Bellemave Full Size Floor Bed Instruction Manual

Model: TH-00094-F-N2

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bellemave Full Size Floor Bed. Designed with a Montessori approach, this bed features a low-height design, safety guardrails, and an optional door, making it suitable for children transitioning from a crib. Please read all instructions carefully before assembly and use to ensure safety and proper function.

2. IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in serious injury.

- Be cautious when opening and closing the door to prevent pinching.
- Always supervise children while using the bed.
- Assemble the bed frame strictly according to the provided instructions to ensure stability and prevent collapse.
- Ensure all fasteners are securely tightened before use and periodically check for tightness.
- Do not allow children to jump on the bed.
- Keep small parts out of reach of children during assembly.

3. PRODUCT FEATURES

- **Multi-functional Design:** Low height design allows use as a bed, play space, or reading area.
- **Montessori Bed with Fence & Door:** Features a small door with 2 hinges and a steel latch for easy entry and exit. The door can be removed if not needed.
- **Removable Slats:** Slats lift the mattress from the floor for cleanliness and air circulation. Slats can be removed to place a foam board directly on the floor.
- **Stable & Sturdy Construction:** Crafted from high-quality pine wood with plywood slats, ensuring

durability and stability.

- **Easy Assembly:** Designed for straightforward assembly with detailed instructions and all necessary accessories included. No box spring is needed.

4. PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Bed Frame Components (Side Rails, Headboard, Footboard)
- Plywood Slats
- Safety Guardrails
- Optional Door with Hinges and Latch
- Assembly Hardware (Screws, Bolts, Allen Wrench, etc.)
- Instruction Manual

5. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults and takes approximately 30-60 minutes. Follow the step-by-step instructions provided in the included manual for optimal results.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches.
2. **Assemble Bed Frame:** Connect the side rails, headboard, and footboard using the provided hardware. Ensure all connections are tight and secure.
3. **Install Slats:** Place the plywood slats evenly across the bed frame. Secure them in place as indicated in the manual.
4. **Attach Guardrails:** Securely fasten the safety guardrails to the bed frame.
5. **Install Optional Door:** If desired, attach the door using the hinges and latch mechanism. Ensure the door opens and closes smoothly and the latch functions correctly. The door can be omitted for an open access design.
6. **Final Check:** Verify that all screws and bolts are tightened, and the bed frame is stable before placing a mattress.

6. OPERATING AND USAGE

The Bellemave Full Size Floor Bed is designed for versatility and child independence.

- **Low Height Access:** The bed's low profile allows children to easily get in and out independently, fostering autonomy.
- **Optional Door Functionality:** The small door can be used to secure the child within the bed area when

needed, or left open for free movement. It can also be completely removed.

- **Multi-purpose Space:** Beyond sleeping, the bed can serve as a safe play area or a cozy reading nook during the day.

7. MAINTENANCE

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically inspect all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Wood Care:** Protect the wood from extreme temperatures and humidity. Avoid prolonged exposure to direct sunlight to prevent fading or warping.

8. TROUBLESHOOTING

- **Bed Feels Unstable:** Check all connections and ensure screws are fully tightened. Verify that the bed is on a flat, level surface.
- **Door Not Latching Properly:** Inspect hinges and latch for any obstructions or misalignment. Ensure the door is correctly installed.
- **Mattress Sinking:** Ensure the mattress is the correct size for a full-size bed. If using a thin mattress, consider adding a plywood board under the mattress for additional support, especially if the slats feel too far apart.

9. SPECIFICATIONS

Feature	Detail
---------	--------

Size	Full Size
Product Dimensions	78.2"L x 57"W x 17.5"H
Color	Natural With Door
Material	Pine Wood (Frame), Plywood (Slats)
