### OPERATING INSTRUCTIONS

#### Interactive Play with LEGO Mario

Place the interactive LEGO Mario figure into the Standard Kart. As Mario drives the kart, it will trigger authentic Mario Kart sounds and visual effects. The figure reacts to specific colored LEGO plates (green and red) and interacts with the Bob-omb and Thwomp figures, allowing users to defeat them for in-game rewards.

### Kart Functions

The Standard Kart features a drifting action, allowing for dynamic turns and maneuvers during play. It also includes a shell-launching function, adding an element of strategy to races.

### Item Box Interaction

Drive LEGO Mario over the Item Box to earn digital rewards, mimicking the power-up system from the Mario Kart video games.

### Expanding Your Playset

This set is designed to be compatible with other LEGO Super Mario: Mario Kart toy playsets (sold separately), allowing for the creation of larger and more complex racetracks and the integration of additional vehicles and characters.

## Includes Bob-omb and Thwomp figures

### MAINTENANCE

---

#### Cleaning

To clean LEGO bricks and figures, wipe them gently with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive materials, as these can damage the plastic. Do not submerge the interactive LEGO Mario figure in water.

#### Storage

Store the LEGO set in a cool, dry place away from direct sunlight to prevent discoloration and warping of the bricks. Keep small pieces in a container to avoid loss.

### TROUBLESHOOTING

---

#### LEGO Mario Not Responding

- Check if the 2 AAAA batteries are correctly inserted and have sufficient charge. Replace if necessary.
- Ensure the LEGO Mario figure's firmware is up to date via the LEGO Super Mario app.
- Verify that the figure is properly placed in the Standard Kart or on interactive elements.

## Missing Pieces

If you find any pieces missing from your set, please contact LEGO Customer Service for assistance. Refer to the part list in your building instructions.

## Assembly Difficulties

Refer to the detailed building instructions provided in the box or through the LEGO Super Mario app. Ensure all steps are followed precisely. If issues persist, consult online LEGO building communities or customer support.
