Specifications

Model Number	W31

Dimensions	6.34 x 3.7 x 1.89 inches
Item Weight	4 ounces
Input Voltage	15 Volts
Wattage	30 Watts
Connectivity Technology	USB Type C
Color	Black
Special Features	Fast Charging, Lightweight Design, MagSafe Compatible, Multi-Device Charging, Wireless Charging

Setup Guide

1. **Unpack:** Carefully remove all components from the packaging.
2. **Connect Power:** Insert the USB-C end of the provided cable into the charging station's USB-C port. Connect the other end of the cable to the included 30W power adapter.
3. **Plug In:** Plug the power adapter into a wall outlet. The indicator lights on the charging station will illuminate briefly, indicating it is powered on and ready for use.
4. **Unfold (if necessary):** Gently unfold the charging station to its desired configuration for charging your devices. The phone charging pad can be angled upwards, and the Apple Watch charging module can be elevated or flattened.

Operating Instructions

Charging Your iPhone (MagSafe Compatible)

Place your iPhone (12-16 series or newer with MagSafe compatibility) onto the main charging pad. The magnetic alignment will snap your iPhone into place, ensuring optimal charging. The charging indicator on your iPhone screen will confirm charging has begun. For best results, use an iPhone with a MagSafe case or no case.

Image: iPhone charging on the main pad.

Charging Your Apple Watch

The Apple Watch charging module can be used in two ways:

- **Elevated Mode:** For Apple Watches with non-detachable bands, gently pull up the watch charging module until it locks into an upright position. Place your Apple Watch onto the magnetic charging disc.
- **Flat Mode:** For Apple Watches with detachable bands, the module can remain flat. Place your Apple Watch onto the

magnetic charging disc.

Ensure the watch is properly aligned for charging to begin. A charging icon will appear on your Apple Watch screen.

Charging Your AirPods

Place your AirPods (with wireless charging case) onto the designated flat charging area at the base of the station. The charging indicator on your AirPods case will light up to confirm charging.

Care and Maintenance

- Keep the charging station away from water, moisture, and extreme temperatures.

- Clean the surface with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid dropping or subjecting the device to strong impacts.
- When not in use, store the charger in a cool, dry place, ideally folded for protection.

Troubleshooting

Problem	Possible Solution
Device not charging.	◦ Ensure the charging station is properly connected to the power adapter and wall outlet. ◦ Verify the device is correctly aligned on the charging pad. ◦ Remove any thick or non-MagSafe compatible cases from your iPhone. ◦ Ensure your device supports wireless charging.
Slow charging.	◦ Ensure you are using the included 30W adapter and USB-C to USB-C cable. ◦ Avoid using your device while it is charging. ◦ Ensure proper alignment on the charging pad.
Overheating during charging.	◦ Remove the device from the charger immediately. ◦ Ensure proper ventilation around the charger and device. ◦ If overheating persists, discontinue use and contact customer support.

Safety Information

- Do not disassemble, modify, or repair the device.
- Do not expose to fire, water, or corrosive liquids.
- Keep out of reach of children.
- Use only the provided power adapter and cable.
- Avoid placing metal objects or foreign materials on the charging pads.

Warranty and Support

INIU provides an industry-leading **3-year care warranty** and lifetime technical support for this product. For any questions, issues, or support needs, please contact INIU customer service through their official website or the platform where you purchased the product.
