5. TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the following common solutions:

- **Missing Parts:** Carefully check all packaging materials. If parts are genuinely missing, contact customer support immediately.
- **Drawers Not Closing Smoothly:** Ensure all drawer slides are correctly installed and aligned. Verify that no screws are loose or obstructing the slide mechanism. Re-check the assembly steps for the drawer runners and drawer boxes.
- **Stability Issues:** Confirm all fasteners are tightened securely. Ensure the dresser is placed on a level surface. Always install the anti-tipping device as instructed in Section 2.1.
