Canupdog 15.6 Inch Digital Calendar Wall Planner

Canupdog 15.6 Inch Digital Calendar Wall Planner User Manual

Model: 15.6 Inch Digital Calendar Wall Planner

1. INTRODUCTION

This manual provides detailed instructions for setting up, operating, and maintaining your Canupdog 15.6 Inch Digital Calendar Wall Planner. This innovative smart family calendar combines the functionalities of a digital calendar and planner with the added benefit of a digital picture frame. It features a monthly, daily, and weekly view and includes chores and to-do lists. The intuitive touchscreen interface simplifies scheduling and viewing of each family member's tasks and plans, facilitating easy organization and management of daily activities.

2. PACKAGE CONTENTS

Ensure all items are present in the package:

- Canupdog 15.6 Inch Digital Calendar Unit
- Power Adapter
- Desk Stand
- Wall Mount Hardware

- User Manual
- Warranty Card

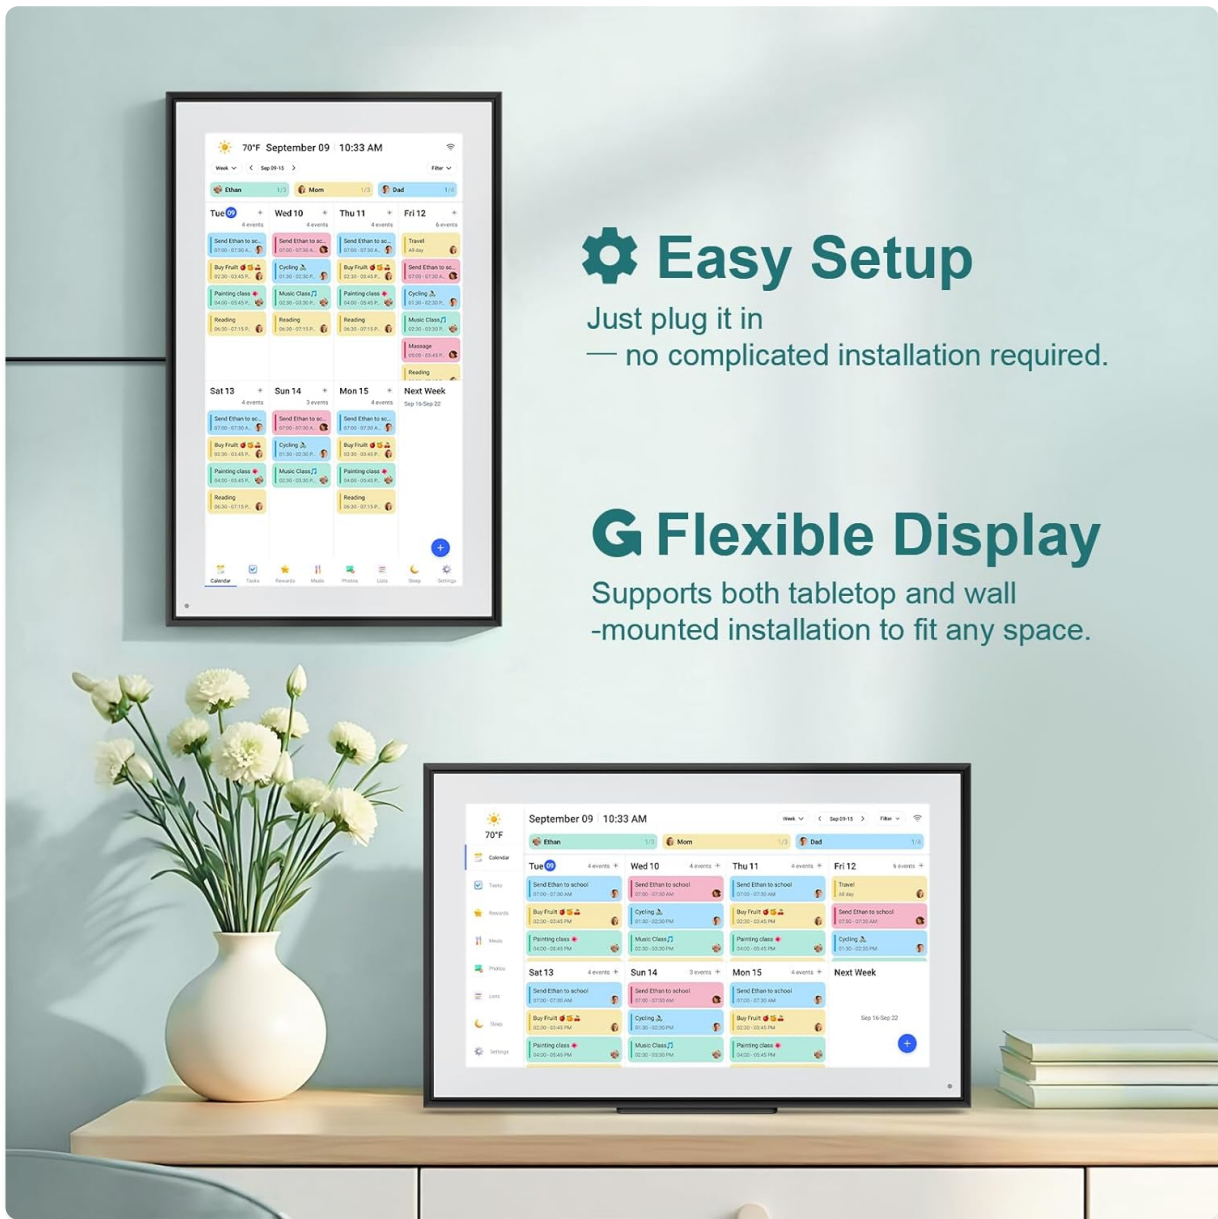

3. SETUP

3.1 Initial Power-On

1. Plug the power adapter into the device and a power outlet.
2. The device will power on automatically.
3. Follow the on-screen prompts to select your preferred language.
4. Connect the device to your Wi-Fi network.

3.2 Account Registration & Calendar Synchronization

1. Download the companion mobile application to your smartphone.
2. Register for an account within the app.
3. On the digital calendar, choose your time zone and city.
4. Enter the 6-digit activation code displayed on the calendar screen into the mobile app to link your device.
5. Sync your existing calendars (iCloud Calendar, Google Calendar, Outlook Calendar, Cozi, Yahoo) through the mobile app. Events will automatically populate and sync across all platforms.

Easy Setup

Just plug it in
— no complicated installation required.

Flexible Display

Supports both tabletop and wall-mounted installation to fit any space.

Figure 2: The digital calendar supports both tabletop and wall-mounted installations for flexible placement.

3.3 Mounting Options

The Canupdog Digital Calendar offers versatile placement options:

- **Desk Stand:** Use the included stand to place the calendar on any flat surface, such as a kitchen counter or desk.
- **Wall Mount:** Utilize the provided wall mount hardware to securely attach the calendar to a wall. The power cord is designed to exit from the side, allowing for a flush wall mount.

4. OPERATING INSTRUCTIONS

4.1 Interface Navigation

The device features a responsive HD touchscreen for easy interaction.

- **Touch & Swipe:** Navigate through menus and calendar views by touching and swiping on the screen.
- **Orientation:** The display automatically adjusts between vertical and horizontal orientations based on how the device is positioned.

4.2 Calendar Views

Access different views of your schedule:

- **Day View:** Displays events and tasks for the current day.
- **Week View:** Shows a comprehensive overview of the current week's schedule.
- **Month View:** Provides a traditional monthly calendar layout.

