

## Fiety FRV9

# Fiety V9 Cordless Vacuum Cleaner Instruction Manual

## 1. INTRODUCTION

---

Thank you for choosing the Fiety V9 Cordless Vacuum Cleaner. This manual provides essential information for the safe and efficient use, maintenance, and troubleshooting of your new appliance. Please read it thoroughly before first use and keep it for future reference.

## 2. PRODUCT OVERVIEW

---

The Fiety V9 is a powerful and versatile cordless vacuum cleaner designed for various cleaning tasks. Familiarize yourself with all components before assembly.

### 2.1 Included Components

- Main Host Unit
- Telescopic Tube
- Floor Brush and Roller
- Dust Cup
- 2-in-1 Flat Brush
- Crevice Brush
- Flexible Hose
- Power Adapter
- Stainless Steel Filter
- HEPA Filter + Sponge + Scented Card
- Wall Mount and Accessories (screws, expansion nails)
- User Manual and Mini Cleaning Brush

### 3. SETUP AND ASSEMBLY

---

#### 3.1 Assembling the Vacuum Cleaner

1. **Attach the Dust Cup:** Align the dust cup with the main host unit and push until it clicks securely into place.
2. **Insert Filters:** Ensure the stainless steel filter, HEPA filter, and sponge filter are correctly inserted into the dust cup.
3. **Connect the Telescopic Tube:** Insert one end of the telescopic tube into the main host unit and the other end into the floor brush until they lock.
4. **Attach the Floor Brush:** Connect the floor brush to the bottom of the telescopic tube.

#### 3.2 Charging the Battery

The Fiety V9 is equipped with a removable battery. For optimal performance, fully charge the battery before first use.

- **Direct Charging:** Connect the power adapter directly to the charging port on the main host unit or the removable battery.
- **Wall Mount Charging:** Install the wall mount in a convenient location using the provided screws and expansion nails. Hang the vacuum cleaner on the wall mount. The integrated design allows for charging while stored.

A full charge takes approximately 4 hours. The LED display will indicate the charging status.

## 4. OPERATION

### 4.1 Power Modes and Suction Control

The Fiety V9 offers multiple power modes to suit different cleaning needs:

- **ECO Mode:** Provides up to 65 minutes of runtime for light cleaning tasks.
- **MID Mode:** Offers balanced power and runtime for everyday cleaning.
- **MAX Mode:** Delivers powerful 50kPa suction for stubborn dirt and pet hair, with a runtime of approximately 20 minutes.

Switch between modes using the intuitive LED touchscreen on the main unit.

### 4.2 Automatic Mode

The intelligent automatic mode adjusts suction power based on the floor type, optimizing cleaning efficiency and battery life. This feature ensures thorough cleaning without manual adjustments.

### 4.3 Using Attachments

The Fiety V9 comes with an 8-in-1 cleaning kit, including a 1-meter extensible hose, a 2-in-1 flat brush, and a crevice brush, allowing for versatile cleaning.

- **Flexible Hose:** Ideal for reaching high curtains, tight spaces in cars, or under furniture.
- **2-in-1 Flat Brush:** Suitable for upholstery, keyboards, and delicate surfaces.
- **Crevice Brush:** Perfect for narrow gaps, corners, and edges.

#### 4.5 LED Display

The high-resolution LED touchscreen provides real-time monitoring of the vacuum's status, including battery level, temperature, and anti-blockage alerts. It also allows for easy switching between the 3 power levels and automatic mode.

## 5. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your Fieety V9 vacuum cleaner.

### 5.1 Emptying the Dust Cup

The 1.6L extra-large dust cup minimizes the frequency of emptying. To empty, detach the dust cup from the main unit and press the release button to open the bottom flap, disposing of debris directly into a trash bin.

### 5.2 Cleaning Filters

The 8-level HEPA filtration system captures 99.99% of fine particles. Regularly clean the stainless steel filter, HEPA filter, and sponge filter to maintain suction power and air quality. All filters are washable. Allow them to air dry completely before reinserting.

### 5.3 Cleaning the Brush Roll

The anti-tangle brush roll with S-shaped rollers effectively reduces hair entanglement. To clean, remove the brush roll from the floor head by pressing the release button. Remove any tangled hair or debris using the provided mini cleaning brush or scissors. Reinsert the brush roll until it clicks into place.

## 6. TROUBLESHOOTING

If you encounter any issues with your Fieety V9, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No power	Battery not charged; Battery not properly installed	Charge the battery; Ensure battery is securely clicked into place
Weak suction	Dust cup full; Filters clogged; Brush roll obstructed	Empty dust cup; Clean or replace filters; Clear brush roll of debris
Vacuum stops unexpectedly	Overheating; Battery low; Obstruction detected	Allow to cool down; Recharge battery; Check for and remove obstructions
Unusual noise	Obstruction in brush roll or air path	Inspect and clear any blockages

If the problem persists, please contact customer support.

## 7. SPECIFICATIONS

Feature	Specification
Brand	Fieety
Model Number	FRV9
Power	600 Watts
Suction Power	50 kPa
Battery Capacity	8 x 2500 mAh (removable)
Runtime	Up to 65 minutes (ECO mode)
Charging Time	4 hours
Dust Cup Capacity	1.6 Liters
Noise Level	≤ 62 dB
Number of Speeds	3 (plus Auto mode)
Filter Type	Cyclonic Filtration, Stainless Steel Filter, HEPA Filter, Sponge Filter
Product Dimensions	25.4 x 19.56 x 119.38 cm

Feature	Specification
Item Weight	4.26 Kilograms
