- **Volume Down** / **Previous Song Button:** Short press to decrease volume. Press and hold for previous track.

Ports

- **Type-C Charging Port:** For charging the speaker.

SETUP INSTRUCTIONS

Mounting the Handlebar Bracket

Convenient Calls&Voice Navigation
Avoid parking and retrieving phones to maintain continuity and safety during cycling.

RGB Light Show
The lights are synchronized with the music to enhance the enjoyment and motivation during your ride.

Image illustrating the components of the handlebar mount, including the heat-resistant PC material bracket, rubber strips, and the quick installation mechanism. It shows the minimum and maximum diameter for handlebar compatibility.

1. Select the appropriate rubber strip for your handlebar diameter (min. 0.7in/1.7cm, max. 1.4in/3.6cm).
2. Place the rubber strip around your handlebar at the desired mounting location.
3. Attach the handlebar mount over the rubber strip and secure it by tightening the screw until it is firm. No tools are needed for this step.

Video demonstrating the easy installation of the XLEADER X8BKPRO-V2 speaker onto a bicycle handlebar, highlighting the stable handle bracket.

Attaching the Speaker

1. Align the speaker with the handlebar mount.
2. Gently push and twist the speaker until it securely locks into place on the mount.

Initial Charging

1. Before first use, fully charge the speaker using the provided Type-C charging cable.
2. Connect the Type-C cable to the speaker's charging port and the other end to a USB power source (e.g., wall adapter, computer).
3. The charging indicator light will show charging status (refer to the LED indicator section in the full manual for details).

Bluetooth Pairing

1. Power on the speaker by pressing and holding the Power button. The speaker will enter Bluetooth pairing mode, indicated by a flashing blue LED.
2. On your mobile device, enable Bluetooth and search for available devices.
3. Select "XLEADER X8" from the list of devices to pair.
4. Once successfully paired, the blue LED will stop flashing and remain solid. The speaker will automatically reconnect to the last paired device when powered on.

OPERATING INSTRUCTIONS

Power On/Off

- Press and hold the Power button for approximately 3 seconds to turn the speaker on or off.

Playing Audio

- **Play/Pause:** Short press the Power button.
- **Volume Adjustment:** Short press the Volume Up (+) or Volume Down (-) buttons.
- **Next/Previous Track:** Press and hold the Volume Up (+) button for the next track. Press and hold the Volume Down (-) button for the previous track.

RGB Light Modes

Image displaying the XLEADER X8BKPRO-V2 speaker's dynamic RGB lights, showing various color modes and the option to turn them off with one click.

- Short press the Light button to cycle through 6 different RGB lighting modes.
- Press and hold the Light button to turn the RGB lights on or off.

Call Management & Voice Navigation

- **Answer/End Call:** Short press the Power button when a call comes in.
- **Reject Call:** Press and hold the Power button.
- **Voice Navigation:** The speaker's microphone allows for hands-free voice navigation instructions from your paired device, maintaining continuity and safety during your ride.

KEY FEATURES

IPX7 Waterproofing

Image demonstrating the XLEADER X8BKPRO-V2 speaker's IPX7 waterproof rating, showing it submerged in water, suitable for various outdoor activities.

- The speaker is certified IPX7 waterproof, allowing for complete submersion in up to 1 meter of water for up to 30 minutes. This makes it suitable for use in rain, by the pool, or on the beach.

Long Playtime

- Enjoy 15-24 hours of continuous playtime on a single charge, depending on volume and light usage.

Versatile Use

Image depicting various non-cycling uses for the XLEADER X8BKPRO-V2 speaker, including showering, camping, traveling, and swimming, highlighting its portability and durability.

- The stable handlebar mount is suitable for bicycles, motorcycles, and electric scooters.
- The included hook clip and lanyard allow for easy portability, making it ideal for camping, hiking, travel, or even in the shower.

CARE AND MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, fully charge the speaker at least once every three months if not in regular use.
- **Water Exposure:** After exposure to water, ensure the charging port cover is securely closed. Allow the speaker to air dry completely before charging.

TROUBLESHOOTING

Issue	Solution
Speaker does not power on.	Ensure the battery is charged. Connect the speaker to a power source using the Type-C cable.
Unable to pair via Bluetooth.	Ensure the speaker is in pairing mode (flashing blue LED). Turn off and on your device's Bluetooth. Ensure the speaker is within 66 feet (20 meters) of your device.
Poor sound quality or distortion.	Check the volume levels on both the speaker and your paired device. Ensure there are no obstructions between the speaker and your device. Try moving closer to the speaker.
RGB lights are not working.	Short press the Light button to cycle through modes. Press and hold the Light button to ensure they are not turned off.
Speaker automatically shuts down.	The speaker will shut down if Bluetooth is disconnected for 10 minutes to save power. Reconnect your device or power on the speaker again.