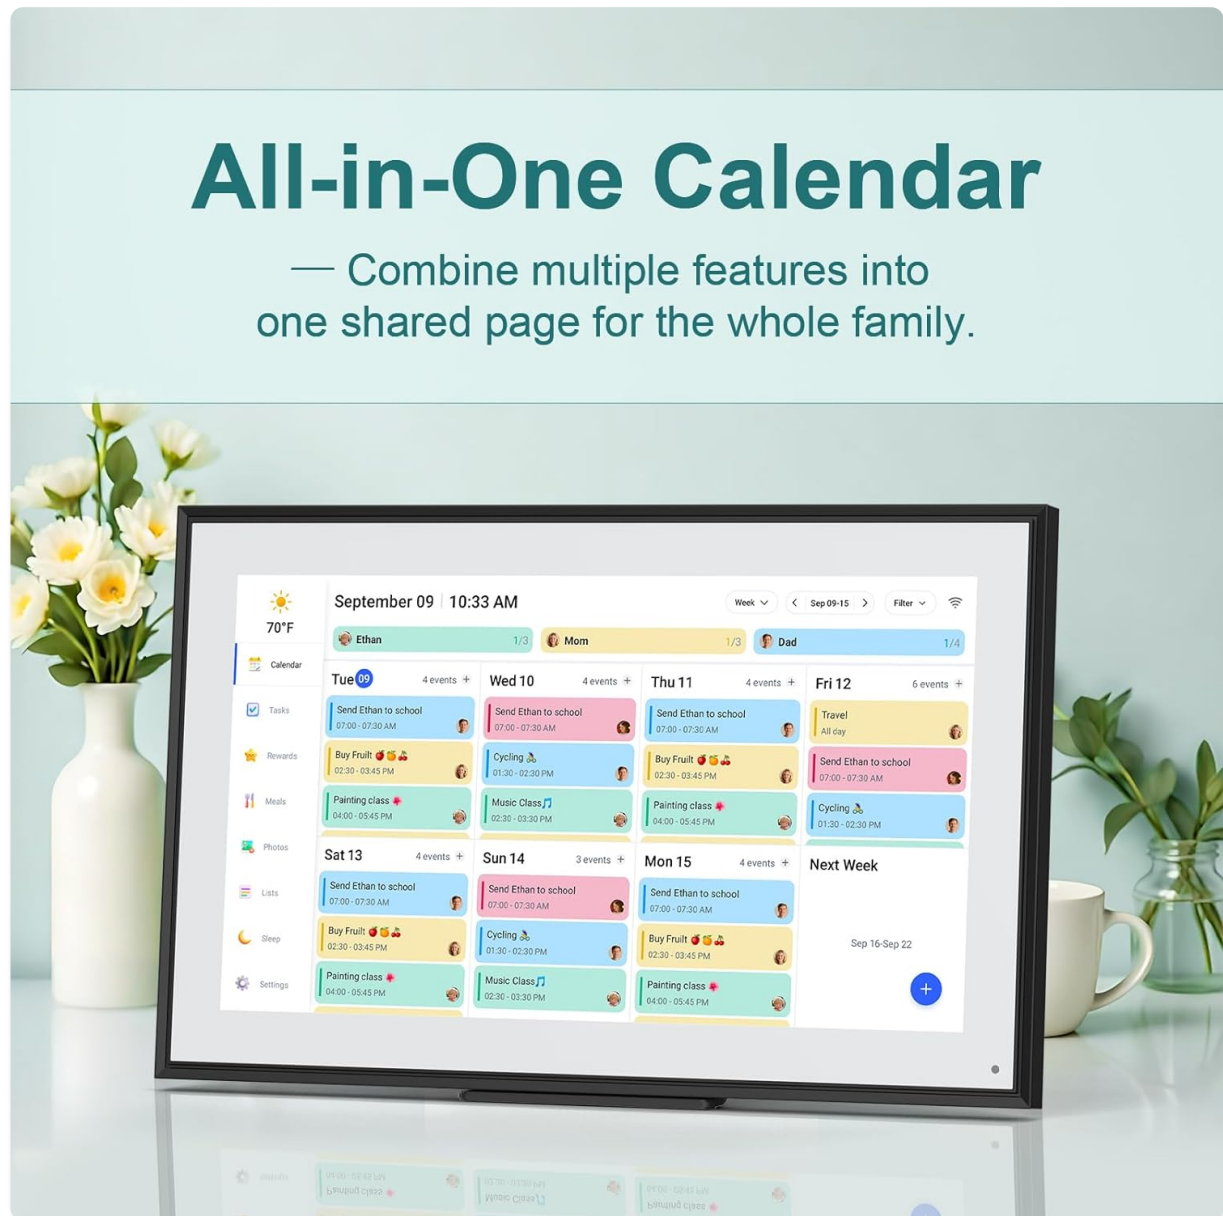

Figure 3: The digital calendar combines multiple features into one shared page for the whole family.

4.3 Event Management

Add and manage events directly on the device or via the mobile app:

1. Tap the '+' button on the calendar screen or in the mobile app.
2. Enter event details such as title, date, time, and participants.
3. Save the event. It will automatically sync across linked calendars.

Seamlessly Auto-Syncs Your Calendar

Figure 4: The calendar seamlessly auto-syncs with popular services like Google, Outlook, iCloud, Yahoo, and Cozi.

4.4 Task & Chore Chart

Organize daily tasks and chores for family members:

1. Navigate to the 'Chores' section.
2. Tap the '+' button to add a new chore.
3. Name the chore and assign it to specific family members.
4. Set up rewards for completed tasks to motivate participation.

Digital Picture Frame

— Share life's moments instantly with loved ones, anytime, anywhere.

Figure 6: The digital calendar doubles as a digital picture frame with 32GB storage for photos and videos.

4.7 Lists

Create and manage various lists:

1. Access the 'Lists' feature.
2. Create new lists, such as grocery lists or to-do lists.
3. Add and check off items as needed.

4.8 Weather Display

View current weather conditions and forecasts:

- The calendar displays the current temperature and weather icon.
- You can configure the location for weather updates in the settings.

4.9 Sleep Mode & Brightness

Customize display settings for comfort and energy saving:

- **Sleep Mode:** Schedule specific hours for the device to automatically turn off or dim.
