ROBOTIME RBT-AF021

ROBOTIME 3D Puzzle Flower Lavender Rose (Model AF021) Instruction Manual

Brand: ROBOTIME | Model: RBT-AF021

PRODUCT OVERVIEW

The ROBOTIME 3D Puzzle Flower Lavender Rose (Model AF021) allows you to create a beautiful artificial flower bouquet. This kit features a stunning Monet purple rose at its center, complemented by delicate lily of the valley and night fragrance accents.

Designed for a fun crafting activity, this puzzle enhances your living space with a beautiful decorative piece and serves as a thoughtful gift. It consists of 54 pieces and can be completed in approximately 40 minutes, making it suitable for beginners in 3D puzzles.

The finished bouquet model measures 90mm * 90mm * 280mm. Its classic design and cream tones integrate seamlessly into various decorative themes, adding elegance and charm to any setting.

ASSEMBLY INSTRUCTIONS

Follow these general guidelines and refer to the detailed instruction book for step-by-step assembly of your 3D flower puzzle.

General Assembly Tips:

- **Review the Manual:** Before starting, carefully read through the entire instruction book to familiarize yourself with the steps and components.
- **Identify Parts:** Use the provided part list and illustrations to identify each piece. Parts are typically organized by color and shape.
- **Handle with Care:** The plastic components are delicate. Handle them gently to avoid bending or breaking.
- **Follow Sequence:** Assemble the puzzle strictly following the numbered steps in the instruction book. Do not skip steps.
- **Secure Connections:** Ensure all pieces are firmly connected. If a connection feels loose, re-examine the illustration to confirm correct placement.

- **Estimated Time:** The assembly is designed to take approximately 40 minutes. Take your time and enjoy the process.

SPECIFICATIONS

Feature	Detail
Product Dimensions	11 x 3 x 0.1 inches
Item Weight	9.1 ounces
ASIN	B0DS1CXWJT
Item Model Number	RBT-AF021
Manufacturer Recommended Age	14 years and up
Manufacturer	ROBOTIME

MAINTENANCE

To ensure the longevity and appearance of your ROBOTIME 3D Puzzle Flower, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the assembled model with a dry, soft cloth to remove dust. Avoid using abrasive cleaners, solvents, or excessive moisture, as these can damage the plastic components or colors.
- **Handling:** Always handle the finished bouquet with care. Avoid dropping it or applying excessive force, which could cause parts to detach or break.
- **Storage:** Store the model in a cool, dry environment away from direct sunlight. Prolonged exposure to sunlight can cause colors to fade and materials to degrade over time.

TROUBLESHOOTING

If you encounter any issues during assembly or with your finished product, please refer to the following common troubleshooting tips:

- **Missing or Damaged Parts:** If you find any parts missing or damaged upon opening your kit, please contact ROBOTIME customer support immediately for assistance.
- **Difficulty Assembling:** Carefully re-read the instruction book and cross-reference the illustrations with your current step. Ensure all pieces are correctly identified and oriented. Sometimes, a slight adjustment or re-evaluation of the step can resolve the issue.
- **Loose Connections:** If assembled parts feel loose, gently press them together to ensure they are fully seated. If a part repeatedly comes loose, a small amount of non-toxic craft glue (not included) can be used for a more permanent bond, applied sparingly.

WARRANTY INFORMATION

This ROBOTIME product is covered by the manufacturer's standard warranty. For detailed information regarding warranty terms, conditions, and duration, please visit the official ROBOTIME website or contact their customer support directly. Keep your proof of purchase for any warranty claims.
