## EnHomee King Beige

# EnHomee King Bed Frame User Manual

Model: King Beige | Brand: EnHomee

## INTRODUCTION AND OVERVIEW

This manual provides detailed instructions for the assembly, operation, and maintenance of your EnHomee King Bed Frame. Designed for comfort and convenience, this bed frame features an upholstered headboard with integrated storage, LED lighting, a built-in charging station, and four spacious under-bed storage drawers.

Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## SETUP AND ASSEMBLY

The EnHomee King Bed Frame is designed for straightforward assembly. It is recommended that two people assemble the bed frame, which typically takes approximately 40 minutes. All necessary tools and hardware are included. The bed frame utilizes a convenient velcro design for slat attachment, simplifying the process.

### Package Contents:

Your bed frame will arrive in two packages of different sizes. Please ensure all components are present before starting assembly. Refer to the included parts list in your separate assembly guide for verification.

### Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Follow the step-by-step instructions provided in the separate assembly manual. Pay close attention to diagrams and part numbers.
3. Assemble the main frame components, ensuring all bolts and fasteners are securely tightened.
4. Attach the wooden slats using the velcro strips provided. Ensure slats are evenly spaced and firmly secured.
5. Assemble and insert the storage drawers into their designated compartments.
6. Connect the power cord for the charging station and LED lights to a suitable power outlet.

## OPERATING INSTRUCTIONS

### Headboard Storage and Charging Station:

The upholstered headboard features two drawers and two open shelves, providing convenient storage for personal

items such as books, cell phones, and alarm clocks. The integrated charging station includes 2 AC outlets (125V/12A), 1 Type-C USB port, and 1 standard USB port (5V/2A), allowing you to charge electronic devices easily from your bed. The power cord for the charging station is 6.7 feet long.

### LED Lighting System:

The bed frame is equipped with RGB LED lights, offering a variety of colors and modes to customize your bedroom ambiance. The lights can be controlled via an iOS/Android application, providing access to over 20 colors, timing functions, music mode, and microphone mode for dynamic lighting effects.

### Under-Bed Storage Drawers:

The four large under-bed storage drawers are designed to maximize space efficiency. Each drawer is equipped with wheels for effortless pulling and pushing, protecting your floor from scratches. These drawers provide ample space for storing various items, helping to keep your bedroom tidy.

## CARE AND MAINTENANCE

- **Cleaning the Upholstered Headboard:** For general cleaning, gently vacuum the upholstered fabric to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Frame Care:** Wipe the metal frame components with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Drawer Maintenance:** Periodically check the drawer wheels for any debris that might hinder smooth operation. Clean as needed.
- **Electrical Components:** Ensure the charging station and LED light connections are secure. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.

- **Regular Checks:** Periodically check all bolts and fasteners to ensure they remain tight. Re-tighten if necessary to maintain the bed frame's stability and prevent noise.

## TROUBLESHOOTING

### Common Issues and Solutions

Problem	Possible Cause	Solution
Bed frame is squeaking or unstable.	Loose bolts or fasteners; uneven assembly.	Ensure all bolts are tightened securely. Re-check assembly steps to confirm correct installation. The frame is fitted with EVA soundproofing strips to prevent friction noise.
LED lights are not working.	Power connection issue; app control problem.	Verify the power cord is securely plugged into both the bed frame and a working wall outlet. Check the app connection and settings.

Problem	Possible Cause	Solution
Charging station is not providing power.	Power connection issue; device compatibility.	Confirm the bed frame is plugged into a live outlet. Test with different devices and cables. Ensure devices are compatible with the charging station's output.
Storage drawers are difficult to open/close.	Obstruction in the track; debris on wheels; overloaded drawer.	Check for any items blocking the drawer path. Clean wheels and tracks. Reduce the weight or volume of items in the drawer.

## SPECIFICATIONS

Feature	Detail
Model	King Beige
Product Dimensions (L x W x H)	88" x 78" x 47.2"
Item Weight	150 pounds
Maximum Weight Capacity	900 lbs
Recommended Mattress Thickness	8" - 12"
