INTRODUCTION

Thank you for choosing the VINGLI 26-inch Swivel Bar Stool. This manual provides essential information for safe assembly, operation, and maintenance of your new bar stool. Please read these instructions carefully before assembly and retain them for future reference.

Image: Two VINGLI 26-inch swivel bar stools in green linen fabric, positioned at a kitchen counter, showcasing their modern design and comfortable appearance.

SAFETY INFORMATION

- Avoid placing the stool near heat sources or open flames to prevent damage or fire hazards.
- Be cautious of liquids and uneven surfaces to prevent tipping or slipping. Ensure the stool is placed on a stable, level surface.
- Always assemble the stool strictly according to the provided instructions to ensure stability and safety. Improper assembly can lead to instability and potential injury.
- Do not exceed the maximum weight capacity of 300 lbs (136 kg).
- Keep small children and pets away from the assembly area.

PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Fabric Seat
- Wood Legs (4 pieces)

- Square Swivel Part
- Screw Pack (includes all necessary hardware)
- Installation Instruction Manual (this document)

ASSEMBLY INSTRUCTIONS

Assembly is designed to be quick and straightforward, typically taking about 15 minutes per stool. All necessary tools are included.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratching.
2. **Attach Swivel Mechanism:** Secure the square swivel part to the underside of the fabric seat using the provided screws. Ensure it is centered and tightened securely.
3. **Connect Legs to Swivel:** Attach the four wooden legs to the square swivel part. Make sure each leg is oriented correctly and tightened firmly.
4. **Install Footrest Ring:** Connect the circular footrest ring to the designated points on the legs. This ring provides stability and a comfortable footrest. Ensure all connections are tight.
5. **Adjust Foot Pads:** Turn the stool upright. Adjust the foot pads at the bottom of each leg to stabilize the stool on uneven floors.
6. **Final Check:** Double-check all screws and connections to ensure they are tight and secure before using the stool.

VINGLI

360° Swivel Bar Stool

Spacious Seat
Comfortable to Sit

Weight Capacity:
300LBS

Easy to Assembly

OPERATING INSTRUCTIONS

Using the Swivel Function

The VINGLI bar stool features a 360-degree smooth swivel mechanism. To use, simply rotate the seat in any direction. This allows for easy movement and engagement in conversations without needing to reposition the entire stool.

Seating Comfort

The stool is equipped with a thick, supportive cushion and an appropriately high backrest for lumbar support. The footrest bar provides additional comfort during use.

MAINTENANCE AND CARE

Cleaning the Fabric

The premium cotton-linen fabric is designed for easy cleaning and maintenance. For general cleaning, gently vacuum or brush off any loose dirt or debris. For spills, blot immediately with a clean, dry cloth. For tougher stains, use a mild fabric cleaner specifically designed for linen, following the product's instructions. Test on an inconspicuous area first.

Wood and Metal Components

Wipe wooden legs and metal footrest with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.

Regular Checks

Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.

TROUBLESHOOTING

- **Stool feels wobbly:** Ensure all screws and bolts are securely tightened. Adjust the foot pads on the bottom of the legs to compensate for uneven floor surfaces.
- **Swivel mechanism is stiff:** Check for any obstructions. If the mechanism feels dry, a small amount of silicone-based lubricant can be applied to the moving parts (avoiding fabric).
- **Squeaking noise:** Identify the source of the squeak. It is often caused by loose connections; re-tighten all screws. If it persists, a small amount of lubricant on metal-to-metal contact points may help.
- **Difficulty with assembly:** Refer back to the assembly instructions and diagrams. Ensure all parts are correctly oriented. If issues persist, contact customer support.

SPECIFICATIONS

Product Dimensions (D x W x H)	21.85" x 20.47" x 35.83"
--------------------------------	--------------------------

Seat Height	25.6 inches (approximate, based on 26" H product size and image PT07)
Seat Width	18.89 inches
Item Weight	85.1 pounds (for the set of 4)
Color	Grass Green Fabric
Frame Material	Wood
Seat Material Type	Linen
Swivel	360-degree
Weight Capacity	300 lbs (136 kg)
Model Number	G52006372
