SETUP

Initial Charging

Before first use, fully charge the earphones and the charging case.

1. Place both earphones into the charging case.
2. Connect the Type-C charging cable to the charging port on the case and a power source.
3. The LED display on the charging case will show the charging status. A full charge for the case takes approximately 1.5 hours.

Automatic Pairing

The earphones feature automatic pairing for quick and easy connection.

1. Ensure the earphones are charged.
2. Open the charging case lid. The earphones will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.

4. Search for Bluetooth devices and select "AP09" from the list.
5. Once connected, the earphones will automatically pair with this device in the future when removed from the case.

Note: For the first connection, manual selection of "AP09" from your device's Bluetooth settings is required.