- **Brightness:** Adjust screen brightness manually or set it to auto-brightness for optimal viewing.

4.10 Notifications

Receive timely alerts for events and tasks:

- The device provides visual and audible notifications for upcoming events and due tasks.
- Notification settings can be customized via the mobile app.

Your browser does not support the video tag.

5. MAINTENANCE

To ensure the longevity and optimal performance of your Canupdog Digital Calendar, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the screen and frame with a soft, dry, lint-free cloth. Avoid using abrasive cleaners or solvents.
- **Placement:** Place the device in a location away from direct sunlight, excessive heat, or moisture to prevent damage.
- **Software Updates:** Ensure the device's software is kept up-to-date for new features and performance improvements. Updates are typically managed through the mobile app.

6. TROUBLESHOOTING

Refer to the following common issues and solutions:

- **How to synchronize the calendar?**
 1. Open 'Sync' in the home screen.
 2. Select 'Sync a New Calendar'.
- **How to edit Chores?**
 1. Press the '+' button in the bottom right of the 'Chores' screen to add a chore.
 2. Name the chore and assign it to as many members of the family as you would like. This will create a separate chore for each member.
 3. Press 'Save' and your chores will be created.
- **How to register an account and log in?**
 1. Turn on your eCalendar, select language, connect to Wi-Fi.
 2. Choose the time zone and city, then enter your 6-digit activation code to get started.
