours.

7. SPECIFICATIONS

Feature	Specification
